SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1103, 1110, 1323 of this title.

§ 1103. Amounts transferred to State accounts

(a) Determination and certification by Secretary of Labor

(1) If as of the close of any fiscal year after the fiscal year ending June 30, 1972, the amount in the extended unemployment compensation account has reached the limit provided in section 1105(b)(2) of this title and the amount in the Federal unemployment account has reached the limit provided in section 1102(a) of this title and all advances and interest pursuant to section 1105(d) of this title and section 1323 of this title have been repaid, and there remains in the employment security administration account any amount over the amount provided in section 1101(f)(3)(A) of this title, such excess amount, except as provided in subsection (b) of this section, shall be transferred (as of the beginning of the succeeding fiscal year) to the accounts of the States in the Unemployment Trust Fund.

(2) Each State's share of the funds to be transferred under this subsection as of any October 1—

(A) shall be determined by the Secretary of Labor and certified by such Secretary to the Secretary of the Treasury before such date, and

(B) shall bear the same ratio to the total amount to be so transferred as—

(i) the amount of wages subject to tax under section 3301 of the Internal Revenue Code of 1986 during the preceding calendar year which are determined by the Secretary of Labor to be attributable to the State, bears to

(ii) the total amount of wages subject to such tax during such year.

(b) Transfer of funds where State is ineligible

(1) If the Secretary of Labor finds that on October 1 of any fiscal year—

(A) a State is not eligible for certification under section 503 of this title, or

(B) the law of a State is not approvable under section 3304 of the Federal Unemployment Tax Act [26 U.S.C. 3304],

then the amount available for transfer to such State's account shall, in lieu of being so transferred, be transferred to the Federal unemployment account as of the beginning of such October 1. If, during the fiscal year beginning on such October 1, the Secretary of Labor finds and certifies to the Secretary of the Treasury that such State is eligible for certification under section 503 of this title, that the law of such State is approvable under such section 3304, or both, the Secretary of the Treasury shall transfer such amount from the Federal unemployment account to the account of such State. If the Secretary of Labor does not so find and certify to the Secretary of the Treasury before the close of such fiscal year then the amount which was available for transfer to such State's account as of October 1 of such fiscal year shall (as of the close of such fiscal year) become unrestricted as to use as part of the Federal unemployment account.

(2) The amount which, but for this paragraph, would be transferred to the account of a State under subsection (a) of this section or paragraph (1) of this subsection shall be reduced (but not below zero) by the balance of advances made to the State under section 1321 of this title. The sum by which such amount is reduced shall—

(A) be transferred to or retained in (as the case may be) the Federal unemployment account, and

(B) be credited against, and operate to reduce—

(i) first, any balance of advances made before September 13, 1960, to the State under section 1321 of this title, and

(ii) second, any balance of advances made on or after September 13, 1960, to the State under section 1321 of this title.

(c) Use of funds

(1) Except as provided in paragraph (2), amounts transferred to the account of a State pursuant to subsections (a) and (b) of this section shall be used only in the payment of cash benefits to individuals with respect to their unemployment, exclusive of expenses of administration.

(2) A State may, pursuant to a specific appropriation made by the legislative body of the State, use money withdrawn from its account in the payment of expenses incurred by it for the administration of its unemployment compensation law and public employment offices if and only if—

(A) the purposes and amounts were specified in the law making the appropriation,

(B) the appropriation law did not authorize the obligation of such money after the close of the two-year period which began on the date of enactment of the appropriation law,

(C) the money is withdrawn and the expenses are incurred after such date of enactment,

(D)(i) the appropriation law limits the total amount which may be obligated under such appropriation at any time to an amount which does not exceed, at any such time, the amount by which—

(I) the aggregate of the amounts transferred to the account of such State pursuant to subsections (a) and (b) of this section, exceeds

(II) the aggregate of the amounts used by the State pursuant to this subsection and charged against the amounts transferred to the account of such State, and

(ii) for purposes of clause (i), amounts used by a State for administration shall be chargeable against transferred amounts at the exact time the obligation is entered into, and

(E) the use of the money is accounted for in accordance with standards established by the Secretary of Labor.

(3)(A) If—

(i) amounts transferred to the account of a State pursuant to subsections (a) and (b) of this section were used in payment of unemployment benefits to individuals; and

(ii) the Governor of such State submits a request to the Secretary of Labor that such amounts be restored under this paragraph,

then the amounts described in clause (i) shall be restored to the status of funds transferred under subsections (a) and (b) of this section which have not been used by eliminating any charge against amounts so transferred for the use of such amounts in the payment of unemployment benefits.

(B) Subparagraph (A) shall apply only to the extent that the amounts described in clause (i) of such subparagraph do not exceed the amount then in the State's account.

(C) Subparagraph (A) shall not apply if the State has a balance of advances made to its account under subchapter XII of this chapter.

(D) If the Secretary of Labor determines that the requirements of this paragraph are met with respect to any request, the Secretary shall notify the Governor of the State that such requirements are met with respect to such request and the amount restored under this paragraph. Such restoration shall be as of the first day of the first month following the month in which the notification is made.

§ 1104. Unemployment Trust Fund

(a) Establishment

There is hereby established in the Treasury of the United States a trust fund to be known as the ''Unemployment Trust Fund'', hereinafter in this subchapter called the ''Fund''. The Secretary of the Treasury is authorized and directed to receive and hold in the Fund all moneys deposited therein by a State agency from a State unemployment fund, or by the Railroad Retirement Board to the credit of the railroad unemployment insurance account or the railroad unemployment insurance administration fund, or otherwise deposited in or credited to the Fund or any account therein. Such deposit may be made directly with the Secretary of the Treasury, with any depositary[1] designated by him for such purpose, or with any Federal Reserve Bank.

(b) Investments

It shall be the duty of the Secretary of the Treasury to invest such portion of the Fund as is not, in his judgment, required to meet current withdrawals. Such investment may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of title 31 are hereby extended to authorize the issuance at par of special obligations exclusively to the Fund. Such special obligations shall bear interest at a rate equal to the average rate of interest, computed as of the end of the calendar month next preceding the date of such issue, borne by all interest-bearing obligations of the United States then forming part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest of such special obligations shall be the multiple of one-eighth of 1 per centum next lower than such average rate. Obligations other than such special obligations may be acquired for the Fund only on such terms as to provide an investment yield not less than the yield which would be required in the case of special obligations if issued to the Fund upon the date of such acquisition. Advances made to the Federal unemployment account pursuant to section 1323 of this title shall not be invested.

(c) Sale or redemption of obligations

Any obligations acquired by the Fund (except special obligations issued exclusively to the Fund) may be sold at the market price, and such special obligations may be redeemed at par plus accrued interest.

(A) by adding to the amount in the account the aggregate of the reductions under paragraph (1), and

There is hereby established in the Unemployment Trust Fund an extended unemployment compensation account. For the purposes provided for in section 1104(e) of this title, such account shall be maintained as a separate book account.

(b) Transfers to account

(1) Except as provided in paragraph (3), the Secretary of the Treasury shall transfer (as of the close of each month) from the employment security administration account to the extended unemployment compensation account established by subsection (a) of this section, an amount (determined by such Secretary) equal to 20 percent of the amount by which—

(A) the transfers to the employment security administration account pursuant to section 1101(b)(2) of this title during such month, exceed

(B) the payments during such month from the employment security administration account pursuant to section 1101(b)(3) and (d) of this title.

If for any such month the payments referred to in subparagraph (B) exceed the transfers referred to in subparagraph (A), proper adjustments shall be made in the amounts subsequently transferred.

(2) Whenever the Secretary of the Treasury determines pursuant to section 1101(f) of this title that there is an excess in the employment security administration account as of the close of any fiscal year beginning after June 30, 1972, there shall be transferred (as of the beginning of the succeeding fiscal year) to the extended unemployment compensation account the total amount of such excess or so much thereof as is required to increase the amount in the extended unemployment compensation account to whichever of the following is the greater:

(A) $750,000,000, or

(B) the amount (determined by the Secretary of Labor and certified by him to the Secretary of the Treasury) equal to 0.5 percent of the total wages subject (determined without any limitation on amount) to contributions under all State unemployment compensation laws for the calendar year ending during the fiscal year for which the excess is determined.

Amounts appropriated as repayable advances shall be repaid by transfers from the extended unemployment compensation account to the general fund of the Treasury, at such times as the amount in the extended unemployment compensation account is determined by the Secretary of the Treasury, in consultation with the Secretary of Labor, to be adequate for such purpose. Repayments under the preceding sentence shall be made whenever the Secretary of the Treasury (after consultation with the Secretary of Labor) determines that the amount then in the account exceeds the amount necessary to meet the anticipated payments from the account during the next 3 months. Any amount transferred as a repayment under this subsection shall be credited against, and shall operate to reduce, any balance of advances repayable under this subsection. Amounts appropriated as repayable advances for purposes of this subsection shall bear interest at a rate

§ 1206. "Aid to the blind" defined

For the purposes of this subchapter, the term ''aid to the blind'' means money payments to blind individuals who are needy, but does not include any such payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution) or any individual who is a patient in an institution for tuberculosis or mental diseases. Such term also includes payments which are not included within the meaning of such term under the preceding sentence, but which would be so included except that they are made on behalf of such a needy individual to another individual who (as determined in accordance with standards prescribed by the Secretary) is interested in or concerned with the welfare of such needy individual, but only with respect to a State whose State plan approved under section 1202 of this title includes provision for—

(1) determination by the State agency that such needy individual has, by reason of his physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare and, therefore, it is necessary to provide such aid through payments described in this sentence;

(2) making such payments only in cases in which such payments will, under the rules otherwise applicable under the State plan for determining need and the amount of aid to the blind to be paid (and in conjunction with other income and resources), meet all the need[1] of the individuals with respect to whom such payments are made;

(3) undertaking and continuing special efforts to protect the welfare of such individual

[1] So in original. Probably should be ''needs''.

and to improve, to the extent possible, his capacity for self-care and to manage funds;

(4) periodic review by such State agency of the determination under paragraph (1) of this subsection to ascertain whether conditions justifying such determination still exist, with provision for termination of such payments if they do not and for seeking judicial appointment of a guardian or other legal representative, as described in section 1311 of this title, if and when it appears that such action will best serve the interests of such needy individual; and

(5) opportunity for a fair hearing before the State agency on the determination referred to in paragraph (1) of this subsection for any individual with respect to whom it is made.

At the option of a State (if its plan approved under this subchapter so provides), such term (i) need not include money payments to an individual who has been absent from such State for a period in excess of 90 consecutive days (regardless of whether he has maintained his residence in such State during such period) until he has been present in such State for 30 consecutive days in the case of such an individual who has maintained his residence in such State during such period or 90 consecutive days in the case of any other such individual, and (ii) may include rent payments made directly to a public housing agency on behalf of a recipient or a group or groups of recipients of aid under such plan.

(Aug. 14, 1935, ch. 531, title X, §1006, 49 Stat. 647; Aug. 10, 1939, ch. 666, title VII, §703, 53 Stat. 1398; Aug. 28, 1950, ch. 809, title III, pt. 4, §343(a), 64 Stat. 554; July 25, 1962, Pub. 1981—Pub. L. 97–35 struck out in provision preceding par. § 1315. Demonstration projects

(a) Waiver of State plan requirements; costs regarded as State plan expenditures; availability of appropriations

In the case of any experimental, pilot, or demonstration project which, in the judgment of the Secretary, is likely to assist in promoting the objectives of subchapter I, X, XIV, XVI, or XIX of this chapter, or part A or D of subchapter IV of this chapter, in a State or States—

(1) the Secretary may waive compliance with any of the requirements of section 302, 602, 654, 1202, 1352, 1382, or 1396a of this title, as the case may be, to the extent and for the period he finds necessary to enable such State or States to carry out such project, and

(2) costs of such project which would not otherwise be included as expenditures under section 303, 603, 655, 1203, 1353, 1383, or 1396b of this title, as the case may be, and which are not included as part of the costs of projects under section 1310 of this title, shall, to the extent and for the period prescribed by the Secretary, be regarded as expenditures under the State plan or plans approved under such subchapter, or for administration of such State plan or plans, as may be appropriate.

In addition, not to exceed $4,000,000 of the aggregate amount appropriated for payments to States under such subchapters for any fiscal year beginning after June 30, 1967, shall be available, under such terms and conditions as the Secretary may establish, for payments to States to cover so much of the cost of such projects as is not covered by payments under such sub-

chapters and is not included as part of the cost of projects for purposes of section 1310 of this title.

(b) Purposes, criteria and procedures applicable to establishment; participatory effect; duration and termination

(1) In order to permit the States to achieve more efficient and effective use of funds for public assistance, to reduce dependency, and to improve the living conditions and increase the incomes of individuals who are recipients of public assistance, any State having an approved plan under part A of subchapter IV of this chapter may, subject to the provisions of this subsection, establish and conduct not more than three demonstration projects. In establishing and conducting any such project the State shall—

(A) provide that not more than one such project be conducted on a statewide basis;

(B) provide that in making arrangements for public service employment—

(i) appropriate standards for the health, safety, and other conditions applicable to the performance of work and training on such project are established and will be maintained,

(ii) such project will not result in the displacement of employed workers,

(iii) each participant in such project shall be compensated for work performed by him at an hourly rate equal to the prevailing hourly wage for similar work in the locality where the participant performs such work (and, for purposes of this clause, benefits payable under the State's plan approved under part A of subchapter IV of this chapter of the family of which such participant is a member shall be regarded as compensation for work performed by such participant),

(iv) with respect to such project the conditions of work, training, education, and employment are reasonable in the light of such factors as the type of work, geographical region, and proficiency of the participant, and

(v) appropriate workmen's compensation protection is provided to all participants; and

(C) provide that participation in such project by any individual receiving aid to families with dependent children be voluntary.

(2) Any State which establishes and conducts demonstration projects under this subsection may, subject to paragraph (3), with respect to any such project—

(A) waive, subject to paragraph (3), any or all of the requirements of sections 602(a)(1) of this title (relating to statewide operation), 602(a)(3) of this title (relating to administration by a single State agency), 602(a)(8) of this title (relating to disregard of earned income), except that no such waiver of 602(a)(8) of this title shall operate to waive any amount in excess of one-half of the earned income of any individual, and 602(a)(19) of this title (relating to the work incentive program); and

(B) subject to paragraph (4), use to cover the costs of the project such funds as are appropriated for payment to such State with respect to the assistance which is or would, except for participation in a project under this subsection, be payable to individuals participating in such projects under part A of subchapter IV of this chapter for any fiscal year in which such projects are conducted.

(3)(A) Any State which wishes to establish and conduct demonstration projects under the provisions of this subsection shall submit an application to the Secretary in such form and containing such information as the Secretary may require. Whenever any State submits such an application to the Secretary, it shall at the same time issue public notice of that fact together with a general description of the project with respect to which the application is submitted, and shall invite comment thereon from interested parties and comments thereon may be submitted, within the 30-day period beginning with the date the application is submitted to the Secretary, to the State or the Secretary by such parties. The State shall also make copies of the application available for public inspection. The Secretary shall also immediately publish a summary of the proposed project, make copies of the application available for public inspection, and receive and consider comments submitted with respect to the application. A State shall be authorized to proceed with a project submitted under this subsection—

(i) when such application has been approved by the Secretary (which shall be no earlier than 30 days following the date the application is submitted to him), or

(ii) 60 days after the date on which such application is submitted to the Secretary unless, during such 60 day period, he denies the application.

(B) Notwithstanding the provisions of paragraph (2)(A), the Secretary may review any waiver made by a State under such paragraph. Upon a finding that any such waiver is inconsistent with the purposes of this subsection and the purposes of part A of subchapter IV of this chapter, the Secretary may disapprove such waiver. The project with respect to which any such disapproved waiver was made shall be terminated by such State not later than the last day of the month following the month in which such waiver was disapproved.

(4) Any amount payable to a State under section 603(a) of this title on behalf of an individual participating in a project under this section shall not be increased by reason of the participation of such individual in any demonstration project conducted under this subsection over the amount which would be payable if such individual were receiving aid to families with dependent children and not participating in such project.

(5) Participation in a project established under this section shall not be considered to constitute employment for purposes of any finding with respect to ''unemployment'' as that term is used in section 607 of this title.

(6) Any demonstration project established and conducted pursuant to the provisions of this subsection shall be conducted for not longer than two years. All demonstration projects established and conducted pursuant to the provi-

sions of this subsection shall be terminated not later than September 30, 1980.

(c) Child support enforcement programs

In the case of any experimental, pilot, or demonstration project undertaken under subsection (a) of this section to assist in promoting the objectives of part D of subchapter IV of this chapter, the project—

(1) must be designed to improve the financial well-being of children or otherwise improve the operation of the child support program;

(2) may not permit modifications in the child support program which would have the effect of disadvantaging children in need of support; and

(3) must not result in increased cost to the Federal Government under the program of aid to families with dependent children.

(d) Demonstration projects to test alternative definitions of unemployment

(1)(A) The Secretary shall enter into agreements with up to 8 States submitting applications under this subsection for the purpose of conducting demonstration projects in such States to test and evaluate the use, with respect to individuals who received aid under part A of subchapter IV of this chapter in the preceding month (on the basis of the unemployment of the parent who is the principal earner), of a number greater than 100 for the number of hours per month that such individuals may work and still be considered to be unemployed for purposes of section 607 of this title. If any State submits an application under this subsection for the purpose of conducting a demonstration project to test and evaluate the total elimination of the 100-hour rule, the Secretary shall approve at least one such application.

(B) If any State with an agreement under this subsection so requests, the demonstration project conducted pursuant to such agreement may test and evaluate the complete elimination of the 100-hour rule and of any other durational standard that might be applied in defining unemployment for purposes of determining eligibility under section 607 of this title.

(2) Notwithstanding section 602(a)(1) of this title, a demonstration project conducted under this subsection may be conducted in one or more political subdivisions of the State.

(3) An agreement under this subsection shall be entered into between the Secretary and the State agency designated under section 602(a)(3) of this title. Such agreement shall provide for the payment of aid under the applicable State plan under part A of subchapter IV of this chapter as though section 607 of this title had been modified to reflect the definition of unemployment used in the demonstration project but shall also provide that such project shall otherwise be carried out in accordance with all of the requirements and conditions of section 607 of this title (and, except as provided in paragraph (2), any related requirements and conditions under part A of subchapter IV of this chapter).

(4) A demonstration project under this subsection may be commenced any time after September 30, 1990, and shall be conducted for such period of time as the agreement with the Secretary may provide; except that, in no event may a demonstration project under this section be conducted after September 30, 1995.

(5)(A) Any State with an agreement under this subsection shall evaluate the comparative cost and employment effects of the use of the definition of unemployment in its demonstration project under this section by use of experimental and control groups comprised of a random sample of individuals receiving aid under section 607 of this title and shall furnish the Secretary with such information as the Secretary determines to be necessary to evaluate the results of the project conducted by the State.

(B) The Secretary shall report the results of the demonstration projects conducted under this subsection to the Congress not later than 6 months after all such projects are completed.

L. 100–485 authorized Secretary of Health and Human Services to permit up to 5 States to undertake and carry out demonstration projects designed to test whether employment of parents of dependent children receiving AFDC as providers of child care for other children receiving AFDC would effectively facilitate the conduct of the job opportunities and basic skills training program under part F of title IV of this chapter by making additional child care services available to meet the requirements of section 602(g)(1)(A) of this title while affording significant numbers of families receiving such aid a realistic opportunity to avoid welfare dependence through employment as a child care provider, and authorized to be appropriated not to exceed $1,000,000 for each of the fiscal years 1990, 1991, and 1992 for grants to States to carry out such demonstration projects.

DEMONSTRATION PROJECTS TO PROVIDE COUNSELING AND SERVICES TO HIGH-RISK TEENAGERS

Section 506 of Pub. L. 100–485 provided that:

''(a) FINDINGS AND PURPOSE.—(1) The Congress finds that—

''(A) the incidences of teenage pregnancy, suicide, substance abuse, and school dropout are increasing;

''(B) research to date has established a link between low self-esteem, perceived limited life options and the risk of teenage pregnancy, suicide, substance abuse, and school dropout;

''(C) little data currently exists on how to improve the self-image of and expand the life options available to high-risk teenagers; and

''(D) there currently is no Federal program in place to address the unique and significant problems faced by today's teenagers.

''(2) It is the purpose of the demonstration projects conducted under this section to provide programs in which a range of non-academic services (sports, recreation, the arts) and self-image counseling are provided to high-risk teenagers in order to reduce the rates of pregnancy, suicide, substance abuse, and school dropout among such teenagers.

''(b) IN GENERAL.—The Secretary of Health and Human Services (in this section referred to as the 'Secretary') shall enter into an agreement with each of 4 States submitting applications under this section for the purpose of conducting demonstration projects in accordance with this section to provide counseling and services to certain high-risk teenagers.

''(c) NATURE OF PROJECT.—Under each demonstration project conducted under this section—

''(1) The State shall establish a 'Teen Care Plan' that shall consist of the following:

''(A) A clearing house where high-risk teenagers will be referred to and encouraged to participate in non-academic activities (arts, recreation, sports) which are already in place in the community.

''(B) A survey of the area to be targeted by the project to determine the need to fund and create new non-academic activities in the area.

''(C) Counseling services utilizing qualified, locally licensed psychologists, social psychologists, or other mental health professionals or related experts to provide individual and group counseling to participating high-risk teenagers.

''(D) A program to provide participants in the project (to the extent practicable) with such transportation, child care, and equipment as is necessary to carry out the purposes of the project.

''(2) The State shall designate two geographical areas within the State to be targeted by the project. One area will serve as the 'home base' for the project, where services will be concentrated and in which a local school system will be selected to receive services and provide facilities for resource referral and counseling. The second geographical area will serve as a 'peripheral' participant, receiving assistance and services from the home base.

''(3) A high-risk teenager is any male or female who has reached the age of 10 years and whose age does not exceed 20 years, and who—

''(A) has a history of academic problems;

''(B) has a history of behavioral problems both in and out of school;

''(C) comes from a one-parent household; or

''(D) is pregnant or is a mother of a child.

''(d) APPLICATIONS; SELECTION CRITERIA.—(1) In selecting States to conduct demonstration projects under this section, the Secretary—

''(A) shall consult with the Consortium on Adolescent Pregnancy;

''(B) shall consider—

''(i) the rate of teenage pregnancy in each State,

''(ii) the teenage school dropout rate in each State,

''(iii) the incidence of teenage substance abuse in each State, and

''(iv) the incidence of teenage suicide in each State; and

''(C) shall give priority to States whose applications—

''(i) demonstrate a current strong State commitment aimed at reducing teenage pregnancy, suicide, drug abuse, and school dropout;

''(ii) contain a 'State support agreement' signed by the Governor, the State School Commissioner, the State Department of Human Services, and the State Department of Education, pledging their commitment to the project;

''(iii) describe facilities and services to be made available by the State to assist in carrying out the project; and

''(iv) indicate a demonstrably high rate of alcoholism among its residents.

''(2) Of the States selected to participate in the demonstration projects conducted under this section—

''(A) one shall be a geographically small State with a population of less than 1,250,000;

''(B) one shall be a State with a population of over 20,000,000; and

''(C) two shall be States with populations of more than 1,000,000 but less than 20,000,000.

''(e) EVALUATION AND REPORT.—(1) Each State conducting a demonstration project under this section shall submit to the Secretary for his approval an evaluation plan that provides for examining the effectiveness of the project in both the home base and peripheral area of the State.

''(2) Not later than October 1, 1992, the Secretary shall submit to the Congress a report containing a summary of the evaluations conducted by States pursuant to the plans described in paragraph (1).

''(f) FUNDING.—(1) Three-fifths of the total amount appropriated pursuant to this section for any fiscal year for each State conducting a demonstration project shall be expended by such State for the provision of services and facilities within the State's designated project home base, and 5 percent of such three-fifths shall be set aside for the conduct of the State's evaluation as provided for in subsection (e).

''(2) Two-fifths of the total amounts appropriated pursuant to this section for any fiscal year for each State conducting a demonstration project shall be expended by such State for the provision of services and facilities within the State's designated peripheral area, and 5 percent of such two-fifths shall be set aside for the conduct of the State's evaluation as provided for in subsection (e).

''(g) DURATION.—A demonstration project conducted under this section shall be commenced not later than September 30, 1989, and shall be conducted for a 3-year period; except that the Secretary may terminate a project before the end of such period if he determines that the State conducting the project is not in substantial compliance with the terms of the agreement entered into with the Secretary under this section.

''(h) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of funding in equal amounts each State demonstration project conducted under this section, there is authorized to be appropriated not to exceed $1,500,000 for each of the fiscal years 1990, 1991, and 1992.''

CONTINUATION OF FEDERAL FINANCIAL PARTICIPATION IN EXPERIMENTAL, PILOT, OR DEMONSTRATION PROJECTS APPROVED BEFORE OCTOBER 1, 1973, FOR PERIOD ON-AND-AFTER DECEMBER 31, 1973, WITHOUT DENIAL OR REDUCTION ON ACCOUNT OF SUBCHAPTER XVI PROVISIONS FOR SUPPLEMENTAL SECURITY INCOME FOR THE AGED, BLIND AND DISABLED; WAIVER OF SUBCHAPTER XVI RESTRICTIONS FOR INDIVIDUALS; FEDERAL PAYMENTS OF NON-FEDERAL SHARE AS SUPPLEMENTARY PAYMENTS

Section 11 of Pub. L. 93–233 provided that:

''(a) If any State (other than the Commonwealth of Puerto Rico, the Virgin Islands, or Guam) has any experimental, pilot, or demonstration project (referred to in section 1115 of the Social Security Act [this section])—

''(1) which (prior to October 1, 1973) has been approved by the Secretary of Health, Education, and Welfare [now Health and Human Services] (hereinafter in this section referred to as the 'Secretary'), for a period which ends on or after December 31, 1973, as being a project with respect to which the authority conferred upon him by subsection (a) or (b) of such section 1115 [subsec. (a) or (b) of this section] will be exercised, and

''(2) with respect to the costs of which Federal financial participation would (except for the provisions

of this section) be denied or reduced on account of the enactment of section 301 of the Social Security Amendments of 1972 [enacting subchapter XVI of this chapter],

then, for any period (after December 31, 1973) with respect to which such project is approved by the Secretary, Federal financial participation in the costs of such project shall be continued in like manner as if—

''(3) such section 301 [enacting subchapter XVI of this chapter] had not been enacted, and

''(4) such State (for the month of January 1974 and any month thereafter) continued to have in effect the State plan (approved under title XVI [subchapter XVI of this chapter]) which was in effect for the month of October 1973, or the State plans (approved under titles I, X, and XIV of the Social Security Act [subchapters I, X, and XIV of this chapter]) which were in effect for such month, as the case may be.

''(b) With respect to individuals—

''(1) who are participants in any project to which the provisions of subsection (a) are applicable, and

''(2) with respect to whom supplemental security income benefits are (or would, except for their participation in such project, be) payable under title XVI of the Social Security Act, or who meet the requirements for aid or assistance under a State plan approved under title I, X, XIV, or XVI of the Social Security Act of the State in which such project is conducted (as such State plan was in effect for July 1973),

the Secretary may waive such requirements of title XVI of such Act (as enacted by section 301 of the Social Security Amendments of 1972) to such extent as he determines to be necessary to the successful operation of such project.

''(c) In the case of any State which has entered into an agreement with the Secretary under section 1616 of the Social Security Act [section 1382e of this title] (or which is deemed, under section 212(d) of Public Law 93–66 [set out as a note under section 1382 of this title], to have entered into such an agreement), then, of the costs of any project of such State with respect to which there is (solely by reason of the provisions of subsection (a)) Federal financial participation, the non-Federal share thereof shall—

''(1) be paid, from time to time, to such State by the Secretary, and

''(2) shall, for purposes of section 1616(d) of the Social Security Act [section 1382e(d) of this title] and section 401 of the Social Security Amendments of 1972 [set out as a note under section 1382e of this title] be treated in like manner as if such non-Federal share were supplementary payments made by the Secretary on behalf of such State pursuant to such agreement.''

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 652, 684, 1320b–14, 1396a, 1396b, 1396d, 1396e, 1396r–4, 1396r–5, 1396r–6, 1396t of this title.

§ 1316. Administrative and judicial review of public assistance determinations

(a) Determination of conformity with requirements for approval; petition for reconsideration; hearing; time limitations; review by court of appeals

(1) Whenever a State plan is submitted to the Secretary by a State for approval under subchapter I, X, XIV, XVI, or XIX of this chapter, or part A of subchapter IV of this chapter, he shall, not later than 90 days after the date the plan is submitted to him, make a determination as to whether it conforms to the requirements for approval under such subchapter. The 90-day period provided herein may be extended by written agreement of the Secretary and the affected State.

(2) Any State dissatisfied with a determination of the Secretary under paragraph (1) of this subsection with respect to any plan may, within 60 days after it has been notified of such determination, file a petition with the Secretary for reconsideration of the issue of whether such plan conforms to the requirements for approval under such subchapter. Within 30 days after receipt of such a petition, the Secretary shall notify the State of the time and place at which a hearing will be held for the purpose of reconsidering such issue. Such hearing shall be held not less than 20 days nor more than 60 days after the date notice of such hearing is furnished to such State, unless the Secretary and such State agree in writing to holding the hearing at another time. The Secretary shall affirm, modify, or reverse his original determination within 60 days of the conclusion of the hearing.

(3) Any State which is dissatisfied with a final determination made by the Secretary on such a reconsideration or a final determination of the Secretary under section 304, 604, 1204, 1354, 1384, or 1396c of this title may, within 60 days after it has been notified of such determination, file with the United States court of appeals for the circuit in which such State is located a petition for review of such determination. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. The Secretary thereupon shall file in the court the record of the proceedings on which he based his determination as provided in section 2112 of title 28.

(4) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the transcript and record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(5) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28.

(b) Amendment of plans

For the purposes of subsection (a) of this section, any amendment of a State plan approved under subchapter I, X, XIV, XVI, or XIX of this chapter, or part A of subchapter IV of this chapter, may, at the option of the State, be treated as the submission of a new State plan.

(c) Restitution when Secretary reverses his determination

Action pursuant to an initial determination of the Secretary described in subsection (a) of this section shall not be stayed pending reconsideration, but in the event that the Secretary subsequently determines that his initial determination was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

(d) Items covered under other subchapters; disallowance

Whenever the Secretary determines that any item or class of items on account of which Fed-

eral financial participation is claimed under subchapter I, X, XIV, XVI, or XIX of this chapter, or part A of subchapter IV of this chapter, shall be disallowed for such participation, the State shall be entitled to and upon request shall receive a reconsideration of the disallowance.

For the purposes of reporting the cost of services provided by, of planning, and of measuring and comparing the efficiency of and effective use of services in, hospitals, skilled nursing facilities, intermediate care facilities, home health agencies, health maintenance organizations, and other types of health services facilities and organizations to which payment may be made under this chapter, the Secretary shall establish by regulation, for each such type of health services facility or organization, a uniform system for the reporting by a facility or organization of that type of the following information:

(1) The aggregate cost of operation and the aggregate volume of services.

(2) The costs and volume of services for various functional accounts and subaccounts.

(3) Rates, by category of patient and class of purchaser.

(4) Capital assets, as defined by the Secretary, including (as appropriate) capital funds, debt service, lease agreements used in lieu of capital funds, and the value of land, facilities, and equipment.

(5) Discharge and bill data.

The uniform reporting system for a type of health services facility or organization shall provide for appropriate variation in the application of the system to different classes of facilities or organizations within that type and shall be established, to the extent practicable, consistent with the cooperative system for producing comparable and uniform health information and statistics described in section 242k(e)(1) of this title. In reporting under such a system, hospitals shall employ such chart of accounts, definitions, principles, and statistics as the Secretary may prescribe in order to reach a uniform reconciliation of financial and statistical data for specified uniform reports to be provided to the Secretary.

(b) Monitoring, etc., of systems by Secretary

The Secretary shall—

(2) assist with and support demonstrations and evaluations of the effectiveness and cost of the operation of such systems and encourage State adoption of such systems; and

(3) periodically revise such systems to improve their effectiveness and diminish their cost.

(c) Availability of information to appropriate agencies and organizations

The Secretary shall provide information obtained through use of the uniform reporting systems described in subsection (a) of this section in a useful manner and format to appropriate agencies and organizations, including health systems agencies (designated under section 300*l*–4[1] of this title) and State health planning and development agencies (designated under section 300m[1] of this title), as may be necessary to carry out such agencies' and organizations' functions.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1395x, 1396a of this title.

§ 1320a–1. Limitation on use of Federal funds for capital expenditures

(a) Use of reimbursement for planning activities for health services and facilities

The purpose of this section is to assure that Federal funds appropriated under subchapters XVIII and XIX of this chapter are not used to support unnecessary capital expenditures made by or on behalf of health care facilities which are reimbursed under any of such subchapters and that, to the extent possible, reimbursement under such subchapters shall support planning activities with respect to health services and facilities in the various States.

(b) Agreement between Secretary and State for submission of proposed capital expenditures related to health care facilities and procedures for appeal from recommendations

The Secretary, after consultation with the Governor (or other chief executive officer) and with appropriate local public officials, shall make an agreement with any State which is able and willing to do so under which a designated planning agency (which shall be an agency described in clause (ii) of subsection (d)(1)(B) of this section that has a governing body or advisory board at least half of whose members represent consumer interests) will—

(1) make, and submit to the Secretary together with such supporting materials as he may find necessary, findings and recommendations with respect to capital expenditures proposed by or on behalf of any health care facility in such State within the field of its responsibilities,

(2) receive from other agencies described in clause (ii) of subsection (d)(1)(B) of this section, and submit to the Secretary together with such supporting material as he may find necessary, the findings and recommendations of such other agencies with respect to capital expenditures proposed by or on behalf of health care facilities in such State within the fields of their respective responsibilities, and

(3) establish and maintain procedures pursuant to which a person proposing any such capital expenditure may appeal a recommendation by the designated agency and will be granted an opportunity for a fair hearing by such agency or person other than the designated agency as the Governor (or other chief executive officer) may designate to hold such hearings,

whenever and to the extent that the findings of such designated agency or any such other agency indicate that any such expenditure is not consistent with the standards, criteria, or plans developed pursuant to the Public Health Service Act [42 U.S.C. 201 et seq.] to meet the need for adequate health care facilities in the area covered by the plan or plans so developed.

(c) Manner of payment to States for carrying out agreement

The Secretary shall pay any such State from the general fund in the Treasury, in advance or by way of reimbursement as may be provided in the agreement with it (and may make adjustments in such payments on account of overpayments or underpayments previously made), for the reasonable cost of performing the functions specified in subsection (b) of this section.

(d) Determination of amount of exclusions from Federal payments

(1) Except as provided in paragraph (2), if the Secretary determines that—

(A) neither the planning agency designated in the agreement described in subsection (b) of this section nor an agency described in clause (ii) of subparagraph (B) of this paragraph had been given notice of any proposed capital expenditure (in accordance with such procedure or in such detail as may be required by such agency) at least 60 days prior to obligation for such expenditure; or

(B)(i) the planning agency so designated or an agency so described had received such timely notice of the intention to make such capital expenditure and had, within a reasonable period after receiving such notice and prior to obligation for such expenditure, notified the person proposing such expenditure that the expenditure would not be in conformity with the standards, criteria, or plans developed by such agency or any other agency described in clause (ii) for adequate health care facilities in such State or in the area for which such other agency has responsibility, and

(ii) the planning agency so designated had, prior to submitting to the Secretary the findings referred to in subsection (b) of this section—

(I) consulted with, and taken into consideration the findings and recommendations of, the State planning agencies established pursuant to sections 314(a) and 604(a) of the Public Health Service Act [42 U.S.C. 246(a), 291d(a)] (to the extent that either such agency is not the agency so designated) as well as the public or nonprofit private agency or organization responsible for the comprehensive regional, metropolitan area, or other local area plan or plans referred to in section 314(b) of the Public Health Service Act

[42 U.S.C. 246(b)] and covering the area in which the health care facility proposing such capital expenditure is located (where such agency is not the agency designated in the agreement), or, if there is no such agency, such other public or nonprofit private agency or organization (if any) as performs, as determined in accordance with criteria included in regulations, similar functions, and

(II) granted to the person proposing such capital expenditure an opportunity for a fair hearing with respect to such findings;

then, for such period as he finds necessary in any case to effectuate the purpose of this section, he shall, in determining the Federal payments to be made under subchapters XVIII and XIX of this chapter with respect to services furnished in the health care facility for which such capital expenditure is made, not include any amount which is attributable to depreciation, interest on borrowed funds, a return on equity capital (in the case of proprietary facilities), or other expenses related to such capital expenditure. With respect to any organization which is reimbursed on a per capita or a fixed fee or negotiated rate basis, in determining the Federal payments to be made under subchapters XVIII and XIX of this chapter, the Secretary shall exclude an amount which in his judgment is a reasonable equivalent to the amount which would otherwise be excluded under this subsection if payment were to be made on other than a per capita or a fixed fee or negotiated rate basis.

(2) If the Secretary, after submitting the matters involved to the advisory council established or designated under subsection (i) of this section, determines that an exclusion of expenses related to any capital expenditure of any health care facility would discourage the operation or expansion of such facility which has demonstrated to his satisfaction proof of capability to provide comprehensive health care services (including institutional services) efficiently, effectively, and economically, or would otherwise be inconsistent with the effective organization and delivery of health services or the effective administration of subchapter XVIII or XIX of this chapter, he shall not exclude such expenses pursuant to paragraph (1).

(e) Treatment of lease or comparable arrangement of any facility or equipment for a facility in determining amount of exclusions from Federal payments

Where a person obtains under lease or comparable arrangement any facility or part thereof, or equipment for a facility, which would have been subject to an exclusion under subsection (d) of this section if the person had acquired it by purchase, the Secretary shall (1) in computing such person's rental expense in determining the Federal payments to be made under subchapters XVIII and XIX of this chapter with respect to services furnished in such facility, deduct the amount which in his judgment is a reasonable equivalent of the amount that would have been excluded if the person had acquired such facility or such equipment by purchase, and (2) in computing such person's return on equity capital deduct any amount deposited under the terms of the lease or comparable arrangement.

(f) Reconsideration by Secretary of determinations

Any person dissatisfied with a determination by the Secretary under this section may within six months following notification of such determination request the Secretary to reconsider such determination. A determination by the Secretary under this section shall not be subject to administrative or judicial review.

(g) "Capital expenditure" defined

For the purposes of this section, a ''capital expenditure'' is an expenditure which, under generally accepted accounting principles, is not properly chargeable as an expense of operation and maintenance and which (1) exceeds $600,000 (or such lesser amount as the State may establish), (2) changes the bed capacity of the facility with respect to which such expenditure is made, or (3) substantially changes the services of the facility with respect to which such expenditure is made. For purposes of clause (1) of the preceding sentence, the cost of the studies, surveys, designs, plans, working drawings, specifications, and other activities essential to the acquisition, improvement, expansion, or replacement of the plant and equipment with respect to which such expenditure is made shall be included in determining whether such expenditure exceeds the dollar amount specified in clause (1).

(h) Applicability to Christian Science sanatoriums

The provisions of this section shall not apply to Christian Science sanatoriums operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Massachusetts.

(i) National advisory council; establishment or designation of existing council; functions; consultations with other appropriate national advisory councils; composition; compensation and travel expenses

(1) The Secretary shall establish a national advisory council, or designate an appropriate existing national advisory council, to advise and assist him in the preparation of general regulations to carry out the purposes of this section and on policy matters arising in the administration of this section, including the coordination of activities under this section with those under other parts of this chapter or under other Federal or federally assisted health programs.

(2) The Secretary shall make appropriate provision for consultation between and coordination of the work of the advisory council established or designated under paragraph (1) and the Federal Hospital Council, the National Advisory Health Council, the Health Insurance Benefits Advisory Council, and other appropriate national advisory councils with respect to matters bearing on the purposes and administration of this section and the coordination of activities under this section with related Federal health programs.

(3) If an advisory council is established by the Secretary under paragraph (1), it shall be composed of members who are not otherwise in the regular full-time employ of the United States,

and who shall be appointed by the Secretary without regard to the civil service laws from among leaders in the fields of the fundamental sciences, the medical sciences, and the organization, delivery, and financing of health care, and persons who are State or local officials or are active in community affairs or public or civic affairs or who are representative of minority groups. Members of such advisory council, while attending meetings of the council or otherwise serving on business of the council, shall be entitled to receive compensation at rates fixed by the Secretary, but not exceeding the maximum rate specified at the time of such service for grade GS–18 in section 5332 of title 5, including traveltime, and while away from their homes or regular places of business they may also be allowed travel expenses, including per diem in lieu of subsistence, as authorized by section 5703 of such title 5 for persons in the Government service employed intermittently.

(j) Capital expenditure review exception for eligible organization health care facilities

A capital expenditure made by or on behalf of a health care facility shall not be subject to review pursuant to this section if 75 percent of the patients who can reasonably be expected to use the service with respect to which the capital expenditure is made will be individuals enrolled in an eligible organization as defined in section 1395mm(b) of this title, and if the Secretary determines that such capital expenditure is for services and facilities which are needed by such organization in order to operate efficiently and economically and which are not otherwise readily accessible to such organization because—

(1) the facilities do not provide common services at the same site (as usually provided by the organization),

(2) the facilities are not available under a contract of reasonable duration,

(3) full and equal medical staff privileges in the facilities are not available,

(4) arrangements with such facilities are not administratively feasible, or

(5) the purchase of such services is more costly than if the organization provided the services directly.

(a) In general

The Secretary, in consultation with the State agencies administering the State programs under parts B and E of subchapter IV of this chapter, shall promulgate regulations for the review of such programs to determine whether such programs are in substantial conformity with—

(1) State plan requirements under such parts B and E,

(2) implementing regulations promulgated by the Secretary, and

(3) the relevant approved State plans.

(b) Elements of review system

The regulations referred to in subsection (a) of this section shall—

(1) specify the timetable for conformity reviews of State programs, including—

(A) an initial review of each State program;

(B) a timely review of a State program following a review in which such program was found not to be in substantial conformity; and

(C) less frequent reviews of State programs which have been found to be in substantial conformity, but such regulations shall permit the Secretary to reinstate more frequent reviews based on information which indicates that a State program may not be in conformity;

(2) specify the requirements subject to review, and the criteria to be used to measure conformity with such requirements and to determine whether there is a substantial failure to so conform;

(3) specify the method to be used to determine the amount of any Federal matching funds to be withheld (subject to paragraph (4)) due to the State program's failure to so conform, which ensures that—

(A) such funds will not be withheld with respect to a program, unless it is determined that the program fails substantially to so conform;

(B) such funds will not be withheld for a failure to so conform resulting from the State's reliance upon and correct use of formal written statements of Federal law or policy provided to the State by the Secretary; and

(C) the amount of such funds withheld is related to the extent of the failure to so conform; and

(4) require the Secretary, with respect to any State program found to have failed substantially to so conform—

(A) to afford the State an opportunity to adopt and implement a corrective action plan, approved by the Secretary, designed to end the failure to so conform;

(B) to make technical assistance available to the State to the extent feasible to enable the State to develop and implement such a corrective action plan;

(C) to suspend the withholding of any Federal matching funds under this section while such a corrective action plan is in effect; and

(D) to rescind any such withholding if the failure to so conform is ended by successful completion of such a corrective action plan.

(c) Provisions for administrative and judicial review

The regulations referred to in subsection (a) of this section shall—

(1) require the Secretary, not later than 10 days after a final determination that a program of the State is not in conformity, to notify the State of—

(A) the basis for the determination; and

(B) the amount of the Federal matching funds (if any) to be withheld from the State;

(2) afford the State an opportunity to appeal the determination to the Departmental Appeals Board within 60 days after receipt of the notice described in paragraph (1) (or, if later, after failure to continue or to complete a corrective action plan); and

(3) afford the State an opportunity to obtain judicial review of an adverse decision of the Board, within 60 days after the State receives notice of the decision of the Board, by appeal to the district court of the United States for the judicial district in which the principal or headquarters office of the agency responsible for administering the program is located.

(c) Initiation of proceeding; authorization by Attorney General, notice, etc., estoppel, failure to comply with order or procedure

(1) The Secretary may initiate a proceeding to determine whether to impose a civil money penalty, assessment, or exclusion under subsection (a) or (b) of this section only as authorized by the Attorney General pursuant to procedures agreed upon by them. The Secretary may not initiate an action under this section with respect to any claim, request for payment, or other occurrence described in this section later than six years after the date the claim was presented, the request for payment was made, or the occurrence took place. The Secretary may initiate an action under this section by serving notice of the action in any manner authorized by Rule 4 of the Federal Rules of Civil Procedure.

(2) The Secretary shall not make a determination adverse to any person under subsection (a) or (b) of this section until the person has been given written notice and an opportunity for the determination to be made on the record after a hearing at which the person is entitled to be represented by counsel, to present witnesses, and to cross-examine witnesses against the person.

(3) In a proceeding under subsection (a) or (b) of this section which—

(A) is against a person who has been convicted (whether upon a verdict after trial or upon a plea of guilty or nolo contendere) of a Federal crime charging fraud or false statements, and

(B) involves the same transaction as in the criminal action,

the person is estopped from denying the essential elements of the criminal offense.

(4) The official conducting a hearing under this section may sanction a person, including any party or attorney, for failing to comply

with an order or procedure, failing to defend an action, or other misconduct as would interfere with the speedy, orderly, or fair conduct of the hearing. Such sanction shall reasonably relate to the severity and nature of the failure or misconduct. Such sanction may include—

(A) in the case of refusal to provide or permit discovery, drawing negative factual inferences or treating such refusal as an admission by deeming the matter, or certain facts, to be established,

(B) prohibiting a party from introducing certain evidence or otherwise supporting a particular claim or defense,

(C) striking pleadings, in whole or in part,

(D) staying the proceedings,

(E) dismissal of the action,

(G) ordering the party or attorney to pay attorneys' fees and other costs caused by the failure or misconduct, and

(H) refusing to consider any motion or other action which is not filed in a timely manner.

(d) Amount or scope of penalty, assessment, or exclusion

In determining the amount or scope of any penalty, assessment, or exclusion imposed pursuant to subsection (a) or (b) of this section, the Secretary shall take into account—

(1) the nature of claims and the circumstances under which they were presented,

(2) the degree of culpability, history of prior offenses, and financial condition of the person presenting the claims, and

(3) such other matters as justice may require.

(e) Review by courts of appeals

Any person adversely affected by a determination of the Secretary under this section may obtain a review of such determination in the United States Court of Appeals for the circuit in which the person resides, or in which the claim was presented, by filing in such court (within sixty days following the date the person is notified of the Secretary's determination) a written petition requesting that the determination be modified or set aside. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary, and thereupon the Secretary shall file in the Court[3] the record in the proceeding as provided in section 2112 of title 28. Upon such filing, the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have the power to make and enter upon the pleadings, testimony, and proceedings set forth in such record a decree affirming, modifying, remanding for further consideration, or setting aside, in whole or in part, the determination of the Secretary and enforcing the same to the extent that such order is affirmed or modified. No objection that has not been urged before the Secretary shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. The findings of the Secretary with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Secretary, the court may order such additional evidence to be taken before the Secretary and to be made a part of the record. The Secretary may modify his findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and he shall file with the court such modified or new findings, which findings with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive, and his recommendations, if any, for the modification or setting aside of his original order. Upon the filing of the record with it, the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Supreme Court of the United States, as provided in section 1254 of title 28.

(f) Compromise of penalties and assessments; recovery; use of funds recovered

Civil money penalties and assessments imposed under this section may be compromised by the Secretary and may be recovered in a civil action in the name of the United States brought in United States district court for the district where the claim was presented, or where the claimant resides, as determined by the Secretary. Amounts recovered under this section shall be paid to the Secretary and disposed of as follows:

(1)(A) In the case of amounts recovered arising out of a claim under subchapter XIX of this chapter, there shall be paid to the State agency an amount bearing the same proportion to the total amount recovered as the State's share of the amount paid by the State agency for such claim bears to the total amount paid for such claim.

(B) In the case of amounts recovered arising out of a claim under an allotment to a State under subchapter V of this chapter, there shall be paid to the State agency an amount equal to three-sevenths of the amount recovered.

(2) Such portion of the amounts recovered as is determined to have been paid out of the trust funds under sections 1395i and 1395t of this title shall be repaid to such trust funds.

(3) The remainder of the amounts recovered shall be deposited as miscellaneous receipts of the Treasury of the United States.

The amount of such penalty or assessment, when finally determined, or the amount agreed upon in compromise, may be deducted from any sum then or later owing by the United States or a State agency to the person against whom the penalty or assessment has been assessed.

(g) Finality of determination respecting penalty, assessment, or exclusion

A determination by the Secretary to impose a penalty, assessment, or exclusion under subsection (a) or (b) of this section shall be final upon the expiration of the sixty-day period referred to in subsection (e) of this section. Mat-

ters that were raised or that could have been raised in a hearing before the Secretary or in an appeal pursuant to subsection (e) of this section may not be raised as a defense to a civil action by the United States to collect a penalty, assessment, or exclusion assessed under this section.

(h) Notification of appropriate entities of finality of determination

Whenever the Secretary's determination to impose a penalty, assessment, or exclusion under subsection (a) or (b) of this section becomes final, he shall notify the appropriate State or local medical or professional organization, the appropriate State agency or agencies administering or supervising the administration of State health care programs (as defined in section 1320a–7(h) of this title), and the appropriate utilization and quality control peer review organization, and the appropriate State or local licensing agency or organization (including the agency specified in section 1395aa(a) and 1396a(a)(33) of this title) that such a penalty, assessment, or exclusion has become final and the reasons therefor.

This section is referred to in sections 1320a–3a, 1320a–7, 1396r–6 of this title.

§ 1320a–8. Civil monetary penalties and assessments for subchapters II and XVI

(a) False statements or representations of material fact; proceedings to exclude

(1) Any person (including an organization, agency, or other entity) who makes, or causes to be made, a statement or representation of a material fact for use in determining any initial or continuing right to or the amount of—

(A) monthly insurance benefits under subchapter II of this chapter, or

(B) benefits or payments under subchapter XVI of this chapter,

that the person knows or should know is false or misleading or knows or should know omits a material fact or makes such a statement with knowing disregard for the truth shall be subject to, in addition to any other penalties that may be prescribed by law, a civil money penalty of not more than $5,000 for each such statement or representation. Such person also shall be subject to an assessment, in lieu of damages sustained by the United States because of such statement or representation, of not more than twice the amount of benefits or payments paid as a result of such a statement or representation. In addition, the Commissioner of Social Security may make a determination in the same proceeding to recommend that the Secretary exclude, as provided in section 1320a–7 of this title, such a person who is a medical provider or physician from participation in the programs under subchapter XVIII of this chapter.

(2) For purposes of this section, a material fact is one which the Commissioner of Social Security may consider in evaluating whether an applicant is entitled to benefits under subchapter II of this chapter or eligible for benefits or payments under subchapter XVI of this chapter.

(b) Initiation of proceedings; hearing; sanctions

(1) The Commissioner of Social Security may initiate a proceeding to determine whether to impose a civil money penalty or assessment, or whether to recommend exclusion under subsection (a) of this section only as authorized by the Attorney General pursuant to procedures agreed upon by the Commissioner of Social Security and the Attorney General. The Commissioner of Social Security may not initiate an action under this section with respect to any violation described in subsection (a) of this section later than 6 years after the date the violation was committed. The Commissioner of Social Security may initiate an action under this section by serving notice of the action in any manner authorized by Rule 4 of the Federal Rules of Civil Procedure.

(2) The Commissioner of Social Security shall not make a determination adverse to any person under this section until the person has been given written notice and an opportunity for the determination to be made on the record after a hearing at which the person is entitled to be represented by counsel, to present witnesses, and to cross-examine witnesses against the person.

(3) In a proceeding under this section which—

(A) is against a person who has been convicted (whether upon a verdict after trial or upon a plea of guilty or nolo contendere) of a Federal or State crime charging fraud or false statements; and

(B) involves the same transaction as in the criminal action;

the person is estopped from denying the essential elements of the criminal offense.

(4) The official conducting a hearing under this section may sanction a person, including any party or attorney, for failing to comply with an order or procedure, for failing to defend an action, or for such other misconduct as would interfere with the speedy, orderly, or fair conduct of the hearing. Such sanction shall reasonably relate to the severity and nature of the failure or misconduct. Such sanction may include—

(A) in the case of refusal to provide or permit discovery, drawing negative factual inference or treating such refusal as an admission by deeming the matter, or certain facts, to be established;

(B) prohibiting a party from introducing certain evidence or otherwise supporting a particular claim or defense;

(C) striking pleadings, in whole or in part;
(D) staying the proceedings;
(E) dismissal of the action;
(F) entering a default judgment;
(G) ordering the party or attorney to pay attorneys' fees and other costs caused by the failure or misconduct; and
(H) refusing to consider any motion or other action which is not filed in a timely manner.

(c) Amount or scope of penalties, assessments, or exclusions

In determining pursuant to subsection (a) of this section the amount or scope of any penalty or assessment, or whether to recommend an exclusion, the Commissioner of Social Security shall take into account—

(1) the nature of the statements and representations referred to in subsection (a) of this section and the circumstances under which they occurred;
(2) the degree of culpability, history of prior offenses, and financial condition of the person committing the offense; and
(3) such other matters as justice may require.

(d) Judicial review

(1) Any person adversely affected by a determination of the Commissioner of Social Security under this section may obtain a review of such determination in the United States Court of Appeals for the circuit in which the person resides, or in which the statement or representation referred to in subsection (a) of this section was made, by filing in such court (within 60 days following the date the person is notified of the Commissioner's determination) a written petition requesting that the determination be modified or set aside. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Commissioner of Social Security, and thereupon the Commissioner of Social Security shall file in the court the record in the proceeding as provided in section 2112 of title 28. Upon such filing, the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have the power to make and enter upon the pleadings, testimony, and proceedings set forth in such record a decree affirming, modifying, remanding for further consideration, or setting aside, in whole or in part, the determination of the Commissioner of Social Security and enforcing the same to the extent that such order is affirmed or modified. No objection that has not been urged before the Commissioner of Social Security shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances.

(2) The findings of the Commissioner of Social Security with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive in the review described in paragraph (1). If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the Commissioner of Social Security, the court may order such additional evidence to be taken before the Commissioner of Social Security and to be made a part of the record. The Commissioner of Social Security may modify such findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and the Commissioner of Social Security shall file with the court such modified or new findings, which findings with respect to questions of fact, if supported by substantial evidence on the record considered as a whole shall be conclusive, and the Commissioner's recommendations, if any, for the modification or setting aside of the Commissioner's original order.

(3) Upon the filing of the record and the Commissioner's original or modified order with the court, the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Supreme Court of the United States, as provided in section 1254 of title 28.

(e) Compromise of money penalties and assessments; recovery; use of funds recovered

(1) Civil money penalties and assessments imposed under this section may be compromised by the Commissioner of Social Security and may be recovered—

(A) in a civil action in the name of the United States brought in United States district court for the district where the statement or representation referred to in subsection (a) of this section was made, or where the person resides, as determined by the Commissioner of Social Security;

(ii) by decrease of any payment under subchapter XVI of this chapter for which the person is eligible, notwithstanding section 407 of this title, as made applicable to subchapter XVI of this chapter by reason of section 1383(d)(1) of this title;
(D) by authorities provided under the Debt Collection Act of 1982, as amended, to the extent applicable to debts arising under this chapter;
(E) by deduction of the amount of such penalty or assessment, when finally determined, or the amount agreed upon in compromise, from any sum then or later owing by the United States to the person against whom the penalty or assessment has been assessed; or
(F) by any combination of the foregoing.

(2) Amounts recovered under this section shall be recovered by the Commissioner of Social Security and shall be disposed of as follows:

(A) In the case of amounts recovered arising out of a determination relating to subchapter II of this chapter, the amounts shall be transferred to the Managing Trustee of the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund, as determined appropriate by the Commissioner of Social Security, and such

amounts shall be deposited by the Managing Trustee into such Trust Fund.

(B) In the case of amounts recovered arising out of a determination relating to subchapter XVI of this chapter, the amounts shall be deposited by the Commissioner of Social Security into the general fund of the Treasury as miscellaneous receipts.

(f) Finality of determination respecting penalty, assessment, or exclusion

A determination pursuant to subsection (a) of this section by the Commissioner of Social Security to impose a penalty or assessment, or to recommend an exclusion shall be final upon the expiration of the 60-day period referred to in subsection (d) of this section. Matters that were raised or that could have been raised in a hearing before the Commissioner of Social Security or in an appeal pursuant to subsection (d) of this section may not be raised as a defense to a civil action by the United States to collect a penalty or assessment imposed under this section.

(g) Notification of appropriate entities of finality of determination

Whenever the Commissioner's determination to impose a penalty or assessment under this section with respect to a medical provider or physician becomes final, the Commissioner shall notify the Secretary of the final determination and the reasons therefor, and the Secretary shall then notify the entities described in section 1320a–7a(h) of this title of such final determination.

(h) Injunction

Whenever the Commissioner of Social Security has reason to believe that any person has engaged, is engaging, or is about to engage in any activity which makes the person subject to a civil monetary penalty under this section, the Commissioner of Social Security may bring an action in an appropriate district court of the United States (or, if applicable, a United States court of any territory) to enjoin such activity, or to enjoin the person from concealing, removing, encumbering, or disposing of assets which may be required in order to pay a civil monetary penalty and assessment if any such penalty were to be imposed or to seek other appropriate relief.

(i) Delegation of authority

(1) The provisions of subsections (d) and (e) of section 405 of this title shall apply with respect to this section to the same extent as they are applicable with respect to subchapter II of this chapter. The Commissioner of Social Security may delegate the authority granted by section 405(d) of this title (as made applicable to this section) to the Inspector General for purposes of any investigation under this section.

(2) The Commissioner of Social Security may delegate authority granted under this section to the Inspector General.

(j) "State agency" defined

For purposes of this section, the term ''State agency'' shall have the same meaning as in section 1320a–7a(i)(1) of this title.

(k) Liability of principal for acts of agents

A principal is liable for penalties and assessments under subsection (a) of this section, and for an exclusion under section 1320a–7 of this title based on a recommendation under subsection (a) of this section, for the actions of the principal's agent acting within the scope of the agency.

(*l*) Protection of ongoing criminal investigations

As soon as the Inspector General, Social Security Administration, has reason to believe that fraud was involved in the application of an individual for monthly insurance benefits under subchapter II of this chapter or for benefits under subchapter XVI of this chapter, the Inspector General shall make available to the Commissioner of Social Security information identifying the individual, unless a United States attorney, or equivalent State prosecutor, with jurisdiction over potential or actual related criminal cases, certifies, in writing, that there is a substantial risk that making the information so available in a particular investigation or redetermining the eligibility of the individual for such benefits would jeopardize the criminal prosecution of any person who is a subject of the investigation from which the information is derived.

§ 1320a–9. Demonstration projects

(a) In general

The Secretary may authorize not more than 10 States to conduct demonstration projects pursuant to this section which the Secretary finds are likely to promote the objectives of part B or E of subchapter IV of this chapter.

(b) Waiver authority

The Secretary may waive compliance with any requirement of part B or E of subchapter IV of this chapter which (if applied) would prevent a State from carrying out a demonstration project under this section or prevent the State from effectively achieving the purpose of such a project, except that the Secretary may not waive—

(1) any provision of section 627 of this title (as in effect before April 1, 1996), section 622(b)(9) of this title (as in effect after such date), or section 679 of this title; or

(2) any provision of such part E, to the extent that the waiver would impair the entitlement of any qualified child or family to benefits under a State plan approved under such part E.

(c) Treatment as program expenditures

For purposes of parts B and E of subchapter IV of this chapter, the Secretary shall consider the expenditures of any State to conduct a demonstration project under this section to be expenditures under subpart 1 or 2 of such part B, or under such part E, as the State may elect.

(d) Duration of demonstration

A demonstration project under this section may be conducted for not more than 5 years.

(e) Application

Any State seeking to conduct a demonstration project under this section shall submit to the Secretary an application, in such form as the Secretary may require, which includes—

(1) a description of the proposed project, the geographic area in which the proposed project would be conducted, the children or families who would be served by the proposed project, and the services which would be provided by the proposed project (which shall provide, where appropriate, for random assignment of children and families to groups served under the project and to control groups);

(2) a statement of the period during which the proposed project would be conducted;

(3) a discussion of the benefits that are expected from the proposed project (compared to a continuation of activities under the approved plan or plans of the State);

(4) an estimate of the costs or savings of the proposed project;

(5) a statement of program requirements for which waivers would be needed to permit the proposed project to be conducted;

(6) a description of the proposed evaluation design; and

(7) such additional information as the Secretary may require.

(f) Evaluations; report

Each State authorized to conduct a demonstration project under this section shall—

(1) obtain an evaluation by an independent contractor of the effectiveness of the project, using an evaluation design approved by the Secretary which provides for—

(A) comparison of methods of service delivery under the project, and such methods under a State plan or plans, with respect to efficiency, economy, and any other appropriate measures of program management;

(B) comparison of outcomes for children and families (and groups of children and families) under the project, and such outcomes under a State plan or plans, for purposes of assessing the effectiveness of the project in achieving program goals; and

(C) any other information that the Secretary may require; and

(2) provide interim and final evaluation reports to the Secretary, at such times and in such manner as the Secretary may require.

(g) Cost neutrality

The Secretary may not authorize a State to conduct a demonstration project under this section unless the Secretary determines that the total amount of Federal funds that will be expended under (or by reason of) the project over

its approved term (or such portion thereof or other period as the Secretary may find appropriate) will not exceed the amount of such funds that would be expended by the State under the State plans approved under parts B and E of subchapter IV of this chapter if the project were not conducted.

§ 1320b–6. Pilot projects to demonstrate the use of integrated service delivery systems for human services programs

(a) Establishment of pilot projects by States

In order to develop and demonstrate ways of improving the delivery of services to individuals and families who need them under the various human services programs, by eliminating programmatic fragmentation and thereby assuring that an applicant for services under any one such program will be informed of and have access to all of the services which may be available to him or his family under the other human services programs being carried out in the community involved, any State having an approved plan under part A of subchapter IV of this chapter may, subject to the provisions of this section, establish and conduct one or more pilot projects to demonstrate the use of integrated service delivery systems for human services programs in that State or in one or more political subdivisions thereof.

(b) Integration of service delivery systems for human services programs

The integration of service delivery systems for human services programs in any State or locality under a pilot project established under this section shall involve or include—

(1) the development of a common set of terms for use in all of the human services programs involved;

(2) the development for each applicant of a single comprehensive family profile which is suitable for use under all of the human services programs involved;

(3) the establishment and maintenance of a single resources directory by which the citizens of the community involved may be informed of and gain access to the services which are available under all such programs;

(4) the development of a unified budget and budgeting process, and a unified accounting system, with standardized audit procedures;

(5) the implementation of unified planning, needs assessment, and evaluation;

(6) the consolidation of agency locations and related transportation services;

(7) the standardization of procedures for purchasing services from nongovernmental sources;

(8) the creation of communications linkages among agencies to permit the serving of individual and family needs across program and agency lines;

(9) the development, to the maximum extent possible, of uniform application and eligibility determination procedures; and

(10) any other methods, arrangements, and procedures which the Secretary determines are necessary or desirable for, and consistent with, the establishment and operation of an integrated service delivery system.

(c) Procedures for State establishment of pilot projects

(1) Any State which desires to establish and conduct a pilot project under this section, after having published a description of the proposed project and invited comments thereon from interested persons in the community or communities which would be affected, shall submit an application to the Secretary (in such form and containing such information as the Secretary may require) within 6 months after July 18, 1984. The proposed project may be statewide in operation or may be limited to one or more political subdivisions of the State; and the application shall in any event include or be accompanied by satisfactory assurances that the project as proposed would be permitted under applicable State and local law.

(2) The Secretary shall consider all applications and accompanying comments and materials which are submitted under paragraph (1), and, no later than 9 months after July 18, 1984, shall approve no fewer than 3 nor more than 5 of the proposed projects (including one such project to be operated on a statewide basis). In considering and approving such applications the Secretary shall take into account the size and characteristics of the population that would be served by each proposed project, the desirability of wide geographic distribution among the projects, the number and nature of the human services programs which are in active operation in the various communities involved, and such other factors as may tend to indicate whether or not a particular proposed project would provide a useful and effective demonstration of the value of an integrated service delivery system. Each project approved under this paragraph shall be deemed for purposes of this section to begin on the first day of the month following the month in which the application with respect to such project is approved.

(3) The Secretary shall approve any application for a project under this section only after determining that the conduct of such project will not lower or restrict the levels of aid, assistance, benefits, or services, or the income or resource standards, deductions, or exclusions, under any of the human services programs involved, and will not delay the provision of aid, assistance, benefits, or services under any of such programs.

(d) Requests by States for waiver of requirements

(1) Any State whose application is approved under subsection (c) of this section may submit to the Secretary a request for the waiver of any requirement which would otherwise apply with respect to the proposed project under any of the laws governing the human services programs to be included in the project; and—

(A) if the law involved is within the jurisdiction of the Secretary and authority to grant the waiver involved is otherwise available to the Secretary under this subchapter, subchapter IV of this chapter, or any other provision of law, the Secretary shall approve such request upon a determination that the waiver is necessary for the project to provide a useful and effective demonstration of the value of an integrated service delivery system; and

(B) if the law involved is within the jurisdiction of a Federal agency other than the Department of Health and Human Services and authority to grant the waiver involved is available to the head of such other agency under that law or any other provision of law,

the Secretary shall transmit such request (on behalf of the requesting State) to the head of such other agency, who shall approve such request upon a determination that the waiver is necessary for the project to provide a useful and effective demonstration of the value of an integrated service delivery system and who shall certify such approval to the Secretary.

(2) If under the law governing any of the human services programs included within a project there are provisions establishing safeguards which limit or restrict the use or disclosure of information (concerning applicants for or recipients of benefits or services) which has been obtained or developed by the agency involved in the conduct of that program, and a waiver of such provisions is granted under paragraph (1) in order to make such information available for purposes of the project—

(A) the State shall provide each applicant for and recipient of aid, assistance, benefits, or services under the proposed integrated service delivery system with a clear and readily comprehensible notice that such information may be disclosed to and used by project personnel, or exchanged with the other agencies having responsibility for human services programs included within the project;

(B) the State shall take such steps as may be necessary to ensure that the information disclosed will be used only for purposes of, and by persons directly connected with, such project; and

(C) the State's application with respect to the project under subsection (c) of this section shall contain or be accompanied by satisfactory assurances that the preceding requirements of this paragraph will be fully complied with.

(e) Payments to States by Secretary

The Secretary shall from time to time pay to each State which has an approved pilot project under this section, in such manner and according to such schedule as may be agreed upon by the Secretary and such State, amounts equal in the aggregate to—

(1) 90 percent of the costs incurred by such State and its political subdivisions in carrying out such project during the first 18 months after the date on which the project begins,

(2) 80 percent of any such costs incurred during the 12-month period beginning with the nineteenth month after such date, and

(3) 70 percent of any such costs incurred during the 12-month period beginning with the thirty-first month after such date.

(f) "Human services program" defined; consultation by Secretary with other department heads

(1) For purposes of this section, the term ''human services program'' includes the program of aid to families with dependent children under part A of subchapter IV of this chapter, the supplemental security income benefits program under subchapter XVI of this chapter, the Federal food stamp program, and any other Federal or federally assisted program (other than a program under the Rehabilitation Act of 1973 [29 U.S.C. 701 et seq.]) which provides aid, assistance, or benefits based wholly or partly on need or on income-related qualifications to specified classes or types of individuals or families or which is designed to help in crisis or emergency situations by meeting the basic human needs of individuals or families whose own resources are insufficient for that purpose.

(2) In carrying out this section the Secretary shall regularly consult with the Secretary of Labor, the Secretary of Agriculture, the Secretary of Housing and Urban Development, and the head of any other Federal agency having jurisdiction over or responsibility for one or more human services programs, in order to ensure that the administrative efforts of the various agencies involved are coordinated with respect to all of the pilot projects being carried out under this section.

(g) Reports by States

The Secretary shall require each State which is carrying out a pilot project under this section to submit periodic reports on the progress of such project, giving particular attention to the cost-effectiveness of the integrated service delivery system involved and the extent to which such system is improving the delivery of services. No pilot project under this section shall be conducted for a period of longer than 42 months. The first such report shall be submitted no later than 3 months after the date on which the project begins.

(h) Report to Congress by Secretary

The Secretary shall from time to time submit to the Congress a report on the progress and current status of each of the approved pilot projects under this section. Each such report shall reflect the periodic reports theretofore submitted to the Secretary by the States involved under subsection (g) of this section, and shall contain such additional comments, findings, and recommendations with respect to the operation of the program under this section as the Secretary may determine to be appropriate.

(i) Study of program by Comptroller General

The Comptroller General shall, at such time or times as he determines to be appropriate, review and evaluate any or all of the pilot projects undertaken pursuant to this section, and shall from time to time report to the Congress on the results of such reviews and evaluations together with his findings and recommendations with respect thereto.

(j) Authorization of appropriations

There are authorized to be appropriated, for the four-fiscal-year period beginning with the fiscal year 1985, such sums, not to exceed $8,000,000 in the aggregate, as may be necessary to carry out this section.

(Aug. 14, 1935, ch. 531, title XI, §1136, as added July 18, 1984, Pub. L. 98–369, div. B, title VI, §2630, 98 Stat. 1137; amended Oct. 22, 1986, Pub. L. 99–514, title XVIII, §1883(c)(2), 100 Stat. 2918.)

(1) the State shall require, as a condition of eligibility for benefits under any program listed in subsection (b) of this section, that each applicant for or recipient of benefits under that program furnish to the State his social security account number (or numbers, if he has more than one such number), and the State shall utilize such account numbers in the administration of that program so as to enable the association of the records pertaining to the applicant or recipient with his account number;

(2) wage information from agencies administering State unemployment compensation laws available pursuant to section 3304(a)(16) of the Internal Revenue Code of 1986, wage information reported pursuant to paragraph (3) of this subsection, and wage, income, and other information from the Social Security Administration and the Internal Revenue Service available pursuant to section 6103(*l*)(7) of such Code, shall be requested and utilized to the extent that such information may be useful in verifying eligibility for, and the amount of, benefits available under any program listed in subsection (b) of this section, as determined by the Secretary of Health and Human Services (or, in the case of the unemployment compensation program, by the Secretary of Labor, or, in the case of the food stamp program, by the Secretary of Agriculture);

(3) employers in such State are required, effective September 30, 1988, to make quarterly wage reports to a State agency (which may be the agency administering the State's unemployment compensation law) except that the Secretary of Labor (in consultation with the Secretary of Health and Human Services and the Secretary of Agriculture) may waive the provisions of this paragraph if he determines that the State has in effect an alternative system which is as effective and timely for purposes of providing employment related income and eligibility data for the purposes described in paragraph (2);

(4) the State agencies administering the programs listed in subsection (b) of this section adhere to standardized formats and procedures established by the Secretary of Health and Human Services (in consultation with the Secretary of Agriculture) under which—

(A) the agencies will exchange with each other information in their possession which may be of use in establishing or verifying eligibility or benefit amounts under any other such program;

(B) such information shall be made available to assist in the child support program under part D of subchapter IV of this chapter, and to assist the Secretary of Health and Human Services in establishing or verifying eligibility or benefit amounts under subchapters II and XVI of this chapter, but subject to the safeguards and restrictions established by the Secretary of the Treasury with respect to information released pursuant to section 6103(*l*) of the Internal Revenue Code of 1986; and

(C) the use of such information shall be targeted to those uses which are most likely to be productive in identifying and preventing ineligibility and incorrect payments, and no State shall be required to use such information to verify the eligibility of all recipients;

(5) adequate safeguards are in effect so as to assure that—

(A) the information exchanged by the State agencies is made available only to the extent necessary to assist in the valid administrative needs of the program receiving such information, and the information released pursuant to section 6103(*l*) of the Internal Revenue Code of 1986 is only exchanged with agencies authorized to receive such information under such section 6103(*l*); and

(B) the information is adequately protected against unauthorized disclosure for other purposes, as provided in regulations established by the Secretary of Health and Human Services, or, in the case of the unemployment compensation program, the Secretary of Labor, or, in the case of the food stamp program, the Secretary of Agriculture, or[1] in the case of information released pursuant to section 6103(*l*) of the Internal Revenue Code of 1986, the Secretary of the Treasury;

(7) accounting systems are utilized which assure that programs providing data receive appropriate reimbursement from the programs utilizing the data for the costs incurred in providing the data.

(b) Applicable programs

The programs which must participate in the income and eligibility verification system are—

(B) In this subsection—

(i) in the case of the program described in subsection (b)(1) of this section, any reference to an individual's eligibility for benefits under the program shall be considered a reference to the individual's being considered a dependent child or to the individual's being treated as a caretaker relative or other person whose needs are to be taken into account in making the determination under section 602(a)(7) of this title,

(ii) in the case of the program described in subsection (b)(4) of this section—

(2) If such an individual is not a citizen or national of the United States, there must be presented either—

(A) alien registration documentation or other proof of immigration registration from the Immigration and Naturalization Service that contains the individual's alien admission number or alien file number (or numbers if the individual has more than one number), or

(B) protects the individual's privacy to the maximum degree possible.

(4) In the case of such an individual who is not a citizen or national of the United States, if, at the time of application for benefits, the statement described in paragraph (1) is submitted but the documentation required under paragraph (2) is not presented or if the documentation required under paragraph (2)(A) is presented but such documentation is not verified under paragraph (3)—

(A) the State—

(i) shall provide a reasonable opportunity to submit to the State evidence indicating a satisfactory immigration status, and

(ii) may not delay, deny, reduce, or terminate the individual's eligibility for benefits under the program on the basis of the individual's immigration status until such

a reasonable opportunity has been provided; and

(B) if there are submitted documents which the State determines constitutes reasonable evidence indicating such status—

(i) the State shall transmit to the Immigration and Naturalization Service photostatic or other similar copies of such documents for official verification,

(ii) pending such verification, the State may not delay, deny, reduce, or terminate the individual's eligibility for benefits under the program on the basis of the individual's immigration status, and

(iii) the State shall not be liable for the consequences of any action, delay, or failure of the Service to conduct such verification.

(1) if the State has provided such eligibility based on a verification of satisfactory immigration status by the Immigration and Naturalization Service,

(2) because the State, under subsection (d)(4)(A)(ii) of this section, was required to provide a reasonable opportunity to submit documentation,

(3) because the State, under subsection (d)(4)(B)(ii) of this section, was required to wait for the response of the Immigration and Naturalization Service to the State's request for official verification of the immigration status of the individual, or

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1320c–2, 1320c–3, 1396a, 1396b of this title.

§ 1320c–2. Contracts with utilization and quality control peer review organizations

(a) Establishment and consolidation of geographic areas

(1) The Secretary shall establish throughout the United States geographic areas with respect to which contracts under this part will be made. In establishing such areas, the Secretary shall use the same areas as established under section 1320c–1 of this title as in effect immediately prior to September 3, 1982, but subject to the provisions of paragraph (2).

(2) As soon as practicable after September 3, 1982, the Secretary shall consolidate such geographic areas, taking into account the following criteria:

(A) Each State shall generally be designated as a geographic area for purposes of paragraph (1).

(B) The Secretary shall establish local or regional areas rather than State areas only where the volume of review activity or other relevant factors (as determined by the Secretary) warrant such an establishment, and the Secretary determines that review activity can be carried out with equal or greater efficiency by establishing such local or regional areas. In applying this subparagraph the Secretary shall take into account the number of hospital admissions within each State for which payment may be made under subchapter XVIII of this chapter or a State plan approved under subchapter XIX of this chapter, with any State having fewer than 180,000 such admissions annually being established as a single statewide area, and no local or regional area being established which has fewer than 60,000 total hospital admissions (including public and private pay patients) under review annually, unless the Secretary determines that other relevant factors warrant otherwise.

(C) No local or regional area shall be designated which is not a self-contained medical service area, having a full spectrum of services, including medical specialists' services.

(b) Organizations entitled to contract with Secretary

(1) The Secretary shall enter into a contract with a utilization and quality control peer review organization for each area established under subsection (a) of this section if a qualified organization is available in such area and such organization and the Secretary have negotiated a proposed contract which the Secretary determines will be carried out by such organization in a manner consistent with the efficient and effective administration of this part. If more than one such qualified organization meets the requirements of the preceding sentence, priority shall be given to any such organization which is described in section 1320c–1(1)(A) of this title.

(2)(A) Prior to November 15, 1984, the Secretary shall not enter into a contract under this part with any entity which is, or is affiliated with (through management, ownership, or common control), an entity (other than a self-insured employer) which directly or indirectly makes payments to any practitioner or provider whose health care services are reviewed by such entity or would be reviewed by such entity if it entered into a contract with the Secretary under this part. For purposes of this paragraph, an entity shall not be considered to be affiliated with another entity which makes payments (directly or indirectly) to any practitioner or provider, by reason of management, ownership, or common control, if the management, ownership, or common control consists only of members of the governing board being affiliated (through management, ownership, or common control) with a health maintenance organization or competitive medical plan which is an ''eligible organization'' as defined in section 1395mm(b) of this title.

(B) If, after November 14, 1984, the Secretary determines that there is no other entity available for an area with which the Secretary can enter into a contract under this part, the Secretary may then enter into a contract under this part with an entity described in subparagraph (A) for such area if such entity otherwise meets the requirements of this part.

(3)(A) The Secretary shall not enter into a contract under this part with any entity which

is, or is affiliated with (through management, ownership, or common control), a health care facility, or association of such facilities, within the area served by such entity or which would be served by such entity if it entered into a contract with the Secretary under this part.

(B) For purposes of subparagraph (A), an entity shall not be considered to be affiliated with a health care facility or association of facilities by reason of management, ownership, or common control if the management, ownership, or common control consists only of not more than 20 percent of the members of the governing board of the entity being affiliated (through management, ownership, or common control) with one or more of such facilities or associations.

(c) Terms of contract

Each contract with an organization under this section shall provide that—

(1) the organization shall perform the functions set forth in section 1320c–3(a) of this section, or may subcontract for the performance of all or some of such functions (and for purposes of paragraphs (2) and (3) of subsection (b) of this section, a subcontract under this paragraph shall not constitute an affiliation with the subcontractor);

(2) the Secretary shall have the right to evaluate the quality and effectiveness of the organization in carrying out the functions specified in the contract;

(3) the contract shall be for an initial term of three years and shall be renewable on a triennial basis thereafter;

(4) if the Secretary intends not to renew a contract, he shall notify the organization of his decision at least 90 days prior to the expiration of the contract term, and shall provide the organization an opportunity to present data, interpretations of data, and other information pertinent to its performance under the contract, which shall be reviewed in a timely manner by the Secretary;

(5) the organization may terminate the contract upon 90 days notice to the Secretary;

(6) the Secretary may terminate the contract prior to the expiration of the contract term upon 90 days notice to the organization if the Secretary determines that—

(A) the organization does not substantially meet the requirements of section 1320c–1 of this title; or

(B) the organization has failed substantially to carry out the contract or is carrying out the contract in a manner inconsistent with the efficient and effective administration of this part, but only after such organization has had an opportunity to submit data and have such data reviewed by the panel established under subsection (d) of this section;

(7) the Secretary shall include in the contract negotiated objectives against which the organization's performance will be judged, and negotiated specifications for use of regional norms, or modifications thereof based on national norms, for performing review functions under the contract; and

(8) reimbursement shall be made to the organization on a monthly basis, with payments for any month being made not later than 15 days after the close of such month.

In evaluating the performance of utilization and quality control peer review organizations under contracts under this part, the Secretary shall place emphasis on the performance of such organizations in educating providers and practitioners (particularly those in rural areas) concerning the review process and criteria being applied by the organization.

(d) Review prior to termination of contract; modification and termination; reviewing panel

(1) Prior to making any termination under subsection (c)(6)(B) of this section, the Secretary must provide the organization with an opportunity to provide data, interpretations of data, and other information pertinent to its performance under the contract. Such data and other information shall be reviewed in a timely manner by a panel appointed by the Secretary, and the panel shall submit a report of its findings to the Secretary in a timely manner. The Secretary shall make a copy of the report available to the organization.

(2) The Secretary may accept or not accept the findings of the panel. After the panel has submitted a report with respect to an organization, the Secretary may, with the concurrence of the organization, amend the contract to modify the scope of the functions to be carried out by the organization, or in any other manner. The Secretary may terminate a contract under the authority of subsection (c)(6)(B) of this section upon 90 days notice after the panel has submitted a report, or earlier if the organization so agrees.

(3) A panel appointed by the Secretary under this subsection shall consist of not more than five individuals, each of whom shall be a member of a utilization and quality control peer review organization having a contract with the Secretary under this part. While serving on such panel individuals shall be paid at a per diem rate not to exceed the current per diem equivalent at the time that service on the panel is rendered for grade GS–18 under section 5332 of title 5. Appointments shall be made without regard to title 5.

(4) During the period after the Secretary has given notice of intent to terminate a contract, and prior to the time that the Secretary enters into a contract with another utilization and quality control peer review organization, the Secretary may transfer review responsibilities of the organization under the contract being terminated to another utilization and quality control peer review organization, or to an intermediary or carrier having an agreement under section 1395h of this title or a contract under section 1395u of this title.

(e) Authority of Secretary

(1) Except as provided in paragraph (2), contracting authority of the Secretary under this section may be carried out without regard to any provision of law relating to the making, performance, amendment, or modification of contracts of the United States as the Secretary may determine to be inconsistent with the pur-

poses of this part. The Secretary may use different contracting methods with respect to different geographical areas.

(2) If a peer review organization with a contract under this section is required to carry out a review function in addition to any function required to be carried out at the time the Secretary entered into or renewed the contract with the organization, the Secretary shall, before requiring such organization to carry out such additional function, negotiate the necessary contractual modifications, including modifications that provide for an appropriate adjustment (in light of the cost of such additional function) to the amount of reimbursement made to the organization.

(f) Termination not subject to judicial review

Any determination by the Secretary to terminate or not to renew a contract under this section shall not be subject to judicial review.

(g) Timely provision of hospital data to peer review organizations

The Secretary shall provide that fiscal intermediaries furnish to peer review organizations, each month on a timely basis, data necessary to initiate the review process under section 1320c–3(a) of this title on a timely basis. If the Secretary determines that a fiscal intermediary is unable to furnish such data on a timely basis, the Secretary shall require the hospital to do so.

(h) Publication of new policy or procedure and general criteria and standards for evaluation; performance comparison report

(1) The Secretary shall publish in the Federal Register any new policy or procedure adopted by the Secretary that affects substantially the performance of contract obligations under this section not less than 30 days before the date on which such policy or procedure is to take effect. This paragraph shall not apply to the extent it is inconsistent with a statutory deadline.

(2) The Secretary shall publish in the Federal Register the general criteria and standards used for evaluating the efficient and effective performance of contract obligations under this section and shall provide opportunity for public comment with respect to such criteria and standards.

(3) The Secretary shall regularly furnish each peer review organization with a contract under this section with a report that documents the performance of the organization in relation to the performance of other such organizations.

(i) Preference in contracting with in-State organizations

(1) Notwithstanding any other provision of this section, the Secretary shall not renew a contract with any organization that is not an in-State organization (as defined in paragraph (3)) unless the Secretary has first complied with the requirements of paragraph (2).

(2)(A) Not later than six months before the date on which a contract period ends with respect to an organization that is not an in-State organization, the Secretary shall publish in the Federal Register—

(i) the date on which such period ends; and

(ii) the period of time in which an in-State organization may submit a proposal for the contract ending on such date.

(B) If one or more qualified in-State organizations submits a proposal within the period of time specified under subparagraph (A)(ii), the Secretary shall not automatically renew the current contract on a noncompetitive basis, but shall provide for competition for the contract in the same manner as a new contract under subsection (b) of this section.

(3) For purposes of this subsection, an in-State organization is an organization that has its primary place of business in the State in which review will be conducted (or, which is owned by a parent corporation the headquarters of which is located in such State).

This section is referred to in sections 1320c–1, 1320c–3, 1320c–6 of this title.

§ 1320c–3. Functions of peer review organizations

(a) Review of professional activities; determination of payment; determination of review authority; consultation with professional health care practitioners; standards of health care; other duties

Any utilization and quality control peer review organization entering into a contract with the Secretary under this part must perform the following functions:

(1) The organization shall review some or all of the professional activities in the area, subject to the terms of the contract and subject to the requirements of subsection (d) of this section, of physicians and other health care practitioners and institutional and noninstitutional providers of health care services in the provision of health care services and items for which payment may be made (in whole or in part) under subchapter XVIII of this chapter (including where payment is made for such services to eligible organizations pursuant to contracts under section 1395mm of this title) for the purpose of determining whether—

(A) such services and items are or were reasonable and medically necessary and

whether such services and items are not allowable under subsection (a)(1) or (a)(9) of section 1395y of this title;

(B) the quality of such services meets professionally recognized standards of health care; and

(C) in case such services and items are proposed to be provided in a hospital or other health care facility on an inpatient basis, such services and items could, consistent with the provision of appropriate medical care, be effectively provided more economically on an outpatient basis or in an inpatient health care facility of a different type.

If the organization performs such reviews with respect to a type of health care practitioner other than medical doctors, the organization shall establish procedures for the involvement of health care practitioners of that type in such reviews.

(2) The organization shall determine, on the basis of the review carried out under subparagraphs (A), (B), and (C) of paragraph (1), whether payment shall be made for services under subchapter XVIII of this chapter. Such determination shall constitute the conclusive determination on those issues for purposes of payment under subchapter XVIII of this chapter, except that payment may be made if—

(A) such payment is allowed by reason of section 1395pp of this title;

(B) in the case of inpatient hospital services or extended care services, the peer review organization determines that additional time is required in order to arrange for postdischarge care, but payment may be continued under this subparagraph for not more than two days, but only in the case where the provider of such services did not know and could not reasonably have been expected to know (as determined under section 1395pp of this title) that payment would not otherwise be made for such services under subchapter XVIII of this chapter prior to notification by the organization under paragraph (3);

(C) such determination is changed as the result of any hearing or review of the determination under section 1320c–4 of this title; or

(D) such payment is authorized under section 1395x(v)(1)(G) of this title.

The organization shall identify cases for which payment should not be made by reason of paragraph (1)(B) only through the use of criteria developed pursuant to guidelines established by the Secretary.

(3)(A) Subject to subparagraphs (B) and (D), whenever the organization makes a determination that any health care services or items furnished or to be furnished to a patient by any practitioner or provider are disapproved, the organization shall promptly notify such patient and the agency or organization responsible for the payment of claims under subchapter XVIII of this chapter of such determination.

(B) The notification under subparagraph (A) with respect to services or items disapproved by reason of subparagraph (A) or (C) of paragraph (1) shall not occur until 20 days after the date that the organization has—

(i) made a preliminary notification to such practitioner or provider of such proposed determination, and

(ii) provided such practitioner or provider an opportunity for discussion and review of the proposed determination.

(C) The discussion and review conducted under subparagraph (B)(ii) shall not affect the rights of a practitioner or provider to a formal reconsideration of a determination under this part (as provided under section 1320c–4 of this title).

(D) The notification under subparagraph (A) with respect to services or items disapproved by reason of paragraph (1)(B) shall not occur until after—

(i) the organization has notified the practitioner or provider involved of the determination and of the practitioner's or provider's right to a formal reconsideration of the determination under section 1320c–4 of this title, and

(ii) if the provider or practitioner requests such a reconsideration, the organization has made such a reconsideration.

If a provider or practitioner is provided a reconsideration, such reconsideration shall be in lieu of any subsequent reconsideration to which the provider or practitioner may be otherwise entitled under section 1320c–4 of this title, but shall not affect the right of a beneficiary from seeking reconsideration under such section of the organization's determination (after any reconsideration requested by the provider or physician under clause (ii)).

(E)(i) In the case of services and items provided by a physician that were disapproved by reason of paragraph (1)(B), the notice to the patient shall state the following: ''In the judgment of the peer review organization, the medical care received was not acceptable under the medicare program. The reasons for the denial have been discussed with your physician.''

(ii) In the case of services or items provided by an entity or practitioner other than a physician, the Secretary may substitute the entity or practitioner which provided the services or items for the term ''physician'' in the notice described in clause (i).

(4)(A) The organization shall, after consultation with the Secretary, determine the types and kinds of cases (whether by type of health care or diagnosis involved, or whether in terms of other relevant criteria relating to the provision of health care services) with respect to which such organization will, in order to most effectively carry out the purposes of this part, exercise review authority under the contract. The organization shall notify the Secretary periodically with respect to such determinations. Each peer review organization shall provide that a reasonable proportion of its activities are involved with reviewing, under paragraph (1)(B), the quality of services and that a reasonable allocation of such activities is made among the different cases and settings (including post-acute-care settings, ambulatory settings, and health maintenance

organizations). In establishing such allocation, the organization shall consider (i) whether there is reason to believe that there is a particular need for reviews of particular cases or settings because of previous problems regarding quality of care, (ii) the cost of such reviews and the likely yield of such reviews in terms of number and seriousness of quality of care problems likely to be discovered as a result of such reviews, and (iii) the availability and adequacy of alternative quality review and assurance mechanisms.

(B) The contract of each organization shall provide for the review of services (including both inpatient and outpatient services) provided by eligible organizations pursuant to a risk-sharing contract under section 1395mm of this title (or that is subject to review under section 1395ss(t)(3) of this title) for the purpose of determining whether the quality of such services meets professionally recognized standards of health care, including whether appropriate health care services have not been provided or have been provided in inappropriate settings and whether individuals enrolled with an eligible organization have adequate access to health care services provided by or through such organization (as determined, in part, by a survey of individuals enrolled with the organization who have not yet used the organization to receive such services). The contract of each organization shall also provide that with respect to health care provided by a health maintenance organization or competitive medical plan under section 1395mm of this title, the organization shall maintain a beneficiary outreach program designed to apprise individuals receiving care under such section of the role of the peer review system, of the rights of the individual under such system, and of the method and purposes for contacting the organization. The previous two sentences shall not apply with respect to a contract year if another entity has been awarded a contract under subparagraph (C). Under the contract the level of effort expended by the organization on reviews under this subparagraph shall be equivalent, on a per enrollee basis, to the level of effort expended by the organization on utilization and quality reviews performed with respect to individuals not enrolled with an eligible organization.

(C) The Secretary may provide, by contract under competitive procurement procedures on a State-by-State basis in up to 25 States, for the review described in subparagraph (B) by an appropriate entity (which may be a peer review organization described in that subparagraph). In selecting among States in which to conduct such competitive procurement procedures, the Secretary may not select States which, as a group, have more than 50 percent of the total number of individuals enrolled with eligible organizations under section 1395mm of this title. Under a contract with an entity under this subparagraph—

(i) the entity must be, or must meet all the requirements under section 1320c–1 of this title to be, a utilization and quality control peer review organization (other than the ability to perform review functions under this section that are not described in subparagraph (B)),

(ii) the contract must meet the requirement of section 1320c–2(b)(3) of this title, and

(iii) the level of effort expended under the contract shall be, to the extent practicable, not less than the level of effort that would otherwise be required under the third sentence of subparagraph (B) if this subparagraph did not apply.

(5) The organization shall consult with nurses and other professional health care practitioners (other than physicians described in section 1395x(r)(1) of this title) and with representatives of institutional and noninstitutional providers of health care services, with respect to the organization's responsibility for the review under paragraph (1) of the professional activities of such practitioners and providers.

(6)(A) The organization shall, consistent with the provisions of its contract under this part, apply professionally developed norms of care, diagnosis, and treatment based upon typical patterns of practice within the geographic area served by the organization as principal points of evaluation and review, taking into consideration national norms where appropriate. Such norms with respect to treatment for particular illnesses or health conditions shall include—

(i) the types and extent of the health care services which, taking into account differing, but acceptable, modes of treatment and methods of organizing and delivering care, are considered within the range of appropriate diagnosis and treatment of such illness or health condition, consistent with professionally recognized and accepted patterns of care; and

(ii) the type of health care facility which is considered, consistent with such standards, to be the type in which health care services which are medically appropriate for such illness or condition can most economically be provided.

As a component of the norms described in clause (i) or (ii), the organization shall take into account the special problems associated with delivering care in remote rural areas, the availability of service alternatives to inpatient hospitalization, and other appropriate factors (such as the distance from a patient's residence to the site of care, family support, availability of proximate alternative sites of care, and the patient's ability to carry out necessary or prescribed self-care regimens) that could adversely affect the safety or effectiveness of treatment provided on an outpatient basis.

(B) The organization shall—

(i) offer to provide, several times each year, for a physician representing the organization to meet (at a hospital or at a regional meeting) with medical and administrative staff of each hospital (the services of which are reviewed by the organization) respecting the organization's review of the hospital's services for which payment may be made under subchapter XVIII of this chapter, and

(ii) publish (not less often than annually) and distribute to providers and practitioners whose services are subject to review a report that describes the organization's findings with respect to the types of cases in which the organization has frequently determined that (I) inappropriate or unnecessary care has been provided, (II) services were rendered in an inappropriate setting, or (III) services did not meet professionally recognized standards of health care.

(7) The organization, to the extent necessary and appropriate to the performance of the contract, shall—

(A)(i) make arrangements to utilize the services of persons who are practitioners of, or specialists in, the various areas of medicine (including dentistry, optometry, and podiatry), or other types of health care, which persons shall, to the maximum extent practicable, be individuals engaged in the practice of their profession within the area served by such organization; and

(ii) in the case of psychiatric and physical rehabilitation services, make arrangements to ensure that (to the extent possible) initial review of such services be made by a physician who is trained in psychiatry or physical rehabilitation (as appropriate).[1]

(B) undertake such professional inquiries either before or after, or both before and after, the provision of services with respect to which such organization has a responsibility for review which in the judgment of such organization will facilitate its activities;

(C) examine the pertinent records of any practitioner or provider of health care services providing services with respect to which such organization has a responsibility for review under paragraph (1); and

(D) inspect the facilities in which care is rendered or services are provided (which are located in such area) of any practitioner or provider of health care services providing services with respect to which such organization has a responsibility for review under paragraph (1).

(8) The organization shall perform such duties and functions and assume such responsibilities and comply with such other requirements as may be required by this part or under regulations of the Secretary promulgated to carry out the provisions of this part or as may be required to carry out section 1395y(a)(15) of this title.

(9)(A) The organization shall collect such information relevant to its functions, and keep and maintain such records, in such form as the Secretary may require to carry out the purposes of this part, and shall permit access to and use of any such information and records as the Secretary may require for such purposes, subject to the provisions of section 1320c–9 of this title.

(B) If the organization finds, after reasonable notice to and opportunity for discussion with the physician or practitioner concerned, that the physician or practitioner has furnished services in violation of section 1320c–5(a) of this title and the organization determines that the physician or practitioner should enter into a corrective action plan under section 1320c–5(b)(1) of this title, the organization shall notify the State board or boards responsible for the licensing or disciplining of the physician or practitioner of its finding and of any action taken as a result of the finding.

(10) The organization shall coordinate activities, including information exchanges, which are consistent with economical and efficient operation of programs among appropriate public and private agencies or organizations including—

(A) agencies under contract pursuant to sections 1395h and 1395u of this title;

(B) other peer review organizations having contracts under this part; and

(C) other public or private review organizations as may be appropriate.

(11) The organization shall make available its facilities and resources for contracting with private and public entities paying for health care in its area for review, as feasible and appropriate, of services reimbursed by such entities.

(12) Repealed. Pub. L. 103–432, title I, § 156(a)(2)(A)(i), Oct. 31, 1994, 108 Stat. 4440.

(13) Notwithstanding paragraph (4), the organization shall perform the review described in paragraph (1) with respect to early readmission cases to determine if the previous inpatient hospital services and the post-hospital services met professionally recognized standards of health care. Such reviews may be performed on a sample basis if the organization and the Secretary determine it to be appropriate. In this paragraph, an ''early readmission case'' is a case in which an individual, after discharge from a hospital, is readmitted to a hospital less than 31 days after the date of the most recent previous discharge.

(14) The organization shall conduct an appropriate review of all written complaints about the quality of services (for which payment may otherwise be made under subchapter XVIII of this chapter) not meeting professionally recognized standards of health care, if the complaint is filed with the organization by an individual entitled to benefits for such services under such subchapter (or a person acting on the individual's behalf). The organization shall inform the individual (or representative) of the organization's final disposition of the complaint. Before the organization concludes that the quality of services does not meet professionally recognized standards of health care, the organization must provide the practitioner or person concerned with reasonable notice and opportunity for discussion.

(15) During each year of the contract entered into under section 1320c–2(b) of this title, the organization shall perform significant on-site review activities, including on-site review in at least 20 percent of the rural hospitals in the organization's area.

(16) The organization shall provide for a review and report to the Secretary when requested by the Secretary under section

[1] So in original. The period probably should be a semicolon.

1395dd(d)(3) of this title. The organization shall provide reasonable notice of the review to the physician and hospital involved. Within the time period permitted by the Secretary, the organization shall provide a reasonable opportunity for discussion with the physician and hospital involved, and an opportunity for the physician and hospital to submit additional information, before issuing its report to the Secretary under such section.

(b) Review by physicians; physician's family defined

(1) No physician shall be permitted to review—

(A) health care services provided to a patient if he was directly responsible for providing such services; or

(B) health care services provided in or by an institution, organization, or agency, if he or any member of his family has, directly or indirectly, a significant financial interest in such institution, organization, or agency.

(2) For purposes of this subsection, a physician's family includes only his spouse (other than a spouse who is legally separated from him under a decree of divorce or separate maintenance), children (including legally adopted children), grandchildren, parents, and grandparents.

(c) Utilization of services of physicians to make final determinations of denial decisions with respect to professional conduct of other physicians

No utilization and quality control peer review organization shall utilize the services of any individual who is not a duly licensed doctor of medicine, osteopathy, dentistry, optometry, or podiatry to make final determinations of denial decisions in accordance with its duties and functions under this part with respect to the professional conduct of any other duly licensed doctor of medicine, osteopathy, dentistry, optometry, or podiatry, or any act performed by any duly licensed doctor of medicine, osteopathy, dentistry, optometry, or podiatry in the exercise of his profession.

(d) Review of ambulatory surgical procedures

Each contract under this part shall require that the utilization and quality control peer review organization's review responsibility pursuant to subsection (a)(1) of this section will include review of all ambulatory surgical procedures specified pursuant to section 1395*l*(i)(1)(A) of this title which are performed in the area, or, at the discretion of the Secretary a sample of such procedures.

(e) Review of hospital denial notices

(1) If—

(A) a hospital has determined that a patient no longer requires inpatient hospital care, and

(B) the attending physician has agreed with the hospital's determination,

the hospital may provide the patient (or the patient's representative) with a notice (meeting conditions prescribed by the Secretary under section 1395pp of this title) of the determination.

(2) If—

(A) a hospital has determined that a patient no longer requires inpatient hospital care, but

(B) the attending physician has not agreed with the hospital's determination,

the hospital may request the appropriate peer review organization to review under subsection (a) of this section the validity of the hospital's determination. If the hospital requests such a review, it shall also notify the patient that the review has been requested.

(3)(A) If a patient (or a patient's representative)—

(i) has received a notice under paragraph (1), and

(ii) requests the appropriate peer review organization to review the determination,

then, the organization shall conduct a review under subsection (a) of this section of the validity of the hospital's determination and shall provide notice (by telephone and in writing) to the patient or representative and the hospital and attending physician involved of the results of the review. Such review shall be conducted regardless of whether or not the hospital will charge for continued hospital care or whether or not the patient will be liable for payment for such continued care.

(B) If a patient (or a patient's representative) requests a review under subparagraph (A) while the patient is still an inpatient in the hospital and not later than noon of the first working day after the date the patient receives the notice under paragraph (1), then—

(i) the hospital shall provide to the appropriate peer review organization the records required to review the determination by the close of business of such first working day, and

(ii) the peer review organization must provide the notice under subparagraph (A) by not later than one full working day after the date the organization has received the request and such records.

(4) If—

(A) a request is made under paragraph (3)(A) not later than noon of the first working day after the date the patient (or patient's representative) receives the notice under paragraph (1), and

(B) the conditions described in section 1395pp(a)(2) of this title with respect to the patient or representative are met,

the hospital may not charge the patient for inpatient hospital services furnished before noon of the day after the date the patient or representative receives notice of the peer review organization's decision.

(5) In any review conducted under paragraph (2) or (3), the organization shall solicit the views of the patient involved (or the patient's representative).

(f) Identification of methods for identifying cases of substandard care

The Secretary, in consultation with appropriate experts, shall identify methods that would be available to assist peer review organizations (under subsection (a)(4) of this section) in identifying those cases which are more likely than others to be associated with a quality of services which does not meet professionally recognized standards of health care.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1320c–3 of this title.

§ 1320c–5. Obligations of health care practitioners and providers of health care services; sanctions and penalties; hearings and review

(a) Assurances regarding services and items ordered or provided by practitioner or provider

It shall be the obligation of any health care practitioner and any other person (including a hospital or other health care facility, organization, or agency) who provides health care services for which payment may be made (in whole or in part) under this chapter, to assure, to the extent of his authority that services or items ordered or provided by such practitioner or person to beneficiaries and recipients under this chapter—

(1) will be provided economically and only when, and to the extent, medically necessary;

(2) will be of a quality which meets professionally recognized standards of health care; and

(3) will be supported by evidence of medical necessity and quality in such form and fashion and at such time as may reasonably be required by a reviewing peer review organization in the exercise of its duties and responsibilities.

(b) Sanctions and penalties; hearings and review

(1) If after reasonable notice and opportunity for discussion with the practitioner or person concerned, and, if appropriate, after the practitioner or person has been given a reasonable opportunity to enter into and complete a corrective action plan (which may include remedial education) agreed to by the organization, and has failed successfully to complete such plan, any organization having a contract with the Secretary under this part determines that such practitioner or person has—

(A) failed in a substantial number of cases substantially to comply with any obligation imposed on him under subsection (a) of this section, or

(B) grossly and flagrantly violated any such obligation in one or more instances,

such organization shall submit a report and recommendations to the Secretary. If the Secretary agrees with such determination, and determines that such practitioner or person, in providing health care services over which such organization has review responsibility and for which payment (in whole or in part) may be made under this chapter, has demonstrated an unwillingness or a lack of ability substantially to comply with such obligations, the Secretary (in addition to any other sanction provided under law) may exclude (permanently or for such period as the Secretary may prescribe) such practitioner or person from eligibility to provide services under this chapter on a reimbursable basis. In determining whether a practitioner or person has demonstrated an unwillingness or lack of ability substantially to comply with such obligations, the Secretary shall consider the practitioner's or person's willingness or lack of ability, during the period before the organization submits its report and recommendations, to enter into and successfully complete a corrective action plan. If the Secretary fails to act upon the recommendations submitted to him by such organization within 120 days after such submission, such practitioner or person shall be excluded from eligibility to provide services on a reimbursable basis until such time as the Secretary determines otherwise.

(2) A determination made by the Secretary under this subsection to exclude a practitioner or person shall be effective on the same date and in the same manner as an exclusion from participation under the programs under this chapter becomes effective under section 1320a–7(c) of this title, and shall remain in effect until the Secretary finds and gives reasonable notice to the public that the basis for such determination has been removed and that there is reasonable assurance that it will not recur.

(3) In lieu of the sanction authorized by paragraph (1), the Secretary may require that (as a condition to the continued eligibility of such practitioner or person to provide such health care services on a reimbursable basis) such practitioner or person pays[1] to the United States, in case such acts or conduct involved the provision or ordering by such practitioner or person of health care services which were medically improper or unnecessary, an amount not in excess of the actual or estimated cost of the medically improper or unnecessary services so provided. Such amount may be deducted from any sums owing by the United States (or any instrumentality thereof) to the practitioner or person from whom such amount is claimed.

(4) Any practitioner or person furnishing services described in paragraph (1) who is dissatisfied with a determination made by the Secretary under this subsection shall be entitled to reasonable notice and opportunity for a hearing thereon by the Secretary to the same extent as is provided in section 405(b) of this title, and to judicial review of the Secretary's final decision after such hearing as is provided in section 405(g) of this title.

(5) Before the Secretary may effect an exclusion under paragraph (2) in the case of a provider or practitioner located in a rural health professional shortage area or in a county with a population of less than 70,000, the provider or practitioner adversely affected by the determination is entitled to a hearing before an administrative law judge (described in section 405(b) of this title) respecting whether the provider or practitioner should be able to continue furnishing services to individuals entitled to benefits under this chapter, pending completion of the administrative review procedure under paragraph (4). If the judge does not determine, by a preponderance of the evidence, that the provider or practitioner will pose a serious risk to such individuals if permitted to continue furnishing such services, the Secretary shall not effect the exclusion under paragraph (2) until the provider or practitioner has been provided reasonable notice and opportunity for an administrative hearing thereon under paragraph (4).

(6) When the Secretary effects an exclusion of a physician under paragraph (2), the Secretary shall notify the State board responsible for the licensing of the physician of the exclusion.

(c) Enlistment of support of other organizations to assure practitioner's or provider's compliance with obligations

It shall be the duty of each utilization and quality control peer review organization to use such authority or influence it may possess as a professional organization, and to enlist the support of any other professional or governmental organization having influence or authority over health care practitioners and any other person (including a hospital or other health care facility, organization, or agency) providing health care services in the area served by such review organization, in assuring that each practitioner or person (referred to in subsection (a) of this section) providing health care services in such area shall comply with all obligations imposed on him under subsection (a) of this section.

§ 1321. Eligibility requirements for transfer of funds; reimbursement by State; application; certification; limitation

(a)(1) Advances shall be made to the States from the Federal unemployment account in the Unemployment Trust Fund as provided in this section, and shall be repayable, with interest to the extent provided in section 1322(b) of this title, in the manner provided in sections 1101(d)(1), 1103(b)(2), and 1322 of this title. An advance to a State for the payment of compensation in any 3-month period may be made if—

(A) the Governor of the State applies therefor no earlier than the first day of the month preceding the first month of such 3-month period, and

(B) he furnishes to the Secretary of Labor his estimate of the amount of an advance which will be required by the State for the payment of compensation in each month of such 3-month period.

(2) In the case of any application for an advance under this section to any State for any 3-month period, the Secretary of Labor shall—

(A) determine the amount (if any) which he finds will be required by such State for the payment of compensation in each month of such 3-month period, and

(B) certify to the Secretary of the Treasury the amount (not greater than the amount estimated by the Governor of the State) determined under subparagraph (A).

The aggregate of the amounts certified by the Secretary of Labor with respect to any 3-month period shall not exceed the amount which the Secretary of the Treasury reports to the Secretary of Labor is available in the Federal unemployment account for advances with respect to each month of such 3-month period.

(3) For purposes of this subsection—

(A) an application for an advance shall be made on such forms, and shall contain such information and data (fiscal and otherwise) concerning the operation and administration of the State unemployment compensation law, as the Secretary of Labor deems necessary or relevant to the performance of his duties under this subchapter,

(B) the amount required by any State for the payment of compensation in any month shall be determined with due allowance for contingencies and taking into account all other amounts that will be available in the State's unemployment fund for the payment of compensation in such month, and

(C) the term ''compensation'' means cash benefits payable to individuals with respect to their unemployment, exclusive of expenses of administration.

(b) The Secretary of the Treasury shall, prior to audit or settlement by the General Accounting Office, transfer in monthly installments from the Federal unemployment account to the account of the State in the Unemployment Trust Fund the amount certified under subsection (a) of this section by the Secretary of Labor (but not exceeding that portion of the balance in the Federal unemployment account at the time of the transfer which is not restricted as to use pursuant to section 1103(b)(1) of this title). The amount of any monthly installment so transferred shall not exceed the amount estimated by the State to be required for the payment of compensation for the month with respect to which such installment is made.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1101, 1104, 1322 of this title.

§ 1322. Repayment by State; certification; transfer; interest on loan; credit of interest on loan

(a) Repayment by State; certification; transfer

The Governor of any State may at any time request that funds be transferred from the ac-

count of such State to the Federal unemployment account in repayment of part or all of that balance of advances, made to such State under section 1321 of this title, specified in the request. The Secretary of Labor shall certify to the Secretary of the Treasury the amount and balance specified in the request; and the Secretary of the Treasury shall promptly transfer such amount in reduction of such balance.

(b) Interest on loan

(1) Except as otherwise provided in this subsection, each State shall pay interest on any advance made to such State under section 1321 of this title. Interest so payable with respect to periods during any calendar year shall be at the rate determined under paragraph (4) for such calendar year.

(2) No interest shall be required to be paid under paragraph (1) with respect to any advance or advances made during any calendar year if—

(A) such advances are repaid in full before the close of September 30 of the calendar year in which the advances were made, and

(B) no other advance was made to such State under section 1321 of this title during such calendar year and after the date on which the repayment of the advances was completed.

(3)(A) Interest payable under paragraph (1) which was attributable to periods during any fiscal year shall be paid by the State to the Secretary of the Treasury prior to the first day of the following fiscal year. If interest is payable under paragraph (1) on any advance (hereinafter in this subparagraph referred to as the ''first advance'') by reason of another advance made to such State after September 30 of the calendar year in which the first advance was made, interest on such first advance attributable to periods before such September 30 shall be paid not later than the day after the date on which the other advance was made.

(B) Notwithstanding subparagraph (A), in the case of any advance made during the last 5 months of any fiscal year, interest on such advance attributable to periods during such fiscal year shall not be required to be paid before the last day of the succeeding taxable year. Any interest the time for payment of which is deferred by the preceding sentence shall bear interest in the same manner as if it were an advance made on the day on which it would have been required to be paid but for this subparagraph.

(C)(i) In the case of any State which meets the requirements of clause (ii) for any calendar year, any interest otherwise required to be paid under this subsection during such calendar year shall be paid as follows—

(I) 25 percent of the amount otherwise required to be paid on or before any day during such calendar year shall be paid on or before such day; and

(II) 25 percent of the amount otherwise required to be paid on or before such day shall be paid on or before the corresponding day in each of the 3 succeeding calendar years.

No interest shall accrue on such deferred interest.

(ii) A State meets the requirements of this clause for any calendar year if the rate of insured unemployment (as determined for purposes of section 203 of the Federal-State Extended Unemployment Compensation Act of 1970) under the State law of the period consisting of the first 6 months of the preceding calendar year equaled or exceeded 7.5 percent.

(4) The interest rate determined under this paragraph with respect to any calendar year is a percentage (but not in excess of 10 percent) determined by dividing—

(A) the aggregate amount credited under section 1104(e) of this title to State accounts on the last day of the last calendar quarter of the immediately preceding calendar year, by

(B) the aggregate of the average daily balances of the State accounts for such quarter as determined under section 1104(e) of this title.

(5) Interest required to be paid under paragraph (1) shall not be paid (directly or indirectly) by a State from amounts in its unemployment fund. If the Secretary of Labor determines that any State action results in the paying of such interest directly or indirectly (by an equivalent reduction in State unemployment taxes or otherwise) from such unemployment fund, the Secretary of Labor shall not certify such State's unemployment compensation law under section 3304 of the Internal Revenue Code of 1986. Such noncertification shall be made in accordance with section 3304(c) of such Code.

(6)(A) For purposes of paragraph (2), any voluntary repayment shall be applied against advances made under section 1321 of this title on the last made first repaid basis. Any other repayment of such an advance shall be applied against advances on a first made first repaid basis.

(B) For purposes of this paragraph, the term ''voluntary repayment'' means any repayment made under subsection (a) of this section.

(7) This subsection shall only apply to advances made on or after April 1, 1982.

(8)(A) With respect to interest due under this section on September 30 of 1983, 1984, or 1985 (other than interest previously deferred under paragraph (3)(C)), a State may pay 80 percent of such interest in four annual installments of at least 20 percent beginning with the year after the year in which it is otherwise due, if such State meets the criteria of subparagraph (B). No interest shall accrue on such deferred interest.

(B) To meet the criteria of this subparagraph a State must—

(i) have taken no action since October 1, 1982, which would reduce its net unemployment tax effort or the net solvency of its unemployment system (as determined for purposes of section 3302(f) of the Internal Revenue Code of 1986); and

(ii)(I) have taken an action (as certified by the Secretary of Labor) after March 31, 1982, which would have increased revenue liabilities and decreased benefits under the State's unemployment compensation system (hereinafter referred to as a ''solvency effort'') by a combined total of the applicable percentage (as compared to such revenues and benefits as would have been in effect without such State action) for the calendar year for which the deferral is requested; or

(II) have had, for taxable year 1982, an average unemployment tax rate which was equal

to or greater than 2.0 percent of the total of the wages (as determined without any limitation on amount) attributable to such State subject to contribution under the State unemployment compensation law with respect to such taxable year.

In the case of the first year for which there is a deferral (over a 4-year period) of the interest otherwise payable for such year, the applicable percentage shall be 25 percent. In the case of the second such year, the applicable percentage shall be 35 percent. In the case of the third such year, the applicable percentage shall be 50 percent.

(C)(i) The base year is the first year for which deferral under this provision is requested and subsequently granted. The Secretary of Labor shall estimate the unemployment rate for the base year. To determine whether a State meets the requirements of subparagraph (B)(ii)(I), the Secretary of Labor shall determine the percentage by which the benefits and taxes in the base year with the application of the action referred to in subparagraph (B)(ii)(I) are lower or greater, as the case may be, than such benefits and taxes would have been without the application of such action. In making this determination, the Secretary shall deem the application of the action referred to in subparagraph (B)(ii)(I) to have been effective for the base year to the same extent as such action is effective for the year following the year for which the deferral is sought. Once a deferral is approved under clause (ii)(I) of subparagraph (B) a State must continue to maintain its solvency effort. Failure to do so shall result in the State being required to make immediate payment of all deferred interest.

(ii) Increases in the taxable wage base from $6,000 to $7,000 or increases after 1984 in the maximum tax rate to 5.4 percent shall not be counted for purposes of meeting the requirement of subparagraph (B).

(D) In the case of a State which produces a solvency effort of 50 percent, 80 percent, and 90 percent rather than the 25 percent, 35 percent, and 50 percent required under subparagraph (B), the interest shall be computed at an interest rate which is 1 percentage point less than the otherwise applicable interest rate.

(9) Any interest otherwise due from a State on September 30 of a calendar year after 1982 may be deferred (and no interest shall accrue on such deferred interest) for a grace period of not to exceed 9 months if, for the most recent 12-month period for which data are available before the date such interest is otherwise due, the State had an average total unemployment rate of 13.5 percent or greater.

(c) Credit of interest on loan

Interest paid by States in accordance with this section shall be credited to the Federal unemployment account established by section 1104(g) of this title in the Unemployment Trust Fund.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1316 of this title.

§ 1355. Definitions

For the purposes of this subchapter, the term ''aid to the permanently and totally disabled'' means money payments to needy individuals eighteen years of age or older who are permanently and totally disabled, but does not include any such payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution) or any individual who is a patient in an institution for tuberculosis or mental diseases. Such term also includes payments which are not included within the meaning of such term under the preceding sentence, but which would be so included except that they are made on behalf of such a needy individual to another individual who (as determined in accordance with standards prescribed by the Secretary) is interested in or concerned with the welfare of such needy individual, but only with respect to a State whose State plan approved under section 1352 of this title includes provision for—

(1) determination by the State agency that such needy individual has, by reason of his physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare and, therefore, it is necessary to provide such aid through payments described in this sentence;

(2) making such payments only in cases in which such payments will, under the rules otherwise applicable under the State plan for determining need and the amount of aid to the permanently and totally disabled to be paid (and in conjunction with other income and resources), meet all the need[1] of the individuals with respect to whom such payments are made;

(3) undertaking and continuing special efforts to protect the welfare of such individual and to improve, to the extent possible, his capacity for self-care and to manage funds;

(4) periodic review by such State agency of the determination under paragraph (1) to ascertain whether conditions justifying such determination still exist, with provision for termination of such payments if they do not and for seeking judicial appointment of a guardian or other legal representative, as described in section 1311 of this title, if and when it appears that such action will best serve the interests of such needy individual; and

(5) opportunity for a fair hearing before the State agency on the determination referred to in paragraph (1) for any individual with respect to whom it is made.

At the option of a State (if its plan approved under this subchapter so provides), such term (i) need not include money payments to an individual who has been absent from such State for a period in excess of ninety consecutive days (regardless of whether he has maintained his residence in such State during such period) until he has been present in such State for thirty consecutive days in the case of such an individual who has maintained his residence in such State during such period or ninety consecutive days in the case of any other such individual, and (ii) may include rent payments made directly to a public housing agency on behalf of a recipient or a group or groups of recipients of aid under such plan.

(Aug. 14, 1935, ch. 531, title XIV, § 1405, as added Aug. 28, 1950, ch. 809, title III, pt. 5, § 351, 64 Stat. 557; amended July 25, 1962, Pub. (1) '', or (if provided on or after the third month before the month in which the recipient makes application for aid) medical care in behalf of, or any type of remedial care recognized under State law in behalf of,'' after ''money payments to''.

1972—Pub. L. 92–603 authorized the State, at its option, to include within ''aid to the permanently and totally disabled'' provisions relating to money payments to an individual absent from such State for more than 90 consecutive days, and provisions relating to rent payments made directly to a public housing agency.

1965—Pub. L. 89–97 struck out from definition of ''aid to the permanently and totally disabled'' the exclusion of payments to or medical care in behalf of any individual who has been diagnosed as having tuberculosis or psychosis and is a patient in a medical institution as a result thereof; and extended definition of ''aid to the permanently and totally disabled'' to include payments made on behalf of the needy individual to another individual who (as determined in accordance with standards determined by the Secretary) is interested in or concerned with the welfare of such needy individual and enumerated the five characteristics required of state plans under which such payments can be made, including provision for finding of inability to manage funds, payment to meet all needs of the individual, special efforts to protect welfare, periodic review, and opportunity for fair hearing, respectively.

(B) whose resources (together with the resources of such spouse), other than resources excluded pursuant to section 1382b(a) of this title, are not more than the applicable amount determined under paragraph (3)(A),

shall be an eligible individual for purposes of this subchapter.

(3)(A) The dollar amount referred to in clause (i) of paragraph (1)(B), and in paragraph (2)(B), shall be $2,250 prior to January 1, 1985, and shall be increased to $2,400 on January 1, 1985, to $2,550 on January 1, 1986, to $2,700 on January 1, 1987, to $2,850 on January 1, 1988, and to $3,000 on January 1, 1989.

(B) The dollar amount referred to in clause (ii) of paragraph (1)(B), shall be $1,500 prior to January 1, 1985, and shall be increased to $1,600 on January 1, 1985, to $1,700 on January 1, 1986, to $1,800 on January 1, 1987, to $1,900 on January 1, 1988, and to $2,000 on January 1, 1989.

(b) Amount of benefits

(1) The benefit under this subchapter for an individual who does not have an eligible spouse shall be payable at the rate of $1,752 (or, if greater, the amount determined under section 1382f of this title) for the calendar year 1974 and any calendar year thereafter, reduced by the amount of income, not excluded pursuant to section 1382a(b) of this title, of such individual.

(2) The benefit under this subchapter for an individual who has an eligible spouse shall be payable at the rate of $2,628 (or, if greater, the amount determined under section 1382f of this title) for the calendar year 1974 and any calendar year thereafter, reduced by the amount of income, not excluded pursuant to section 1382a(b) of this title, of such individual and spouse.

(c) Period for determination of benefits

(1) An individual's eligibility for a benefit under this subchapter for a month shall be determined on the basis of the individual's (and eligible spouse's, if any) income, resources, and other relevant characteristics in such month, and, except as provided in paragraphs (2), (3), (4), (5), and (6), the amount of such benefit shall be determined for such month on the basis of income and other characteristics in the first or, if the Commissioner of Social Security so determines, second month preceding such month. Eligibility for and the amount of such benefits shall be redetermined at such time or times as may be provided by the Commissioner of Social Security.

(2) The amount of such benefit for the month in which an application for benefits becomes effective (or, if the Commissioner of Social Security so determines, for such month and the following month) and for any month immediately following a month of ineligibility for such benefits (or, if the Commissioner of Social Security so determines, for such month and the following month) shall—

(A) be determined on the basis of the income of the individual and the eligible spouse, if any, of such individual and other relevant circumstances in such month; and

(B) in the case of the month in which an application becomes effective or the first month following a period of ineligibility, if such application becomes effective, or eligibility is restored, after the first day of such month, bear the same ratio to the amount of the benefit which would have been payable to such individual if such application had become effective, or eligibility had been restored, on the first day of such month as the number of days in such month including and following the effective date of such application or restoration of eligibility bears to the total number of days in such month.

(3) For purposes of this subsection, an increase in the benefit amount payable under subchapter II of this chapter (over the amount payable in the preceding month, or, at the election of the Commissioner of Social Security, the second preceding month) to an individual receiving benefits under this subchapter shall be included in the income used to determine the benefit under this subchapter of such individual for any month which is—

(A) the first month in which the benefit amount payable to such individual under this title is increased pursuant to section 1382f of this title, or

(B) at the election of the Commissioner of Social Security, the month immediately following such month.

(4)(A) Notwithstanding paragraph (3), if the Commissioner of Social Security determines that reliable information is currently available with respect to the income and other circumstances of an individual for a month (including information with respect to a class of which such individual is a member and information with respect to scheduled cost-of-living adjustments under other benefit programs), the benefit amount of such individual under this subchapter for such month may be determined on the basis of such information.

(B) The Commissioner of Social Security shall prescribe by regulation the circumstances in which information with respect to an event may be taken into account pursuant to subparagraph (A) in determining benefit amounts under this subchapter.

(5) Notwithstanding paragraphs (1) and (2), any income which is paid to or on behalf of an individual in any month pursuant to (A) a State plan approved under part A of subchapter IV of this chapter (relating to aid to families with dependent children), (B) section 672 of this title (relating to foster care assistance), (C) section 1522(e) of title 8 (relating to assistance for refugees), (D) section 501(a) of Public Law 96-422 (relating to assistance for Cuban and Haitian entrants), or (E) section 13 of title 25 (relating to assistance furnished by the Bureau of Indian Affairs), shall be taken into account in determining the amount of the benefit under this subchapter of such individual (and his eligible spouse, if any) only for that month, and shall not be taken into account in determining the amount of the benefit for any other month.

(6) The dollar amount in effect under subsection (b) of this section as a result of any increase in benefits under this subchapter by reason of section 1382f of this title shall be used to determine the value of any in-kind support and

maintenance required to be taken into account in determining the benefit payable under this subchapter to an individual (and the eligible spouse, if any, of the individual) for the 1st 2 months for which the increase in benefits applies.

(7) For purposes of this subsection, an application of an individual for benefits under this subchapter shall be effective on the later of—

(A) the date such application is filed, or

(B) the date such individual first becomes eligible for such benefits with respect to such application.

(8) The Commissioner of Social Security may waive the limitations specified in subparagraphs (A) and (B) of subsection (e)(1) of this section on an individual's eligibility and benefit amount for a month (to the extent either such limitation is applicable by reason of such individual's presence throughout such month in a hospital, extended care facility, nursing home, or intermediate care facility) if such waiver would promote the individual's removal from such institution or facility. Upon waiver of such limitations, the Commissioner of Social Security shall apply, to the month preceding the month of removal, or, if the Commissioner of Social Security so determines, the two months preceding the month of removal, the benefit rate that is appropriate to such individual's living arrangement subsequent to his removal from such institution or facility.

(d) Limitation on amount of gross income earned; "gross income" defined

The Commissioner of Social Security may prescribe the circumstances under which, consistently with the purposes of this subchapter, the gross income from a trade or business (including farming) will be considered sufficiently large to make an individual ineligible for benefits under this subchapter. For purposes of this subsection, the term ''gross income'' has the same meaning as when used in chapter 1 of the Internal Revenue Code of 1986.

(e) Limitation on eligibility of certain individuals

(1)(A) Except as provided in subparagraphs (B), (C), (D), (E), and (G), no person shall be an eligible individual or eligible spouse for purposes of this subchapter with respect to any month if throughout such month he is an inmate of a public institution.

(B) In any case where an eligible individual or his eligible spouse (if any) is, throughout any month (subject to subparagraph (G)), in a hospital, extended care facility, nursing home, or intermediate care facility receiving payments (with respect to such individual or spouse) under a State plan approved under subchapter XIX of this chapter, or an eligible individual is a child described in section 1382c(f)(2)(B) of this title, the benefit under this subchapter for such individual for such month shall be payable (subject to subparagraph (E))—

(i) at a rate not in excess of $360 per year (reduced by the amount of any income not excluded pursuant to section 1382a(b) of this title) in the case of an individual who does not have an eligible spouse;

(ii) in the case of an individual who has an eligible spouse, if only one of them is in such a hospital, home or facility throughout such month, at a rate not in excess of the sum of—

(I) the rate of $360 per year (reduced by the amount of any income, not excluded pursuant to section 1382a(b) of this title, of the one who is in such hospital, home, or facility), and

(II) the applicable rate specified in subsection (b)(1) of this section (reduced by the amount of any income, not excluded pursuant to section 1382a(b) of this title, of the other); and

(iii) at a rate not in excess of $720 per year (reduced by the amount of any income not excluded pursuant to section 1382a(b) of this title) in the case of an individual who has an eligible spouse, if both of them are in such a hospital, home, or facility throughout such month.

For purposes of this subsection, a hospital, extended care facility, nursing home, or intermediate care facility which is a ''medical institution or nursing facility'' within the meaning of section 1396p(c) of this title shall be considered to be receiving payments with respect to an individual under a State plan approved under subchapter XIX of this chapter during any period of ineligibility of such individual provided for under the State plan pursuant to section 1396p(c) of this title.

(C) As used in subparagraph (A), the term ''public institution'' does not include a publicly operated community residence which serves no more than 16 residents.

(D) A person may be an eligible individual or eligible spouse for purposes of this subchapter with respect to any month throughout which he is a resident of a public emergency shelter for the homeless (as defined in regulations which shall be prescribed by the Commissioner of Social Security); except that no person shall be an eligible individual or eligible spouse by reason of this subparagraph more than 6 months in any 9-month period.

(E) Notwithstanding subparagraphs (A) and (B), any individual who—

(i)(I) is an inmate of a public institution, the primary purpose of which is the provision of medical or psychiatric care, throughout any month as described in subparagraph (A), or

(II) is in a hospital, extended care facility, nursing home, or intermediate care facility throughout any month as described in subparagraph (B),

(ii) was eligible under section 1382h(a) or (b) of this title for the month preceding such month, and

(iii) under an agreement of the public institution or the hospital, extended care facility, nursing home, or intermediate care facility is permitted to retain any benefit payable by reason of this subparagraph,

may be an eligible individual or eligible spouse for purposes of this subchapter (and entitled to a benefit determined on the basis of the rate applicable under subsection (b) of this section) for the month referred to in subclause (I) or (II) of clause (i) and, if such subclause still applies, for the succeeding month.

(F) An individual who is an eligible individual or an eligible spouse for a month by reason of

subparagraph (E) shall not be treated as being eligible under section 1382h(a) or (b) of this title for such month for purposes of clause (ii) of such subparagraph.

(G) A person may be an eligible individual or eligible spouse for purposes of this subchapter, and subparagraphs (A) and (B) shall not apply, with respect to any particular month throughout which he or she is an inmate of a public institution the primary purpose of which is the provision of medical or psychiatric care, or which is a hospital, extended care facility, nursing home, or intermediate care facility receiving payments (with respect to such individual or spouse) under a State plan approved under subchapter XIX of this chapter, if it is determined in accordance with subparagraph (H) that—

(i) such person's stay in that institution or facility (or in that institution or facility and one or more other such institutions or facilities during a continuous period of institutionalization) is likely (as certified by a physician) not to exceed 3 months, and the particular month involved is one of the first 3 months throughout which such person is in such an institution or facility during a continuous period of institutionalization; and

(ii) such person needs to continue to maintain and provide for the expenses of the home or living arrangement to which he or she may return upon leaving the institution or facility.

The benefit of any person under this subchapter (including State supplementation if any) for each month to which this subparagraph applies shall be payable, without interruption of benefit payments and on the date the benefit involved is regularly due, at the rate that was applicable to such person in the month prior to the first month throughout which he or she is in the institution or facility.

(H) The Commissioner of Social Security shall establish procedures for the determinations required by clauses (i) and (ii) of subparagraph (G), and may enter into agreements for making such determinations (or for providing information or assistance in connection with the making of such determinations) with appropriate State and local public and private agencies and organizations. Such procedures and agreements shall include the provision of appropriate assistance to individuals who, because of their physical or mental condition, are limited in their ability to furnish the information needed in connection with the making of such determinations.

(2) No person shall be an eligible individual or eligible spouse for purposes of this subchapter if, after notice to such person by the Commissioner of Social Security that it is likely that such person is eligible for any payments of the type enumerated in section 1382a(a)(2)(B) of this title, such person fails within 30 days to take all appropriate steps to apply for and (if eligible) obtain any such payments.

(3)(A)(i)(I) In the case of any individual eligible for benefits under this subchapter solely by reason of disability, if alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled, the individual shall comply with the provisions of this subparagraph. In any case in which an individual is required to comply with the provisions of this subparagraph, the Commissioner of Social Security shall include in the individual's notification of such eligibility a notice informing the individual of such requirement.

(II) Notwithstanding any other provision of this subchapter, if an individual who is required under subclause (I) to comply with the requirements of this subparagraph is determined by the Commissioner of Social Security not to be in compliance with the provisions of this subparagraph, the individual's benefits under this subchapter by reason of disability shall be suspended for a period—

(aa) commencing with the first month following the month in which the individual is notified by the Commissioner of Social Security of the determination of noncompliance and that the individual's benefits will be suspended; and

(bb) ending with the month preceding the first month, after the determination of noncompliance, in which the individual demonstrates that he or she has reestablished and maintained compliance with such provisions for the applicable period specified in clause (iii).

(ii)(I) An individual described in clause (i) is in compliance with the requirements of this subparagraph for a month if in such month—

(aa) the individual undergoes substance abuse treatment, which is appropriate for the individual's condition diagnosed as alcoholism or drug addiction and for the stage of the individual's rehabilitation and which is conducted at an institution or facility approved for purposes of this subparagraph by the Commissioner of Social Security; and

(bb) the individual complies in such month with the terms, conditions, and requirements of the treatment and with requirements imposed by the Commissioner of Social Security under this paragraph.

(II) An individual described in clause (i) may be determined as failing to comply with the requirements of this subparagraph for a month only if treatment meeting the requirements of subclause (I)(aa) is available for the month, as determined pursuant to regulations of the Commissioner of Social Security.

(iii) The applicable period specified in this clause is—

(I) 2 consecutive months, in the case of a 1st determination that an individual is not in compliance with the requirements of this subparagraph;

(II) 3 consecutive months, in the case of the 2nd such determination with respect to the individual; or

(III) 6 consecutive months, in the case of the 3rd or subsequent such determination with respect to the individual.

(iv) An individual who is not in compliance with this paragraph for 12 consecutive months shall not be eligible for supplemental security income benefits under this subchapter. The preceding sentence shall not be construed to prevent the individual from reapplying and becoming eligible for such benefits.

(v)(I) In the case of any individual eligible for benefits under this subchapter by reason of disability, if—

(aa) alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled; and

(bb) as of the end of the 36-month period beginning with the 1st month for which such benefits by reason of disability are payable to the individual, the individual would not otherwise be disabled but for alcoholism or drug addiction,

the individual shall not be eligible for such benefits by reason of disability for any month following such 36-month period if, in such following month, alcoholism or drug addiction would be a contributing factor material to the Commissioner's determination that the individual is disabled, notwithstanding section 1382h(a) of this title.

(II) An individual whose entitlement to benefits under subchapter II of this chapter based on disability has been terminated by reason of section 425(c)(7) of this title shall not be eligible for benefits under this subchapter by reason of disability, if alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled, for any month after the individual's termination month (within the meaning of section 423(a)(1) of this title or subsection (d)(1)(G)(i), (e)(1), or (f)(1) of section 402 of this title, as applicable) with respect to such benefits.

(III) Any month for which a suspension is in effect for the individual under clause (i)(II) shall not be taken into account in determining whether any 36-month period referred to in this clause has elapsed.

(vi)(I) In the case of any individual who is eligible for benefits under this subchapter for any month solely by reason of disability, if alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled, payment of any benefits under this subchapter the payment of which is past due shall be made in any month only to the extent that the sum of—

(aa) the amount of the past-due benefit paid in the month; and

(bb) the amount of any benefit under this subchapter which is payable to the individual for the month,

does not exceed twice the maximum benefit payable under this subchapter to an eligible individual for the preceding month.

(II) For the first month in which an individual's past-due benefits referred to in subclause (I) are paid, the amount of the limitation provided in subclause (I) shall be increased by the amount of any debts of the individual related to housing which are outstanding as of the end of the preceding month and which are resulting in a high risk of homelessness for the individual.

(III) Upon the death of an individual to whom payment of past-due benefits has been limited under subclause (I), any amount of such past-due benefits remaining unpaid shall be treated as an underpayment for purposes of section 1383(b)(1)(A) of this title.

(IV) As used in this clause, the term ''benefits under this subchapter'' includes supplementary payments pursuant to an agreement for Federal administration under section 1382e(a) of this title, and payments pursuant to an agreement entered into under section 212(b) of Public Law 93–66.

(V) In the case of an individual who would be eligible for benefits under this subchapter by reason of disability but for termination of such benefits under clause (iv) or (v), the individual shall be eligible for payment of past-due benefits under this clause as if the individual continued to be eligible for such terminated benefits.

(VI) Subclause (I) shall not apply to payments under section 1383(g) of this title.

(B)(i) The Commissioner of Social Security shall provide for the monitoring and testing of all individuals who are receiving benefits under this subchapter and who as a condition of such benefits are required to be undergoing treatment and complying with the terms, conditions, and requirements thereof as described in subparagraph (A), in order to assure such compliance and to determine the extent to which the imposition of such requirement is contributing to the achievement of the purposes of this subchapter.

(ii) The Commissioner of Social Security, in consultation with drug and alcohol treatment professionals, shall issue regulations—

(I) defining appropriate treatment for alcoholics and drug addicts who are subject to required appropriate substance abuse treatment under this subparagraph; and

(II) establishing guidelines to be used to review and evaluate their compliance, including measures of the progress expected to be achieved by participants in such programs.

(iii)(I) For purposes of carrying out the requirements of clauses (i) and (ii), the Commissioner of Social Security shall provide for the establishment of 1 or more referral and monitoring agencies for each State.

(II) Each referral and monitoring agency for a State shall—

(aa) identify appropriate placements, for individuals residing in the State who are eligible for benefits under this subchapter by reason of disability and with respect to whom alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that they are disabled, where they may obtain treatment described in subparagraph (A)(ii)(I);

(bb) refer such individuals to such placements for such treatment; and

(cc) monitor compliance with the requirements of subparagraph (A) by individuals who are referred by the agency to such placements, and promptly report to the Commissioner of Social Security any failure to comply with such requirements.

(4) Repealed. Pub. L. 99–643, §4(d)(1), Nov. 10, 1986, 100 Stat. 3577.

(5) Notwithstanding anything to the contrary in the criteria being used by the Commissioner of Social Security in determining when a husband and wife are to be considered two eligible individuals for purposes of this subchapter and when they are to be considered an eligible indi-

vidual with an eligible spouse, the State agency administering or supervising the administration of a State plan under any other program under this chapter may (in the administration of such plan) treat a husband and wife living in the same hospital, home, or facility described in paragraph (1)(B) as though they were an eligible individual with his or her eligible spouse for purposes of this subchapter (rather than two eligible individuals), after they have continuously lived in the same such hospital, home, or facility for 6 months, if treating such husband and wife as two eligible individuals would prevent either of them from receiving benefits or assistance under such plan or reduce the amount thereof.

(f) Individuals outside United States; determination of status

(1) Notwithstanding any other provision of this subchapter, no individual (other than a child described in section 1382c(a)(1)(B)(ii) of this title) shall be considered an eligible individual for purposes of this subchapter for any month during all of which such individual is outside the United States (and no person shall be considered the eligible spouse of an individual for purposes of this subchapter with respect to any month during all of which such person is outside the United States). For purposes of the preceding sentence, after an individual has been outside the United States for any period of 30 consecutive days, he shall be treated as remaining outside the United States until he has been in the United States for a period of 30 consecutive days.

(2) For a period of not more than 1 year, the first sentence of paragraph (1) shall not apply to any individual who—

(A) was eligible to receive a benefit under this subchapter for the month immediately preceding the first month during all of which the individual was outside the United States; and

(B) demonstrates to the satisfaction of the Commissioner of Social Security that the absence of the individual from the United States will be—

(i) for not more than 1 year; and

(ii) for the purpose of conducting studies as part of an educational program that is—

(I) designed to substantially enhance the ability of the individual to engage in gainful employment;

(II) sponsored by a school, college, or university in the United States; and

(III) not available to the individual in the United States.

(g) Individuals deemed to meet resources test

In the case of any individual or any individual and his spouse (as the case may be) who—

(1) received aid or assistance for December 1973 under a plan of a State approved under subchapter I, X, XIV, or XVI of this chapter,

(2) has, since December 31, 1973, continuously resided in the State under the plan of which he or they received such aid or assistance for December 1973, and

(3) has, since December 31, 1973, continuously been (except for periods not in excess of six consecutive months) an eligible individual or eligible spouse with respect to whom supplemental security income benefits are payable,

the resources of such individual or such individual and his spouse (as the case may be) shall be deemed not to exceed the amount specified in subsections (a)(1)(B) and (a)(2)(B) of this section during any period that the resources of such individual or such individual and his spouse (as the case may be) does not exceed the maximum amount of resources specified in the State plan, as in effect for October 1972, under which he or they received such aid or assistance for December 1973.

(h) Individuals deemed to meet income test

In determining eligibility for, and the amount of, benefits payable under this section in the case of any individual or any individual and his spouse (as the case may be) who—

(1) received aid or assistance for December 1973 under a plan of a State approved under subchapter X or XVI of this chapter,

(2) is blind under the definition of that term in the plan, as in effect for October 1972, under which he or they received such aid or assistance for December 1973,

(3) has, since December 31, 1973, continuously resided in the State under the plan of which he or they received such aid or assistance for December 1973, and

(4) has, since December 31, 1973, continuously been (except for periods not in excess of six consecutive months) an eligible individual or an eligible spouse with respect to whom supplemental security income benefits are payable,

there shall be disregarded an amount equal to the greater of (A) the maximum amount of any earned or unearned income which could have been disregarded under the State plan, as in effect for October 1972, under which he or they received such aid or assistance for December 1973, and (B) the amount which would be required to be disregarded under section 1382a of this title without application of this subsection.

''(a)(1) In order for any State (other than the Commonwealth of Puerto Rico, Guam, or the Virgin Islands) to be eligible for payments pursuant to title XIX [subchapter XIX of this chapter], with respect to expenditures for any quarter beginning after December 1973, such State must have in effect an agreement with the Secretary of Health, Education, and Welfare [now Health and Human Services] (hereinafter in this section referred to as the 'Secretary') whereby the State will provide to individuals residing in the State supplementary payments as required under paragraph (2).

''(2) Any agreement entered into by a State pursuant to paragraph (1) shall provide that each individual who—

''(A) is an aged, blind, or disabled individual (within the meaning of section 1614(a) of the Social Security Act [section 1382c(a) of this title], as enacted by section 301 of the Social Security Amendments of 1972), and

''(B) for the month of December 1973 was a recipient of (and was eligible to receive) aid or assistance (in the form of money payments) under a State plan of such State (approved under title I, X, XIV, or XVI, of the Social Security Act [subchapter I, X, XIV, or XVI of this chapter])

shall be entitled to receive, from the State, the supplementary payment described in paragraph (3) for each month, beginning with January 1974, and ending with whichever of the following first occurs:

''(C) the month in which such individual dies, or

''(D) the first month in which such individual ceases to meet the condition specified in subparagraph (A);

except that no individual shall be entitled to receive such supplementary payment for any month, if, for such month, such individual was ineligible to receive supplemental income benefits under title XVI of the Social Security Act [this chapter] by reason of the provisions of section 1611(e)(1)(A), (2), or (3) [subsec. (e)(1)(A), (2), or (3) of this section], 1611(f) [subsec. (f) of this section], or 1615(c) of such Act [section 1382d(c) of this title].

''(3)(A) The supplementary payment referred to in paragraph (2) which shall be paid for any month to any individual who is entitled thereto under an agreement entered into pursuant to this subsection shall (except as provided in subparagraphs (D) and (E)) be an amount equal to (i) the amount by which such individual's 'December 1973 income' (as determined under subparagraph (B)) exceeds the amount of such individual's 'title XVI benefit plus other income' (as determined under subparagraph (C)) for such month, or (ii) if greater, such amount as the State may specify.

''(B) For purposes of subparagraph (A), an individual's 'December 1973 income' means an amount equal to the aggregate of—

''(i) the amount of the aid or assistance (in the form of money payments) which such individual would have received (including any part of such amount which is attributable to meeting the needs of any other person whose presence in such individual's home is essential to such individual's well-being) for the month of December 1973 under a plan (approved under title I, X, XIV, or XVI, of the Social Security Act [subchapter I, X, XIV, or XVI of this chapter]) of the State entering into an agreement under this subsection, if the terms and conditions of such plan (relating to eligibility for and amount of such aid or assistance payable thereunder) were, for the month of December 1973, the same as those in effect, under such plan, for the month of June 1973, together with the bonus value of food stamps for January 1972, as defined in section 401(b)(3) of Public Law 92–603 [set out as a note under section 1382e of this title], if, for such month, such individual resides in a State which provides State supplementary payments (I) of the type described in section 1616(a) of the Social Security Act [section 1382e(a) of this title], and (II) the level of which has been found by the Secretary pursuant to section 8 of Public Law 93–233 [set out as notes under section 1382e of this title and sections 612c, 1431 and 2012 of Title 7, Agriculture] to have been specifically increased so as to include the bonus value of food stamps, and

''(ii) the amount of the income of such individual (other than the aid or assistance described in clause (i)) received by such individual in December 1973, minus any such income which did not result, but which if properly reported would have resulted in a reduction in the amount of such aid or assistance.

''(C) For purposes of subparagraph (A), the amount of an individual's 'title XVI benefit plus other income' for any month means an amount equal to the aggregate of—

''(i) the amount (if any) of the supplemental security income benefit to which such individual is entitled for such month under title XVI of the Social Security Act [this subchapter], and

''(ii) the amount of any income of such individual for such month (other than income in the form of a benefit described in clause (i)).

''(D) If the amount determined under subparagraph (B)(i) includes, in the case of any individual, an amount which was payable to such individual solely because of—

''(i) a special need of such individual (including any special allowance for housing, or the rental value of housing furnished in kind to such individual in lieu of a rental allowance) which existed in December 1973, or

''(ii) any special circumstance (such as the recognition of the needs of a person whose presence in such individual's home, in December 1973, was essential to such individual's well-being),

and, if for any month after December 1973 there is a change with respect to such special need or circumstance which, if such change had existed in December 1973, the amount described in subparagraph (B)(i) with respect to such individual would have been reduced on account of such change, then, for such month and for each month thereafter the amount of the supplementary payment payable under the agreement entered into under this subsection to such individual shall (unless the State, at its option, otherwise specifies) be reduced by an amount equal to the amount by which the amount (described in subparagraph (B)(i)) would have been so reduced.

''(E)(i) In the case of an individual who, for December 1973 lived as a member of a family unit other members of which received aid (in the form of money payments) under a State plan of a State approved under part A of title IV of the Social Security Act [part A of subchapter IV of this chapter], such State at its option, may (subject to clause (ii)) reduce such individual's December 1973 income (as determined under subparagraph (B)) to such extent as may be necessary to cause the supplementary payment (referred to in paragraph (2)) payable to such individual for January 1974 or any month thereafter to be reduced to a level designed to assure that the total income of such individual (and of the members of such family unit) for any month after December 1973 does not exceed the total income of such individual (and of the members of such family unit) for December 1973.

''(ii) The amount of the reduction (under clause (i)) of any individual's December 1973 income shall not be in

an amount which would cause the supplementary payment (referred to in paragraph (2)) payable to such individual to be reduced below the amount of such supplementary payment which would be payable to such individual if he had, for the month of December 1973 not lived in a family, members of which were receiving aid under part A of title IV of the Social Security Act [part A of subchapter IV of this chapter], and had had no income for such month other than that received as aid or assistance under a State plan approved under title I, X, XIV, or XVI of the Social Security Act [subchapter I, X, XIV, or XVI of this chapter].

''(4) Any State having an agreement with the Secretary under paragraph (1) may, at its option, include individuals receiving benefits under section 1619 of the Social Security Act [section 1382h of this title], or who would be eligible to receive such benefits but for their income, under the agreement as though they are aged, blind, or disabled individuals as specified in paragraph (2)(A).

''(b)(1) Any State having an agreement with the Secretary under subsection (a) may enter into an administration agreement with the Secretary whereby the Secretary will, on behalf of such State, make the supplementary payments required under the agreement entered into under subsection (a).

''(2) Any such administration agreement between the Secretary and a State entered into under this subsection shall provide that the State will (A) certify to the Secretary the names of each individual who, for December 1973, was a recipient of aid or assistance (in the form of money payments) under a plan of such State approved under title I, X, XIV, or XVI of the Social Security Act [subchapter I, X, XIV, or XVI of this chapter], together with the amount of such assistance payable to each such individual and the amount of such individual's December 1973 income (as defined in subsection (a)(3)(B)), and (B) provide the Secretary with such additional data at such times as the Secretary may reasonably require in order properly, economically, and efficiently to carry out such administration agreement.

''(3)(A) Any State which has entered into an administration agreement under this subsection shall, at such times and in such installments as may be agreed upon between the Secretary and the State, pay to the Secretary an amount equal to the expenditures made by the Secretary as supplementary payments to individuals entitled thereto under the agreement entered into with such State under subsection (a), plus an administration fee assessed in accordance with subparagraph (B) and any additional services fee charged in accordance with subparagraph (C).

''(B)(i) The Secretary shall assess each State an administration fee in an amount equal to—

''(I) the number of supplementary payments made by the Secretary on behalf of the State under this subsection for any month in a fiscal year; multiplied by

''(II) the applicable rate for the fiscal year.

''(ii) As used in clause (i), the term 'applicable rate' means—

''(I) for fiscal year 1994, $1.67;

''(II) for fiscal year 1995, $3.33;

''(III) for fiscal year 1996, $5.00; and

''(IV) for fiscal year 1997 and each succeeding fiscal year, $5.00, or such different rate as the Secretary determines is appropriate for the State, taking into account the complexity of administering the State's supplementary payment program.

''(iii) Upon making a determination under clause (ii)(IV), the Secretary shall promulgate the determination in regulations, which may take into account the complexity of administering the State's supplementary payment program.

''(iv) All fees assessed pursuant to this subparagraph shall be transferred to the Secretary at the same time that amounts for such supplementary payments are required to be so transferred.

''(C)(i) The Secretary may charge a State an additional services fee if, at the request of the State, the Secretary provides additional services beyond the level customarily provided, in the administration of State supplementary payments pursuant to this subsection.

''(ii) The additional services fee shall be in an amount that the Secretary determines is necessary to cover all costs (including indirect costs) incurred by the Federal Government in furnishing the additional services referred to in clause (i).

''(D) All administration fees and additional services fees collected pursuant to this paragraph shall be deposited in the general fund of the Treasury of the United States as miscellaneous receipts.

''(c)(1) Supplementary payments made pursuant to an agreement entered into under subsection (a) shall be excluded under section 1612(b)(6) of the Social Security Act [section 1382a(b)(6) of this title] (as in effect after December 1973) in determining income of individuals for purposes of title XVI of such Act [this subchapter] (as so in effect).

''(2) Supplementary payments made by the Secretary (pursuant to an administration agreement entered into under subsection (b)) shall, for purposes of section 401 of the Social Security Amendments of 1972 [set out as a note under section 1382e of this title], be considered to be payments made under an agreement entered into under section 1616 of the Social Security Act [section 1382e of this title] (as enacted by section 301 of the Social Security Amendments of 1972); except that nothing in this paragraph shall be construed to waive, with respect to the payments so made by the Secretary, the provisions of subsection (b) of such section 401 [set out as a note under section 1382e of this title].

''(d) For purposes of subsection (a)(1), a State shall be deemed to have entered into an agreement under subsection (a) of this section if such State has entered into an agreement with the Secretary under section 1616 of the Social Security Act [section 1382e of this title] under which—

''(1) individuals, other than individuals described in subsection (a)(2)(A) and (B), are entitled to receive supplementary payments, and

''(2) supplementary benefits are payable, to individuals described in subsection (a)(2)(A) and (B) at a level and under terms and conditions which meet the minimum requirements specified in subsection (a).

''(e) Except as the Secretary may by regulations otherwise provide, the provisions of title XVI of the Social Security Act [this subchapter] (as enacted by section 301 of the Social Security Amendments of 1972), including the provisions of part B of such title [part B of this subchapter], relating to the terms and conditions under which the benefits authorized by such title [this subchapter] are payable shall, where not inconsistent with the purposes of this section, be applicable to the payments made under an agreement under subsection (b) of this section; and the authority conferred upon the Secretary by such title [this subchapter] may, where appropriate, be exercised by him in the administration of this section.

''(f) The provisions of subsection (a)(1) shall not be applicable in the case of any State—

''(1) the Constitution of which contains provisions which make it impossible for such State to enter into and commence carrying out (on January 1, 1974) an agreement referred to in subsection (a), and

''(2) the Attorney General (or other appropriate State official) of which has, prior to July 1, 1973, made a finding that the State Constitution of such State contains limitations which prevent such State from making supplemental payments of the type described in section 1616 of the Social Security Act [section 1382e of this title].''

(5) provide (A) such methods of administration (including methods relating to the establishment and maintenance of personnel standards on a merit basis, except that the Commissioner of Social Security shall exercise no authority with respect to the selection, tenure of office, and compensation of any individual employed in accordance with such methods) as are found by the Commissioner of Social Security to be necessary for the proper and efficient operation of the plan, and (B) for the training and effective use of paid subprofessional staff, with particular emphasis on the full-time or part-time employment of recipients and other persons of low income, as community service aides, in the administration of the plan and for the use of nonpaid or partially paid volunteers in a social service volunteer program in providing services to applicants and recipients and in assisting any advisory committees established by the State agency;

(6) provide that the State agency will make such reports, in such form and containing such information, as the Commissioner of Social Security may from time to time require, and comply with such provisions as the Commissioner of Social Security may from time to time find necessary to assure the correctness and verification of such reports;

(8) provide that all individuals wishing to make application for aid or assistance under the plan shall have opportunity to do so, and that such aid or assistance shall be furnished with reasonable promptness to all eligible individuals;

(14) provide that the State agency shall, in determining need for aid to the aged, blind, or disabled, take into consideration any other income and resources of an individual claiming such aid, as well as any expenses reasonably attributable to the earning of any such income; except that, in making such determination with respect to any individual—

(A) if such individual is blind, the State agency (i) shall disregard the first $85 per month of earned income plus one-half of earned income in excess of $85 per month, and (ii) shall, for a period not in excess of 12 months, and may, for a period not in excess of 36 months, disregard such additional amounts of other income and resources, in the case of any such individual who has a plan for achieving self-support approved by the State agency, as may be necessary for the fulfillment of such plan,

(B) if such individual is not blind but is permanently and totally disabled, (i) of the first $80 per month of earned income, the State agency may disregard not more than the first $20 thereof plus one-half of the remainder, and (ii) the State agency may, for a period not in excess of 36 months, disregard such additional amounts of other income and resources, in the case of any such individual who has a plan for achieving self-support approved by the State agency, as may be necessary for the fulfillment of such plan, but only with respect to the part or parts of such period during substantially all of which he is actually undergoing vocational rehabilitation,

(C) if such individual has attained age 65 and is neither blind nor permanently and totally disabled, of the first $80 per month of earned income the State agency may disregard not more than the first $20 thereof plus one-half of the remainder, and

(D) the State agency may, before disregarding the amounts referred to above in this paragraph (14), disregard not more than $7.50 of any income; and

(15) provide that information is requested and exchanged for purposes of income and eligibility ver-

ification in accordance with a State system which meets the requirements of section 1320b–7 of this title.

Notwithstanding paragraph (3), if on January 1, 1962, and on the date on which a State submits its plan for approval under this subchapter, the State agency which administered or supervised the administration of the plan of such State approved under subchapter X of this chapter was different from the State agency which administered or supervised the administration of the plan of such State approved under subchapter I of this chapter and the State agency which administered or supervised the administration of the plan of such State approved under subchapter XIV of this chapter, the State agency which administered or supervised the administration of such plan approved under subchapter X of this chapter may be designated to administer or supervise the administration of the portion of the State plan for aid to the aged, blind, or disabled which relates to blind individuals and a separate State agency may be established or designated to administer or supervise the administration of the rest of such plan; and in such case the part of the plan which each such agency administers, or the administration of which each such agency supervises, shall be regarded as a separate plan for purposes of this subchapter.

(b) Approval by Commissioner

The Commissioner of Social Security shall approve any plan which fulfills the conditions specified in subsection (a) of this section, except that the Commissioner shall not approve any plan which imposes, as a condition of eligibility for aid or assistance under the plan—

(1) an age requirement of more than sixty-five years; or

(2) any residence requirement which excludes any resident of the State who has resided therein five years during the nine years immediately preceding the application for such aid and has resided therein continuously for one year immediately preceding the application; or

(3) any citizenship requirement which excludes any citizen of the United States.

At the option of the State, the plan may provide that manuals and other policy issuances will be furnished to persons without charge for the reasonable cost of such materials, but such provision shall not be required by the Commissioner of Social Security as a condition for the approval of such plan under this subchapter. In the case of any State to which the provisions of section 344 of the Social Security Act Amendments of 1950 were applicable on January 1, 1962, and to which the sentence of section 1202(b) of this title following paragraph (2) thereof is applicable on the date on which its State plan for aid to the aged, blind, or disabled was submitted for approval under this subchapter, the Commissioner of Social Security shall approve the plan of such State for aid to the aged, blind, or disabled for purposes of this subchapter, even though it does not meet the requirements of paragraph (14) of subsection (a) of this section, if it meets all other requirements of this subchapter for an approved plan for aid to the aged, blind, or disabled; but payments under section 1383 of this title shall be made, in the case of any such plan, only with respect to expenditures thereunder which would be included as expenditures for the purposes of section 1383 of this title under a plan approved under this section without regard to the provisions of this sentence.

(c) Limitation on number of plans

Subject to the last sentence of subsection (a) of this section, nothing in this subchapter shall be construed to permit a State to have in effect with respect to any period more than one State plan approved under this subchapter.

§ 1382b. Resources

(a) Exclusions from resources

In determining the resources of an individual (and his eligible spouse, if any) there shall be excluded—

(1) the home (including the land that appertains thereto);

(2)(A) household goods, personal effects, and an automobile, to the extent that their total value does not exceed such amount as the Commissioner of Social Security determines to be reasonable; and

(B) the value of any burial space or agreement (including any interest accumulated thereon) representing the purchase of a burial space (subject to such limits as to size or value as the Commissioner of Social Security may by regulation prescribe) held for the purpose of providing a place for the burial of the individual, his spouse, or any other member of his immediate family;

(3) other property which is so essential to the means of self-support of such individual (and such spouse) as to warrant its exclusion, as determined in accordance with and subject to limitations prescribed by the Commissioner of Social Security, except that the Commissioner of Social Security shall not establish a limitation on property (including the tools of a tradesperson and the machinery and livestock of a farmer) that is used in a trade or business or by such individual as an employee;

(4) such resources of an individual who is blind or disabled and who has a plan for achieving self-support approved by the Commissioner of Social Security, as may be necessary for the fulfillment of such plan;

(5) in the case of Natives of Alaska, shares of stock held in a Regional or a Village Corporation, during the period of twenty years in which such stock is inalienable, as provided in section 1606(h) and section 1607(c) of title 43;

(6) assistance referred to in section 1382a(b)(11) of this title for the 9-month period beginning on the date such funds are received (or for such longer period as the Commissioner of Social Security shall by regulations prescribe in cases where good cause is shown by the individual concerned for extending such period); and, for purposes of this paragraph, the term ''assistance'' includes interest thereon which is excluded from income under section 1382a(b)(12) of this title;

(7) any amount received from the United States which is attributable to underpayments of benefits due for one or more prior months, under this subchapter or subchapter II of this chapter, to such individual (or spouse) or to any other person whose income is deemed to be included in such individual's (or spouse's) income for purposes of this subchapter; but the application of this paragraph in the case of any such individual (and eligible spouse if any), with respect to any amount so received from the United States, shall be limited to the

first 6 months following the month in which such amount is received (or to the first 9 months following such month with respect to any amount so received during the period beginning October 1, 1987, and ending September 30, 1989), and written notice of this limitation shall be given to the recipient concurrently with the payment of such amount;

(8) the value of assistance referred to in section 1382a(b)(14) of this title, paid with respect to the dwelling unit occupied by such individual (or such individual and spouse);

(9) for the 9-month period beginning after the month in which received, any amount received by such individual (or such spouse) from a fund established by a State to aid victims of crime, to the extent that such individual (or such spouse) demonstrates that such amount was paid as compensation for expenses incurred or losses suffered as a result of a crime;

(10) for the 9-month period beginning after the month in which received, relocation assistance provided by a State or local government to such individual (or such spouse), comparable to assistance provided under title II of the Uniform Relocation Assistance and Real Property Acquisitions Policies Act of 1970 which is subject to the treatment required by section 216 of such Act [42 U.S.C. 4636]; and

(11) for the month of receipt and the following month, any refund of Federal income taxes made to such individual (or such spouse) by reason of section 32 of the Internal Revenue Code of 1986 (relating to earned income tax credit), and any payment made to such individual (or such spouse) by an employer under section 3507 of such Code (relating to advance payment of earned income credit).

In determining the resources of an individual (or eligible spouse) an insurance policy shall be taken into account only to the extent of its cash surrender value; except that if the total face value of all life insurance policies on any person is $1,500 or less, no part of the value of any such policy shall be taken into account.

(b) Disposition of resources; grounds for exemption from disposition requirements

(1) The Commissioner of Social Security shall prescribe the period or periods of time within which, and the manner in which, various kinds of property must be disposed of in order not to be included in determining an individual's eligibility for benefits. Any portion of the individual's benefits paid for any such period shall be conditioned upon such disposal; and any benefits so paid shall (at the time of the disposal) be considered overpayments to the extent they would not have been paid had the disposal occurred at the beginning of the period for which such benefits were paid.

(2) Notwithstanding the provisions of paragraph (1), the Commissioner of Social Security shall not require the disposition of any real property for so long as it cannot be sold because (A) it is jointly owned (and its sale would cause undue hardship, due to loss of housing, for the other owner or owners), (B) its sale is barred by a legal impediment, or (C) as determined under regulations issued by the Commissioner of Social Security, the owner's reasonable efforts to sell it have been unsuccessful.

(c) Notification of medicaid policy restricting eligibility of institutionalized individuals for benefits based on disposal of resources for less than fair market value

(1) At the time an individual (and the individual's eligible spouse, if any) applies for benefits under this subchapter, and at the time the eligibility of an individual (and such spouse, if any) for such benefits is redetermined, the Commissioner of Social Security shall—

(A) inform such individual of the provisions of section 1396p(c) of this title providing for a period of ineligibility for benefits under subchapter XIX of this chapter for individuals who make certain dispositions of resources for less than fair market value, and inform such individual that information obtained pursuant to subparagraph (B) will be made available to the State agency administering a State plan under subchapter XIX of this chapter (as provided in paragraph (2)); and

(B) obtain from such individual information which may be used by the State agency in determining whether or not a period of ineligibility for such benefits would be required by reason of section 1396p(c) of this title if such individual (or such spouse, if any) enters a medical institution or nursing facility.

(2) The Commissioner of Social Security shall make the information obtained under paragraph (1)(B) available, on request, to any State agency administering a State plan approved under subchapter XIX of this chapter.

(d) Funds set aside for burial expenses

(1) In determining the resources of an individual, there shall be excluded an amount, not in excess of $1,500 each with respect to such individual and his spouse (if any), that is separately identifiable and has been set aside to meet the burial and related expenses of such individual or spouse.

(2) The amount of $1,500, referred to in paragraph (1), with respect to an individual shall be reduced by an amount equal to (A) the total face value of all insurance policies on his life which are owned by him or his spouse and the cash surrender value of which has been excluded in determining the resources of such individual or of such individual and his spouse, and (B) the total of any amounts in an irrevocable trust (or other irrevocable arrangement) available to meet the burial and related expenses of such individual or his spouse.

(3) If the Commissioner of Social Security finds that any part of the amount excluded under paragraph (1) was used for purposes other than those for which it was set aside in cases where the inclusion of any portion of the amount would cause the resources of such individual, or of such individual and spouse, to exceed the limits specified in paragraph (1) or (2) (whichever may be applicable) of section 1382(a) of this title, the Commissioner shall reduce any future benefits payable to the eligible individual (or to such individual and his spouse) by an amount equal to such part.

(4) The Commissioner of Social Security may provide by regulations that whenever an amount

set aside to meet burial and related expenses is excluded under paragraph (1) in determining the resources of an individual, any interest earned or accrued on such amount (and left to accumulate), and any appreciation in the value of prepaid burial arrangements for which such amount was set aside, shall also be excluded (to such extent and subject to such conditions or limitations as such regulations may prescribe) in determining the resources (and the income) of such individual.

§ 1382c. Definitions

(a)(1) For purposes of this subchapter, the term ''aged, blind, or disabled individual'' means an individual who—

(A) is 65 years of age or older, is blind (as determined under paragraph (2)), or is disabled (as determined under paragraph (3)), and

(B)(i) is a resident of the United States, and is either (I) a citizen or (II) an alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law (including any alien who is lawfully present in the United States as a result of the application of the provisions of section 1182(d)(5) of title 8), or

(ii) is a child who is a citizen of the United States, who is living with a parent of the child who is a member of the Armed Forces of the United States assigned to permanent duty ashore outside the United States, and who, for the month before the parent reported for such assignment, received a benefit under this subchapter.

(2) An individual shall be considered to be blind for purposes of this subchapter if he has central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of the first sentence of this subsection as having a central visual acuity of 20/200 or less. An individual shall also be considered to be blind for purposes of this subchapter if he is blind as defined under a State plan approved under subchapter X or XVI of this chapter as in effect for October 1972 and received aid under such plan (on the basis of blindness) for December 1973, so long as he is continuously blind as so defined.

(3)(A) An individual shall be considered to be disabled for purposes of this subchapter if he is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be ex-

pected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months (or, in the case of an individual under the age of 18, if he suffers from any medically determinable physical or mental impairment of comparable severity).

(B) For purposes of subparagraph (A), an individual shall be determined to be under a disability only if his physical or mental impairment or impairments are of such severity that he is not only unable to do his previous work but cannot, considering his age, education, and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which he lives, or whether a specific job vacancy exists for him, or whether he would be hired if he applied for work. For purposes of the preceding sentence (with respect to any individual), ''work which exists in the national economy'' means work which exists in significant numbers either in the region where such individual lives or in several regions of the country.

(C) For purposes of this paragraph, a physical or mental impairment is an impairment that results from anatomical, physiological, or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques.

(D) The Commissioner of Social Security shall by regulations prescribe the criteria for determining when services performed or earnings derived from services demonstrate an individual's ability to engage in substantial gainful activity. In determining whether an individual is able to engage in substantial gainful activity by reason of his earnings, where his disability is sufficiently severe to result in a functional limitation requiring assistance in order for him to work, there shall be excluded from such earnings an amount equal to the cost (to such individual) of any attendant care services, medical devices, equipment, prostheses, and similar items and services (not including routine drugs or routine medical services unless such drugs or services are necessary for the control of the disabling condition) which are necessary (as determined by the Commissioner of Social Security in regulations) for that purpose, whether or not such assistance is also needed to enable him to carry out his normal daily functions; except that the amounts to be excluded shall be subject to such reasonable limits as the Commissioner of Social Security may prescribe. Notwithstanding the provisions of subparagraph (B), an individual whose services or earnings meet such criteria shall be found not to be disabled. The Commissioner of Social Security shall make determinations under this subchapter with respect to substantial gainful activity, without regard to the legality of the activity.

(E) Notwithstanding the provisions of subparagraphs (A) through (D), an individual shall also be considered to be disabled for purposes of this subchapter if he is permanently and totally disabled as defined under a State plan approved under subchapter XIV or XVI of this chapter as in effect for October 1972 and received aid under such plan (on the basis of disability) for December 1973 (and for at least one month prior to July 1973), so long as he is continuously disabled as so defined.

(F) In determining whether an individual's physical or mental impairment or impairments are of a sufficient medical severity that such impairment or impairments could be the basis of eligibility under this section, the Commissioner of Social Security shall consider the combined effect of all of the individual's impairments without regard to whether any such impairment, if considered separately, would be of such severity. If the Commissioner of Social Security does find a medically severe combination of impairments, the combined impact of the impairments shall be considered throughout the disability determination process.

(G) In making determinations with respect to disability under this subchapter, the provisions of sections 421(h), 421(k), and 423(d)(5) of this title shall apply in the same manner as they apply to determinations of disability under subchapter II of this chapter.

(H) In making any determination under this subchapter with respect to the disability of an individual who has not attained the age of 18 years and to whom section 421(h) of this title does not apply, the Commissioner of Social Security shall make reasonable efforts to ensure that a qualified pediatrician or other individual who specializes in a field of medicine appropriate to the disability of the individual (as determined by the Commissioner of Social Security) evaluates the case of such individual.

(4) A recipient of benefits based on disability under this subchapter may be determined not to be entitled to such benefits on the basis of a finding that the physical or mental impairment on the basis of which such benefits are provided has ceased, does not exist, or is not disabling only if such finding is supported by—

(A) substantial evidence which demonstrates that—

(i) there has been any medical improvement in the individual's impairment or combination of impairments (other than medical improvement which is not related to the individual's ability to work), and

(ii) the individual is now able to engage in substantial gainful activity; or

(B) substantial evidence (except in the case of an individual eligible to receive benefits under section 1382h of this title) which—

(i) consists of new medical evidence and a new assessment of the individual's residual functional capacity, and demonstrates that—

(I) although the individual has not improved medically, he or she is nonetheless a beneficiary of advances in medical or vocational therapy or technology (related to the individual's ability to work), and

(II) the individual is now able to engage in substantial gainful activity, or

(ii) demonstrates that—

(I) although the individual has not improved medically, he or she has undergone vocational therapy (related to the individual's ability to work), and

(II) the individual is now able to engage in substantial gainful activity; or

(C) substantial evidence which demonstrates that, as determined on the basis of new or improved diagnostic techniques or evaluations, the individual's impairment or combination of impairments is not as disabling as it was considered to be at the time of the most recent prior decision that he or she was under a disability or continued to be under a disability, and that therefore the individual is able to engage in substantial gainful activity; or

(D) substantial evidence (which may be evidence on the record at the time any prior determination of the entitlement to benefits based on disability was made, or newly obtained evidence which relates to that determination) which demonstrates that a prior determination was in error.

Nothing in this paragraph shall be construed to require a determination that an individual receiving benefits based on disability under this subchapter is entitled to such benefits if the prior determination was fraudulently obtained or if the individual is engaged in substantial gainful activity, cannot be located, or fails, without good cause, to cooperate in a review of his or her entitlement or to follow prescribed treatment which would be expected to restore his or her ability to engage in substantial gainful activity. Any determination under this paragraph shall be made on the basis of all the evidence available in the individual's case file, including new evidence concerning the individual's prior or current condition which is presented by the individual or secured by the Commissioner of Social Security. Any determination made under this paragraph shall be made on the basis of the weight of the evidence and on a neutral basis with regard to the individual's condition, without any initial inference as to the presence or absence of disability being drawn from the fact that the individual has previously been determined to be disabled.

(b) For purposes of this subchapter, the term ''eligible spouse'' means an aged, blind, or disabled individual who is the husband or wife of another aged, blind, or disabled individual, and who, in a month, is living with such aged, blind, or disabled individual on the first day of the month or, in any case in which either spouse files an application for benefits or requests restoration of eligibility under this subchapter during the month, at the time the application or request is filed. If two aged, blind, or disabled individuals are husband and wife as described in the preceding sentence, only one of them may be an ''eligible individual'' within the meaning of section 1382(a) of this title.

(c) For purposes of this subchapter, the term ''child'' means an individual who is neither married nor (as determined by the Commissioner of Social Security) the head of a household, and who is (1) under the age of eighteen, or (2) under the age of twenty-two and (as determined by the Commissioner of Social Security) a student regularly attending a school, college, or university, or a course of vocational or technical training designed to prepare him for gainful employment.

(d) In determining whether two individuals are husband and wife for purposes of this subchapter, appropriate State law shall be applied; except that—

(1) if a man and woman have been determined to be husband and wife under section 416(h)(1) of this title for purposes of subchapter II of this chapter they shall be considered (from and after the date of such determination or the date of their application for benefits under this subchapter, whichever is later) to be husband and wife for purposes of this subchapter, or

(2) if a man and woman are found to be holding themselves out to the community in which they reside as husband and wife, they shall be so considered for purposes of this subchapter notwithstanding any other provision of this section.

(e) For purposes of this subchapter, the term ''United States'', when used in a geographical sense, means the 50 States and the District of Columbia.

(f)(1) For purposes of determining eligibility for and the amount of benefits for any individual who is married and whose spouse is living with him in the same household but is not an eligible spouse, such individual's income and resources shall be deemed to include any income and resources of such spouse, whether or not available to such individual, except to the extent determined by the Commissioner of Social Security to be inequitable under the circumstances.

(2)(A) For purposes of determining eligibility for and the amount of benefits for any individual who is a child under age 18, such individual's income and resources shall be deemed to include any income and resources of a parent of such individual (or the spouse of such a parent) who is living in the same household as such individual, whether or not available to such individual, except to the extent determined by the Commissioner of Social Security to be inequitable under the circumstances.

(B) Subparagraph (A) shall not apply in the case of any child who has not attained the age of 18 years who—

(i) is disabled;

(ii) received benefits under this subchapter, pursuant to section 1382(e)(1)(B) of this title, while in an institution described in section 1382(e)(1)(B) of this title;

(iii) is eligible for medical assistance under a State home care plan approved by the Secretary under the provisions of section 1396n(c) of this title relating to waivers, or authorized under section 1396a(e)(3) of this title; and

(iv) but for this subparagraph, would not be eligible for benefits under this subchapter.

(3) For purposes of determining eligibility for and the amount of benefits for any individual who is an alien, such individual's income and resources shall be deemed to include the income and resources of his sponsor and such sponsor's spouse (if such alien has a sponsor) as provided in section 1382j of this title. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(4) For purposes of paragraphs (1) and (2), a spouse or parent (or spouse of such a parent) who is absent from the household in which the individual lives due solely to a duty assignment as a member of the Armed Forces on active duty

shall, in the absence of evidence to the contrary, be deemed to be living in the same household as the individual.

(2) such other rules with respect to eligibility for or amount of the supplementary payments, and such procedural or other general administrative provisions, as the Commissioner of Social Security finds necessary (subject to subsection (c) of this section) to achieve efficient and effective administration of both the program which the Commissioner conducts under this subchapter and the optional State supplementation.

At the option of the State (but subject to paragraph (2) of this subsection), the agreement between the Commissioner of Social Security and such State entered into under subsection (a) of this section shall be modified to provide that the Commissioner of Social Security will make supplementary payments, on and after an effective date to be specified in the agreement as so modified, to individuals receiving benefits determined under section 1382(e)(1)(B) of this title.

(c) Residence requirement by State or subdivision for supplementary payments; disregarding amounts of certain income by State or subdivision in determining eligibility for supplementary payments

(1) Any State (or political subdivision) making supplementary payments described in subsection (a) of this section may at its option impose as a condition of eligibility for such payments, and include in the State's agreement with the Commissioner of Social Security under such subsection, a residence requirement which excludes individuals who have resided in the State (or political subdivision) for less than a minimum period prior to application for such payments.

(2) Any State (or political subdivision), in determining the eligibility of any individual for supplementary payments described in subsection (a) of this section, may disregard amounts of earned and unearned income in addition to other amounts which it is required or permitted to disregard under this section in determining such eligibility, and shall include a provision specifying the amount of any such income that will be disregarded, if any.

(3) Any State (or political subdivision) making supplementary payments described in subsection (a) of this section shall have the option of making such payments to individuals who receive benefits under this subchapter under the provisions of section 1382h of this title, or who would be eligible to receive such benefits but for their income.

(d) Payment to Commissioner by State of amount equal to expenditures by Commissioner as supplementary payments; time and manner of payment by State; fees for Federal administration of State supplementary payments

(1) Any State which has entered into an agreement with the Commissioner of Social Security under this section which provides that the Commissioner of Social Security will, on behalf of the State (or political subdivision), make the supplementary payments to individuals who are receiving benefits under this subchapter (or who would but for their income be eligible to receive such benefits), shall, at such times and in such installments as may be agreed upon between the Commissioner of Social Security and such State, pay to the Commissioner of Social Security an amount equal to the expenditures made by the Commissioner of Social Security as such supplementary payments, plus an administration fee assessed in accordance with paragraph (2) and any additional services fee charged in accordance with paragraph (3).

(2)(A) The Commissioner of Social Security shall assess each State an administration fee in an amount equal to—

(i) the number of supplementary payments made by the Commissioner of Social Security on behalf of the State under this section for any month in a fiscal year; multiplied by

(B) As used in subparagraph (A), the term ''applicable rate'' means—

(i) for fiscal year 1994, $1.67;

(ii) for fiscal year 1995, $3.33;

(iv) for fiscal year 1997 and each succeeding fiscal year, $5.00, or such different rate as the Commissioner of Social Security determines is appropriate for the State.

(C) Upon making a determination under subparagraph (B)(iv), the Commissioner of Social Security shall promulgate the determination in regulations, which may take into account the complexity of administering the State's supplementary payment program.

(D) All fees assessed pursuant to this paragraph shall be transferred to the Commissioner of Social Security at the same time that amounts for such supplementary payments are required to be so transferred.

(3)(A) The Commissioner of Social Security may charge a State an additional services fee if, at the request of the State, the Commissioner of Social Security provides additional services beyond the level customarily provided, in the administration of State supplementary payments pursuant to this section.

(B) The additional services fee shall be in an amount that the Commissioner of Social Security determines is necessary to cover all costs (including indirect costs) incurred by the Federal Government in furnishing the additional services referred to in subparagraph (A).

(4) All administration fees and additional services fees collected pursuant to this subsection shall be deposited in the general fund of the Treasury of the United States as miscellaneous receipts.

(e) State standards; establishment; annual public review; annual certification; payments to individuals

(1) Each State shall establish or designate one or more State or local authorities which shall establish, maintain, and insure the enforcement of standards for any category of institutions, foster homes, or group living arrangements in which (as determined by the State) a significant number of recipients of supplemental security income benefits is residing or is likely to reside. Such standards shall be appropriate to the needs of such recipients and the character of the facilities involved, and shall govern such matters as admission policies, safety, sanitation, and protection of civil rights.

(2) Each State shall annually make available for public review a summary of the standards established pursuant to paragraph (1), and shall make available to any interested individual a copy of such standards, along with the procedures available in the State to insure the enforcement of such standards and a list of any waivers of such standards and any violations of such standards which have come to the attention of the authority responsible for their enforcement.

(3) Each State shall certify annually to the Commissioner of Social Security that it is in compliance with the requirements of this subsection.

(4) Payments made under this subchapter with respect to an individual shall be reduced by an amount equal to the amount of any supplementary payment (as described in subsection (a) of this section) or other payment made by a State (or political subdivision thereof) which is made for or on account of any medical or any other type of remedical care provided by an institution of the type described in paragraph (1) to such individual as a resident or an inpatient of such institution if such institution is not approved as meeting the standards described in such paragraph by the appropriate State or local authorities.

Section 401 of Pub. L. 92–603, as amended by Pub. L. 93–233, §18(h), Dec. 31, 1973, 87 Stat. 969; Pub. L. 94–566, title V, §504(a), Oct. 20, 1976, 90 Stat. 2686; Pub. L. 94–585 §2(b), Oct. 21, 1976, 90 Stat. 2902; Pub. L. 97–248, title I, §184(a), Sept. 3, 1982, 96 Stat. 406, provided that:

''(a)(1) The amount payable to the Secretary by a State for any fiscal year, other than fiscal year 1974, pursuant to its agreement or agreements under section 1616 of the Social Security Act [this section] shall not exceed the non-Federal share of expenditures as aid or assistance for quarters in the calendar year 1972 under the plans of the State approved under titles I, X, XIV, and XVI of the Social Security Act [subchapters I, X, XIV, and XVI of this chapter] (as defined in subsection (c) of this section), and the amount payable for fiscal year 1974 pursuant to such agreement or agreements shall not exceed one-half of the non-Federal share of such expenditures.

''(2) Paragraph (1) of this subsection shall only apply with respect to that portion of the supplementary payments made by the Secretary on behalf of the State under such agreements in any fiscal year which does not exceed in the case of any individual the difference between—

''(A) the adjusted payment level under the appropriate approved plan of such State as in effect for January 1972 (as defined in subsection (b) of this section), and

''(B) the benefits under title XVI of the Social Security Act [this subchapter] (subject to the second sentence of this paragraph), plus income not excluded under section 1612(b) of such Act [section 1382a(b) of this title] in determining such benefits, paid to such individual in such fiscal year,

and shall not apply with respect to supplementary payments to any individual who (i) is not required by section 1616 of such Act [this section] to be included in any such agreement administered by the Secretary and (ii) would have been ineligible (for reasons other than income) for payments under the appropriate approved State plan as in effect for January 1972. In determining the difference between the level specified in subparagraph (A) and the benefits and income described in subparagraph (B) there shall be excluded any part of any such benefit which results from (and would not be payable but for) any cost-of-living increase in such benefits under section 1617 of such Act [section 1382f of this title] (or any general increase enacted by law in the dollar amounts referred to in such section) becoming effective after June 30, 1977.

''(b)(1) For purposes of subsection (a), the term 'adjusted payment level under the appropriate approved plan of a State as in effect for January 1972' means the amount of the money payment which an individual with no other income would have received under the plan of such State approved under title I, X, XIV, or XVI of the Social Security Act [subchapters I, X, XIV, or XVI of this chapter], as may be appropriate, and in effect for January 1972; except that the State may, at its option, increase such payment level with respect to any such plan by an amount which does not exceed the sum of—

''(A) a payment level modification (as defined in paragraph (2) of this subsection) with respect to such plan, and

''(B) the bonus value of food stamps in such State for January 1972 (as defined in paragraph (3) of this subsection).

''(2) For purposes of paragraph (1), the term 'payment level modification' with respect to any State plan means that amount by which a State which for January 1972 made money payments under such plan to individuals with no other income which were less than 100 per centum of its standard of need could have increased such money payments without increasing (if it reduced its standard of need under such plan so that such increased money payments equaled 100 per centum of such standard of need) the non-Federal share of expenditures as aid or assistance for quarters in calendar year 1972 under the plans of such State approved under titles I, X, XIV, and XVI of the Social Security Act [subchapters I, X, XIV, and XVI of this chapter].

''(3) For purposes of paragraph (1), the term 'bonus value of food stamps in a State for January 1972' (with respect to an individual) means—

''(A) the face value of the coupon allotment which would have been provided to such an individual under the Food Stamp Act of 1964 [section 2011 et seq. of Title 7, Agriculture] for January 1972, reduced by

''(B) the charge which such an individual would have paid for such coupon allotment,

if the income of such individual, for purposes of determining the charge it would have paid for its coupon allotment, had been equal to the adjusted payment level under the State plan (including any payment level modification with respect to the plan adopted pursuant to paragraph (2) (but not including any amount under this paragraph)). The total face value of food stamps and the cost thereof in January 1972 shall be determined in accordance with rules prescribed by the Secretary of Agriculture in effect in such month.

''(c) For purposes of this section, the term 'non-Federal share of expenditures as aid or assistance for quarters in the calendar year 1972 under the plans of a State approved under titles I, X, XIV, and XVI of the Social Security Act' [subchapters I, X, XIV, and XVI of this chapter] means the difference between—

''(1) the total expenditures in such quarters under such plans for aid or assistance (excluding expenditures authorized under section 1119 of such Act [section 1319 of this title] for repairing the home of an individual who was receiving aid or assistance under one of such plans (as such section was in effect prior to the enactment of this Act)), and

''(2) the total of the amounts determined under sections 3, 1003, 1403, and 1603 of the Social Security Act [sections 303, 1203, 1353, and 1383 note of this title], under section 1118 of such Act [section 1318 of this title], and under section 9 of the Act of April 19, 1950 [section 639 of Title 25, Indians], for such State with respect to such expenditures in such quarters.

''(d) In addition to the amount which a State must pay to the Secretary for the fiscal year 1983 or the fiscal year 1984, as determined under subsection (a), the State shall also pay, for the fiscal year 1983, 60 percent of the further amount that would be payable but for the limit specified in subsection (a), and, for the fiscal year 1984, 80 percent of such further amount. For each fiscal year thereafter, the limit prescribed in subsection (a) shall be inapplicable and a State shall pay to the Secretary the full amount of any supplementary payments he makes on behalf of such State.''

§ 1382g. Payments to State for operation of supplementation program

(a) Eligibility; agreement with Commissioner

In order for any State which makes supplementary payments of the type described in section 1382e(a) of this title (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93–66), on or after June 30, 1977, to be eligible for payments pursuant to subchapter XIX of this chapter with respect to expenditures for any calendar quarter which begins—

(1) after June 30, 1977, or, if later,

(2) after the calendar quarter in which it first makes such supplementary payments,

such State must have in effect an agreement with the Commissioner of Social Security whereby the State will—

(3) continue to make such supplementary payments, and

(4) maintain such supplementary payments at levels which are not lower than the levels of such payments in effect in December 1976, or, if no such payments were made in that month, the levels for the first subsequent month in which such payments were made.

(b) Levels of supplementary payments

(1) The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by paragraph (4) of subsection (a) of this section with respect to the levels of its supplementary payments for a particular month or months if the State's expenditures for such payments in the twelve-month period (within which such month or months fall) beginning on the effective date of any increase in the level of supplemental security income benefits pursuant to section 1382f of this title are not less than its expenditures for such payments in the preceding twelve-month period.

(2) For purposes of determining under paragraph (1) whether a State's expenditures for supplementary payments in the 12-month period beginning on the effective date of any increase in the level of supplemental security income benefits are not less than the State's expenditures for such payments in the preceding 12-month period, the Commissioner of Social Security, in computing the State's expenditures, shall disregard, pursuant to a 1-time election of the State, all expenditures by the State for retroactive supplementary payments that are required to be made in connection with the retroactive supplemental security income benefits referred to in section 5041 of the Omnibus Budget Reconciliation Act of 1990.

(c) Election to apply subsection (a)(4)

Any State which satisfies the requirements of this section solely by reason of subsection (b) of this section for a particular month or months in any 12-month period (described in such subsection) ending on or after June 30, 1982, may elect, with respect to any month in any subsequent 12-month period (so described), to apply subsection (a)(4) of this section as though the reference to December 1976 in such subsection were a reference to the month of December which occurred in the 12-month period immediately preceding such subsequent period.

(d) Determinations respecting any portion of period July 1, 1980, through June 30, 1981

The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by paragraph (4) of subsection (a) of this section with respect to the levels of its supplementary payments for any portion of the period July 1, 1980, through June 30, 1981, if the State's expenditures for such payments in that twelve-month period were not less than its expenditures for such payments for the period July 1, 1976, through June 30, 1977 (or, if the State made no supplementary payments in the period July 1, 1976, through June 30, 1977, the expenditures for the first twelve-month period extending from July 1 through June 30 in which the State made such payments).

(e) Meeting subsection (a)(4) requirements for any month after March 1983

(1) For any particular month after March 1983, a State which is not treated as meeting the re-

quirements imposed by paragraph (4) of subsection (a) of this section by reason of subsection (b) of this section shall be treated as meeting such requirements if and only if—

(A) the combined level of its supplementary payments (to recipients of the type involved) and the amounts payable (to or on behalf of such recipients) under section 1382(b) of this title and section 211(a)(1)(A) of Public Law 93–66, for that particular month,

is not less than—

(B) the combined level of its supplementary payments (to recipients of the type involved) and the amounts payable (to or on behalf of such recipients) under section 1382(b) of this title and section 211(a)(1)(A) of Public Law 93–66, for March 1983, increased by the amount of all cost-of-living adjustments under section 1382f of this title (and any other benefit increases under this subchapter) which have occurred after March 1983 and before that particular month.

(2) In determining the amount of any increase in the combined level involved under paragraph (1)(B) of this subsection, any portion of such amount which would otherwise be attributable to the increase under section 1382f(c) of this title shall be deemed instead to be equal to the amount of the cost-of-living adjustment which would have occurred in July 1983 (without regard to the 3-percent limitation contained in section 415(i)(1)(B) of this title) if section 111 of the Social Security Amendments of 1983 had not been enacted.

(f) Passthrough relating to optional State supplementation

The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by subsection (a) of this section with respect to the levels of its supplementary payments for the period January 1, 1984, through December 31, 1985, if in the period January 1, 1986, through December 31, 1986, its supplementary payment levels (other than to recipients of benefits determined under section 1382(e)(1)(B) of this title) are not less than those in effect in December 1976, increased by a percentage equal to the percentage by which payments under section 1382(b) of this title and section 211(a)(1)(A) of Public Law 93–66 have been increased as a result of all adjustments under section 1382f(a) and (c) of this title which have occurred after December 1976 and before February 1986.

(g) Mandatory pass-through of increased personal needs allowance

In order for any State which makes supplementary payments of the type described in section 1382e(a) of this title (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93–66) to recipients of benefits determined under section 1382(e)(1)(B) of this title, on or after October 1, 1987, to be eligible for payments pursuant to subchapter XIX of this chapter with respect to any calendar quarter which begins—

(1) after October 1, 1987, or, if later

(2) after the calendar quarter in which it first makes such supplementary payments to recipients of benefits so determined,

such State must have in effect an agreement with the Commissioner of Social Security whereby the State will—

(3) continue to make such supplementary payments to recipients of benefits so determined, and

(4) maintain such supplementary payments to recipients of benefits so determined at levels which assure (with respect to any particular month beginning with July 1988) that—

(A) the combined level of such supplementary payments and the amounts payable to or on behalf of such recipients under section 1382(e)(1)(B) of this title for that particular month,

is not less than—

(B) the combined level of such supplementary payments and the amounts payable to or on behalf of such recipients under section 1382(e)(1)(B) of this title for October 1987 (or, if no such supplementary payments were made for that month, the combined level for the first subsequent month for which such payments were made), increased—

(i) in a case to which clause (i) of such section 1382(e)(1)(B) of this title applies or (with respect to the individual or spouse who is in the hospital, home, or facility involved) to which clause (ii) of such section applies, by $5, and

(ii) in a case to which clause (iii) of such section 1382(e)(1)(B) of this title applies, by $10.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1396v of this title.

§ 1382h. Benefits for individuals who perform substantial gainful activity despite severe medical impairment

(a) Eligible individuals

(1) Except as provided in section 1383(j) of this title, any individual who was determined to be an eligible individual (or eligible spouse) by reason of being under a disability and was eligible to receive benefits under section 1382 of this title (or a federally administered State supplementary payment) for a month and whose earnings in a subsequent month exceed the amount designated by the Commissioner of Social Security ordinarily to represent substantial gainful activity shall qualify for a monthly benefit under this subsection for such subsequent month (which shall be in lieu of any benefit under section 1382 of this title) equal to an amount determined under section 1382(b)(1) of this title (or, in the case of an individual who has an eligible spouse, under section 1382(b)(2) of this title), and for purposes of subchapter XIX of this chapter shall be considered to be receiving supplemental security income benefits under this subchapter, for so long as—

(A) such individual continues to have the disabling physical or mental impairment on the basis of which such individual was found to be under a disability; and

(B) the income of such individual, other than income excluded pursuant to section 1382a(b) of this title, is not equal to or in excess of the amount which would cause him to be ineligible for payments under section 1382 of this title and such individual meets all other non-disability-related requirements for eligibility for benefits under this subchapter.

(2) The Commissioner of Social Security shall make a determination under paragraph (1)(A) with respect to an individual not later than 12 months after the first month for which the individual qualifies for a benefit under this subsection.

(b) Blind or disabled individuals receiving supplemental security income benefits

(1) Except as provided in section 1383(j) of this title, for purposes of subchapter XIX of this chapter, any individual who was determined to be a blind or disabled individual eligible to receive a benefit under section 1382 of this title or any federally administered State supplementary payment for a month and who in a subsequent month is ineligible for benefits under this subchapter (and for any federally administered State supplementary payments) because of his or her income shall, nevertheless, be considered to be receiving supplemental security income benefits for such subsequent month provided that the Commissioner of Social Security determines under regulations that—

(A) such individual continues to be blind or continues to have the disabling physical or mental impairment on the basis of which he was found to be under a disability and, except for his earnings, meets all non-disability-related requirements for eligibility for benefits under this subchapter;

(B) the income of such individual would not, except for his earnings and increases pursuant to section 415(i) of this title in the level of monthly insurance benefits to which the individual is entitled under subchapter II of this chapter that occur while such individual is considered to be receiving supplemental security income benefits by reason of this subsection, be equal to or in excess of the amount which would cause him to be ineligible for payments under section 1382(b) of this title (if he were otherwise eligible for such payments);

(C) the termination of eligibility for benefits under subchapter XIX of this chapter would seriously inhibit his ability to continue his employment; and

(D) such individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the benefits under this subchapter (including any federally administered State supplementary payments), benefits under subchapter XIX of this chapter, and publicly funded attendant care services (including personal care assistance), which would be available to him in the absence of such earnings.

(2)(A) Determinations made under paragraph (1)(D) shall be based on information and data updated no less frequently than annually.

(B) In determining an individual's earnings for purposes of paragraph (1)(D), there shall be excluded from such earnings an amount equal to the sum of any amounts which are or would be excluded under clauses (ii) and (iv) of section 1382a(b)(4)(B) of this title (or under clauses (ii) and (iii) of section 1382a(b)(4)(A) of this title) in determining his or her income.

(c) Continuing disability or blindness reviews; limitation

Subsection (a)(2) of this section and section 1383(j)(2)(A) of this title shall not be construed, singly or jointly, to require more than 1 determination during any 12-month period with respect to the continuing disability or blindness of an individual.

(d) Information and training programs

The Commissioner of Social Security and the Secretary of Education shall jointly develop and disseminate information, and establish training programs for staff personnel, with respect to the potential availability of benefits and services for disabled individuals under the provisions of this section. The Commissioner of Social Security shall provide such information to individuals who are applicants for and recipients of benefits based on disability under this subchapter and shall conduct such programs for the staffs of the district offices of the Social Security Administration. The Secretary of Education shall conduct such programs for the staffs of the State Vocational Rehabilitation agencies, and in cooperation with such agencies shall also provide such information to other appropriate individuals and to public and private organizations and agencies which are concerned with rehabilitation and social services or which represent the disabled.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1382, 1382c, 1382d, 1382e, 1382i, 1383, 1396a, 1396d, 1396v of this title; title 29 section 1583.

§ 1382i. Medical and social services for certain handicapped persons

(a) Authorization of appropriations for pilot program

There are authorized to be appropriated such sums as may be necessary to establish and carry out a 3-year Federal-State pilot program to provide medical and social services for certain handicapped individuals in accordance with this section.

(b) State allotments

(1) The total sum of $18,000,000 shall be allotted to the States for such program by the Commissioner of Social Security, during the period beginning September 1, 1981, and ending September 30, 1984, as follows:

(A) The total sum of $6,000,000 shall be allotted to the States for the fiscal year ending September 30, 1982 (which for purposes of this section shall include the month of September 1981).

(B) The total sum of $6,000,000, plus any amount remaining available (after the application of paragraph (4)) from the allotment made under subparagraph (A), shall be allotted to the States for the fiscal year ending September 30, 1983.

(C) The total sum of $6,000,000, plus any amount remaining available (after the application of paragraph (4)) from the allotments made under subparagraphs (A) and (B), shall be allotted to the States for the fiscal year ending September 30, 1984.

(2) The allotment to each State from the total sum allotted under paragraph (1) for any fiscal year shall bear the same ratio to such total sum as the number of individuals in such State who are over age 17 and under age 65 and are receiving supplemental security income benefits as disabled individuals in such year (as determined by the Commissioner of Social Security on the basis of the most recent data available) bears to the total number of such individuals in all the States. For purposes of the preceding sentence, the term ''supplemental security income benefits'' includes payments made pursuant to an agreement under section 1382e(a) of this title or under section 212(b) of Public Law 93–66.

(3) At the beginning of each fiscal year in which the pilot program under this section is in

effect, each State that does not intend to use the allotment to which it is entitled for such year (or any allotment which was made to it for a prior fiscal year), or that does not intend to use the full amount of any such allotment, shall certify to the Commissioner of Social Security the amount of such allotment which it does not intend to use, and the State's allotment for the fiscal year (or years) involved shall thereupon be reduced by the amount so certified.

(4) The portion of the total amount available for allotment for any particular fiscal year under paragraph (1) which is not allotted to States for that year by reason of paragraph (3) (plus the amount of any reductions made at the beginning of such year in the allotments of States for prior fiscal years under paragraph (3)) shall be reallocated in such manner as the Commissioner of Social Security may determine to be appropriate to States which need, and will use, additional assistance in providing services to severely handicapped individuals in that particular year under their approved plans. Any amount reallocated to a State under this paragraph for use in a particular fiscal year shall be treated for purposes of this section as increasing such State's allotment for that year by an equivalent amount.

(c) Requisite features of State plans

In order to participate in the pilot program and be eligible to receive payments for any period under subsection (d) of this section, a State (during such period) must have a plan, approved by the Commissioner of Social Security as meeting the requirements of this section, which provides medical and social services for severely handicapped individuals whose earnings are above the level which ordinarily demonstrates an ability to engage in substantial gainful activity and who are not receiving benefits under section 1382 or 1382h of this title or assistance under a State plan approved under section 1396a of this title, and which—

(1) declares the intent of the State to participate in the pilot program;

(2) designates an appropriate State agency to administer or supervise the administration of the program in the State;

(3) describes the criteria to be applied by the State in determining the eligibility of any individual for assistance under the plan and in any event requires a determination by the State agency to the effect that (A) such individual's ability to continue his employment would be significantly inhibited without such assistance and (B) such individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the cash and other benefits that would be available to him under this subchapter and subchapters XIX and XX of this chapter in the absence of those earnings;

(4) describes the process by which the eligibility of individuals for such assistance is to be determined (and such process may not involve the performance of functions by any State agency or entity which is engaged in making determinations of disability for purposes of disability insurance or supplemental security income benefits except when the use of a different agency or entity to perform those functions would not be feasible);

(5) describes the medical and social services to be provided under the plan;

(6) describes the manner in which the medical and social services involved are to be provided and, if they are not to be provided through the State's medical assistance and social services programs under subchapters XIX and XX of this chapter (with the Federal payments being made under subsection (d) of this section rather than under those subchapters), specifies the particular mechanisms and procedures to be used in providing such services; and

(7) contains such other provisions as the Commissioner of Social Security may find to be necessary or appropriate to meet the requirements of this section or otherwise carry out its purpose.

(d) Payments to States; computation of payments

(1) From its allotment under subsection (b) of this section for any fiscal year (and any amounts remaining available from allotments made to it for prior fiscal years), the Commissioner of Social Security shall from time to time pay to each State which has a plan approved under subsection (c) of this section an amount equal to 75 per centum of the total sum expended under such plan (including the cost of administration of such plan) in providing medical and social services to severely handicapped individuals who are eligible for such services under the plan.

(2) The method of computing and making payments under this section shall be as follows:

(A) The Commissioner of Social Security shall, prior to each period for which a payment is to be made to a State, estimate the amount to be paid to the State for such period under the provisions of this section.

(B) From the allotment available therefor, the Commissioner of Social Security shall pay the amount so estimated, reduced or increased, as the case may be, by any sum (not previously adjusted under this subsection) by which the Commissioner finds that the Commissioner's estimate of the amount to be paid the State for any prior period under this section was greater or less than the amount which should have been paid to the State for such period under this section.

(e) Rules and regulations

Within nine months after June 9, 1980, the Commissioner of Social Security shall prescribe and publish such regulations as may be necessary or appropriate to carry out the pilot program and otherwise implement this section.

(f) Reports

Each State participating in the pilot program under this section shall from time to time report to the Commissioner of Social Security on the operation and results of such program in that State, with particular emphasis upon the work incentive effects of the program. On or before October 1, 1983, the Commissioner of Social Security shall submit to the Congress a report on the program, incorporating the information contained in the State reports along with the Commissioner's findings and recommendations.

§ 1382j. Attribution of sponsor's income and resources to aliens

(a) Attribution as unearned income

For purposes of determining eligibility for and the amount of benefits under this subchapter for an individual who is an alien, the income and resources of any person who (as a sponsor of such individual's entry into the United States) executed an affidavit of support or similar agreement with respect to such individual, and the income and resources of the sponsor's spouse, shall be deemed to be the income and resources of such individual (in accordance with subsections (b) and (c) of this section) for a period of 5 years after the individual's entry into the United States. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(b) Determination of amount and resources

(1) The amount of income of a sponsor (and his spouse) which shall be deemed to be the unearned income of an alien for any year shall be determined as follows:

(A) The total yearly rate of earned and unearned income (as determined under section 1382a(a) of this title) of such sponsor and such sponsor's spouse (if such spouse is living with the sponsor) shall be determined for such year.

(B) The amount determined under subparagraph (A) shall be reduced by an amount equal to (i) the maximum amount of the Federal benefit under this subchapter for such year which would be payable to an eligible individual who has no other income and who does not have an eligible spouse (as determined under section 1382(b)(1) of this title), plus (ii) one-half of the amount determined under clause (i) multiplied by the number of individuals who are dependents of such sponsor (or such sponsor's spouse if such spouse is living with the sponsor), other than such alien and such alien's spouse.

(C) The amount of income which shall be deemed to be unearned income of such alien shall be at a yearly rate equal to the amount determined under subparagraph (B). The period for determination of such amount shall be the same as the period for determination of benefits under section 1382(c) of this title.

(2) The amount of resources of a sponsor (and his spouse) which shall be deemed to be the resources of an alien for any year shall be determined as follows:

(A) The total amount of the resources (as determined under section 1382b of this title) of such sponsor and such sponsor's spouse (if such spouse is living with the sponsor) shall be determined.

(B) The amount determined under subparagraph (A) shall be reduced by an amount equal to (i) the applicable amount determined under section 1382(a)(3)(B) of this title in the case of a sponsor who has no spouse with whom he is living, or (ii) the applicable amount determined under section 1382(a)(3)(A) of this title in the case of a sponsor who has a spouse with whom he is living.

(C) The resources of such sponsor (and spouse) as determined under subparagraphs (A) and (B) shall be deemed to be resources of such alien in addition to any resources of such alien.

(c) Support and maintenance

In determining the amount of income of an alien during the period of 5 years after such alien's entry into the United States, the reduction in dollar amounts otherwise required under section 1382a(a)(2)(A)(i) of this title shall not be applicable if such alien is living in the household of a person who is a sponsor (or such sponsor's spouse) of such alien, and is receiving support and maintenance in kind from such sponsor (or spouse), nor shall support or maintenance furnished in cash or kind to an alien by such alien's sponsor (to the extent that it reflects income or resources which were taken into account in determining the amount of income and resources to be deemed to the alien under subsection (a) or (b) of this section) be considered to be income of such alien under section 1382a(a)(2)(A) of this title.

(d) Information and documentation; agreements with Secretary of State and Attorney General

(1) Any individual who is an alien shall, during the period of 5 years after entry into the United States, in order to be an eligible individual or eligible spouse for purposes of this subchapter, be required to provide to the Commissioner of Social Security such information and documentation with respect to his sponsor as may be necessary in order for the Commissioner of Social Security to make any determination required under this section, and to obtain any cooperation from such sponsor necessary for any such determination. Such alien shall also be re-

quired to provide to the Commissioner of Social Security such information and documentation as the Commissioner of Social Security may request and which such alien or his sponsor provided in support of such alien's immigration application.

(2) The Commissioner of Social Security shall enter into agreements with the Secretary of State and the Attorney General whereby any information available to such persons and required in order to make any determination under this section will be provided by such persons to the Commissioner of Social Security, and whereby such persons shall inform any sponsor of an alien, at the time such sponsor executes an affidavit of support or similar agreement, of the requirements imposed by this section.

(e) Joint and several liability of alien and sponsor for overpayments

Any sponsor of an alien, and such alien, shall be jointly and severally liable for an amount equal to any overpayment made to such alien during the period of 5 years after such alien's entry into the United States, on account of such sponsor's failure to provide correct information under the provisions of this section, except where such sponsor was without fault, or where good cause for such failure existed. Any such overpayment which is not repaid to the Commissioner of Social Security or recovered in accordance with section 1383(b) of this title shall be withheld from any subsequent payment to which such alien or such sponsor is entitled under any provision of this chapter.

(f) Exemptions

(1) The provisions of this section shall not apply with respect to any individual who is an ''aged, blind, or disabled individual'' for purposes of this subchapter by reason of blindness (as determined under section 1382c(a)(2) of this title) or disability (as determined under section 1382c(a)(3) of this title), from and after the onset of the impairment, if such blindness or disability commenced after the date of such individual's admission into the United States for permanent residence.

(2) The provisions of this section shall not apply with respect to any alien who is—

PART B—PROCEDURAL AND GENERAL PROVISIONS

§ 1383. Procedure for payment of benefits

(a) Time, manner, form, and duration of payments; representative payees; promulgation of regulations

(1) Benefits under this subchapter shall be paid at such time or times and in such installments as will best effectuate the purposes of this subchapter, as determined under regulations (and may in any case be paid less frequently than monthly where the amount of the monthly benefit would not exceed $10).

(2)(A)(i) Payments of the benefit of any individual may be made to any such individual or to the eligible spouse (if any) of such individual or partly to each.

(ii)(I) Upon a determination by the Commissioner of Social Security that the interest of such individual would be served thereby, such payments shall be made, regardless of the legal competency or incompetency of the individual or eligible spouse, to another individual, or an organization, with respect to whom the requirements of subparagraph (B) have been met (in this paragraph referred to as such individual's ''representative payee'') for the use and benefit of the individual or eligible spouse.

(II) In the case of an individual eligible for benefits under this subchapter by reason of disability, if alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled, the payment of such benefits to a representative payee shall be deemed to serve the interest of the individual under this subchapter. In any case in which such payment is so deemed under this subclause to serve the interest of an individual, the Commissioner of Social Security shall include, in the individual's notification of such eligibility, a notice that alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled and that the Commissioner of Social Security is therefore required to pay the individual's benefits to a representative payee.

(iii) If the Commissioner of Social Security or a court of competent jurisdiction determines that the representative payee of an individual or eligible spouse has misused any benefits which have been paid to the representative payee pursuant to clause (ii) or section 405(j)(1) of this title, the Commissioner of Social Security shall promptly terminate payment of benefits to the representative payee pursuant to this subparagraph, and provide for payment of benefits to an alternative representative payee of the individual or eligible spouse or, if the interest of the individual under this subchapter would be served thereby, to the individual or eligible spouse.

(B)(i) Any determination made under subparagraph (A) for payment of benefits to the representative payee of an individual or eligible spouse shall be made on the basis of—

(I) an investigation by the Commissioner of Social Security of the person to serve as representative payee, which shall be conducted in advance of such payment, and shall, to the extent practicable, include a face-to-face interview with such person; and

(II) adequate evidence that such payment is in the interest of the individual or eligible spouse (as determined by the Commissioner of Social Security in regulations).

(ii) As part of the investigation referred to in clause (i)(I), the Commissioner of Social Security shall—

(I) require the person being investigated to submit documented proof of the identity of such person, unless information establishing such identity was submitted with an application for benefits under subchapter II of this chapter or this subchapter;

(II) verify the social security account number (or employer identification number) of such person;

(III) determine whether such person has been convicted of a violation of section 408 or 1383a of this title; and

(IV) determine whether payment of benefits to such person has been terminated pursuant to subparagraph (A)(iii), and whether certification of payment of benefits to such person has been revoked pursuant to section 405(j) of this title, by reason of misuse of funds paid as benefits under subchapter II of this chapter or this subchapter.

(iii) Benefits of an individual may not be paid to any other person pursuant to subparagraph (A)(ii) if—

(I) such person has previously been convicted as described in clause (ii)(III);

(II) except as provided in clause (iv), payment of benefits to such person pursuant to subparagraph (A)(ii) has previously been terminated as described in clause (ii)(IV), or certification of payment of benefits to such person under section 405(j) of this title has previously been revoked as described in section 405(j)(2)(B)(i)(IV) of this title; or

(III) except as provided in clause (v), such person is a creditor of such individual who provides such individual with goods or services for consideration.

(iv) The Commissioner of Social Security shall prescribe regulations under which the Commissioner of Social Security may grant an exemption from clause (iii)(II) to any person on a case-by-case basis if such exemption would be in the best interest of the individual or eligible spouse whose benefits under this subchapter would be paid to such person pursuant to subparagraph (A)(ii).

(v) Clause (iii)(III) shall not apply with respect to any person who is a creditor referred to therein if such creditor is—

(I) a relative of such individual if such relative resides in the same household as such individual;

(II) a legal guardian or legal representative of such individual;

(III) a facility that is licensed or certified as a care facility under the law of a State or a political subdivision of a State;

(IV) a person who is an administrator, owner, or employee of a facility referred to in

subclause (III) if such individual resides in such facility, and the payment of benefits under this subchapter to such facility or such person is made only after good faith efforts have been made by the local servicing office of the Social Security Administration to locate an alternative representative payee to whom the payment of such benefits would serve the best interests of such individual; or

(V) an individual who is determined by the Commissioner of Social Security, on the basis of written findings and under procedures which the Commissioner of Social Security shall prescribe by regulation, to be acceptable to serve as a representative payee.

(vi) The procedures referred to in clause (v)(V) shall require the individual who will serve as representative payee to establish, to the satisfaction of the Commissioner of Social Security, that—

(I) such individual poses no risk to the beneficiary;

(II) the financial relationship of such individual to the beneficiary poses no substantial conflict of interest; and

(III) no other more suitable representative payee can be found.

(vii) In the case of an individual eligible for benefits under this subchapter by reason of disability, if alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled, when selecting such individual's representative payee, preference shall be given to—

(I) a community-based nonprofit social service agency licensed or bonded by the State;

(II) a Federal, State, or local government agency whose mission is to carry out income maintenance, social service, or health care-related activities;

(III) a State or local government agency with fiduciary responsibilities; or

(IV) a designee of an agency (other than of a Federal agency) referred to in the preceding subclauses of this clause, if the Commissioner of Social Security deems it appropriate,

unless the Commissioner of Social Security determines that selection of a family member would be appropriate.

(viii) Subject to clause (ix), if the Commissioner of Social Security makes a determination described in subparagraph (A)(ii) with respect to any individual's benefit and determines that direct payment of the benefit to the individual would cause substantial harm to the individual, the Commissioner of Social Security may defer (in the case of initial entitlement) or suspend (in the case of existing entitlement) direct payment of such benefit to the individual, until such time as the selection of a representative payee is made pursuant to this subparagraph.

(ix)(I) Except as provided in subclause (II), any deferral or suspension of direct payment of a benefit pursuant to clause (viii) shall be for a period of not more than 1 month.

(II) Subclause (I) shall not apply in any case in which the individual or eligible spouse is, as of the date of the Commissioner's determination, legally incompetent, under the age of 15 years, or (if alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled) is eligible for benefits under this subchapter by reason of disability.

(x) Payment pursuant to this subparagraph of any benefits which are deferred or suspended pending the selection of a representative payee shall be made to the individual, or to the representative payee upon such selection, as a single sum or over such period of time as the Commissioner of Social Security determines is in the best interests of the individual entitled to such benefits.

(xi) Any individual who is dissatisfied with a determination by the Commissioner of Social Security to pay such individual's benefits to a representative payee under this subchapter, or with the designation of a particular person to serve as representative payee, shall be entitled to a hearing by the Commissioner of Social Security, and to judicial review of the Commissioner's final decision, to the same extent as is provided in subsection (c) of this section.

(xii) In advance of the first payment of an individual's benefit to a representative payee under subparagraph (A)(ii), the Commissioner of Social Security shall provide written notice of the Commissioner's initial determination to make any such payment. Such notice shall be provided to such individual, except that, if such individual—

(I) is under the age of 15,

(II) is an unemancipated minor under the age of 18, or

(III) is legally incompetent,

then such notice shall be provided solely to the legal guardian or legal representative of such individual.

(xiii) Any notice described in clause (xii) shall be clearly written in language that is easily understandable to the reader, shall identify the person to be designated as such individual's representative payee, and shall explain to the reader the right under clause (xi) of such individual or of such individual's legal guardian or legal representative—

(I) to appeal a determination that a representative payee is necessary for such individual,

(II) to appeal the designation of a particular person to serve as the representative payee of such individual, and

(III) to review the evidence upon which such designation is based and submit additional evidence.

(C)(i) In any case where payment is made under this subchapter to a representative payee of an individual or spouse, the Commissioner of Social Security shall establish a system of accountability monitoring whereby such person shall report not less often than annually with respect to the use of such payments. The Commissioner of Social Security shall establish and implement statistically valid procedures for reviewing such reports in order to identify instances in which such persons are not properly using such payments.

(ii) Clause (i) shall not apply in any case where the representative payee is a State institution. In such cases, the Commissioner of Social Secu-

rity shall establish a system of accountability monitoring for institutions in each State.

(iii) Clause (i) shall not apply in any case where the individual entitled to such payment is a resident of a Federal institution and the representative payee is the institution.

(iv) Notwithstanding clauses (i), (ii), and (iii), the Commissioner of Social Security may require a report at any time from any representative payee, if the Commissioner of Social Security has reason to believe that the representative payee is misusing such payments.

(D)(i) A qualified organization may collect from an individual a monthly fee for expenses (including overhead) incurred by such organization in providing services performed as such individual's representative payee pursuant to subparagraph (A)(ii) if the fee does not exceed the lesser of—

(I) 10 percent of the monthly benefit involved, or

(II) $25.00 per month ($50.00 per month in any case in which an individual is eligible for benefits under this subchapter by reason of disability and alcoholism or drug addiction is a contributing factor material to the Commissioner's determination that the individual is disabled).

The Commissioner of Social Security shall adjust annually (after 1995) each dollar amount set forth in subclause (II) of this clause under procedures providing for adjustments in the same manner and to the same extent as adjustments are provided for under the procedures used to adjust benefit amounts under section 415(i)(2)(A) of this title, except that any amount so adjusted that is not a multiple of $1.00 shall be rounded to the nearest multiple of $1.00. Any agreement providing for a fee in excess of the amount permitted under this clause shall be void and shall be treated as misuse by the organization of such individual's benefits.

(ii) For purposes of this subparagraph, the term ''qualified organization'' means any State or local government agency whose mission is to carry out income maintenance, social service, or health care-related activities, any State or local government agency with fiduciary responsibilities, or any community-based nonprofit social service agency, which—

(I) is bonded or licensed in each State in which the agency serves as a representative payee; and

(II) in accordance with any applicable regulations of the Commissioner of Social Security—

(aa) regularly provides services as a representative payee pursuant to subparagraph (A)(ii) or section 405(j)(4) of this title concurrently to 5 or more individuals; and

(bb) demonstrates to the satisfaction of the Commissioner of Social Security that such agency is not otherwise a creditor of any such individual.

The Commissioner of Social Security shall prescribe regulations under which the Commissioner of Social Security may grant an exception from subclause (II)(bb) for any individual on a case-by-case basis if such exception is in the best interests of such individual.

(iii) Any qualified organization which knowingly charges or collects, directly or indirectly, any fee in excess of the maximum fee prescribed under clause (i) or makes any agreement, directly or indirectly, to charge or collect any fee in excess of such maximum fee, shall be fined in accordance with title 18, or imprisoned not more than 6 months, or both.

(iv) In the case of an individual who is no longer eligible for benefits under this subchapter but to whom any amount of past-due benefits under this subchapter has not been paid, for purposes of clause (i), any amount of such past-due benefits payable in any month shall be treated as a monthly benefit referred to in clause (i)(I).

(E) RESTITUTION.—In cases where the negligent failure of the Commissioner of Social Security to investigate or monitor a representative payee results in misuse of benefits by the representative payee, the Commissioner of Social Security shall make payment to the beneficiary or the beneficiary's representative payee of an amount equal to such misused benefits. The Commissioner of Social Security shall make a good faith effort to obtain restitution from the terminated representative payee.

(F) The Commissioner of Social Security shall include as a part of the annual report required under section 904[1] of this title information with respect to the implementation of the preceding provisions of this paragraph, including—

(i) the number of cases in which the representative payee was changed;

(ii) the number of cases discovered where there has been a misuse of funds;

(iii) how any such cases were dealt with by the Commissioner of Social Security;

(iv) the final disposition of such cases (including any criminal penalties imposed); and

(v) such other information as the Commissioner of Social Security determines to be appropriate.

(G) The Commissioner of Social Security shall make an initial report to each House of the Congress on the implementation of subparagraphs (B) and (C) within 270 days after October 9, 1984. The Commissioner of Social Security shall include in the annual report required under section 904[1] of this title, information with respect to the implementation of subparagraphs (B) and (C), including the same factors as are required to be included in the Commissioner's report under section 405(j)(4)(B) of this title.

(3) The Commissioner of Social Security may by regulation establish ranges of incomes within which a single amount of benefits under this subchapter shall apply.

(4) The Commissioner of Social Security—

(A) may make to any individual initially applying for benefits under this subchapter who is presumptively eligible for such benefits and who is faced with financial emergency a cash advance against such benefits, including any federally-administered State supplementary payments, in an amount not exceeding the monthly amount that would be payable to an eligible individual with no other income for the first month of such presumptive eligibility; and

[1] See References in Text note below.

(B) may pay benefits under this subchapter to an individual applying for such benefits on the basis of disability or blindness for a period not exceeding 6 months prior to the determination of such individual's disability or blindness, if such individual is presumptively disabled or blind and is determined to be otherwise eligible for such benefits, and any benefits so paid prior to such determination shall in no event be considered overpayments for purposes of subsection (b) of this section solely because such individual is determined not to be disabled or blind.

(5) Payment of the benefit of any individual who is an aged, blind, or disabled individual solely by reason of blindness (as determined under section 1382c(a)(2) of this title) or disability (as determined under section 1382c(a)(3) of this title), and who ceases to be blind or to be under such disability, shall continue (so long as such individual is otherwise eligible) through the second month following the month in which such blindness or disability ceases.

(6) Notwithstanding any other provision of this subchapter, payment of the benefit of any individual who is an aged, blind, or disabled individual solely by reason of blindness (as determined under section 1382c(a)(2) of this title) or disability (as determined under section 1382c(a)(3) of this title) shall not be terminated or suspended because the blindness or other physical or mental impairment, on which the individual's eligibility for such benefit is based, has or may have ceased, if—

(A) such individual is participating in a program of vocational rehabilitation services approved by the Commissioner of Social Security, and

(B) the Commissioner of Social Security determines that the completion of such program, or its continuation for a specified period of time, will increase the likelihood that such individual may (following his participation in such program) be permanently removed from the blindness and disability benefit rolls.

(7)(A) In any case where—

(i) an individual is a recipient of benefits based on disability or blindness under this subchapter,

(ii) the physical or mental impairment on the basis of which such benefits are payable is found to have ceased, not to have existed, or to no longer be disabling, and as a consequence such individual is determined not to be entitled to such benefits, and

(iii) a timely request for review or for a hearing is pending with respect to the determination that he is not so entitled,

such individual may elect (in such manner and form and within such time as the Commissioner of Social Security shall by regulations prescribe) to have the payment of such benefits continued for an additional period beginning with the first month beginning after October 9, 1984, for which (under such determination) such benefits are no longer otherwise payable, and ending with the earlier of (I) the month preceding the month in which a decision is made after such a hearing, or (II) the month preceding the month in which no such request for review or a hearing is pending.

(B)(i) If an individual elects to have the payment of his benefits continued for an additional period under subparagraph (A), and the final decision of the Commissioner of Social Security affirms the determination that he is not entitled to such benefits, any benefits paid under this subchapter pursuant to such election (for months in such additional period) shall be considered overpayments for all purposes of this subchapter, except as otherwise provided in clause (ii).

(ii) If the Commissioner of Social Security determines that the individual's appeal of his termination of benefits was made in good faith, all of the benefits paid pursuant to such individual's election under subparagraph (A) shall be subject to waiver consideration under the provisions of subsection (b)(1) of this section.

(C) The provisions of subparagraphs (A) and (B) shall apply with respect to determinations (that individuals are not entitled to benefits) which are made on or after October 9, 1984, or prior to such date but only on the basis of a timely request for review or for a hearing.

(8)(A) In any case in which an administrative law judge has determined after a hearing as provided in subsection (c) of this section that an individual is entitled to benefits based on disability or blindness under this subchapter and the Commissioner of Social Security has not issued the Commissioner's final decision in such case within 110 days after the date of the administrative law judge's determination, such benefits shall be currently paid for the months during the period beginning with the month in which such 110-day period expires and ending with the month in which such final decision is issued.

(B) For purposes of subparagraph (A), in determining whether the 110-day period referred to in subparagraph (A) has elapsed, any period of time for which the action or inaction of such individual or such individual's representative without good cause results in the delay in the issuance of the Commissioner's final decision shall not be taken into account to the extent that such period of time exceeds 20 calendar days.

(C) Any benefits currently paid under this subchapter pursuant to this paragraph (for the months described in subparagraph (A)) shall not be considered overpayments for any purposes of this subchapter, unless payment of such benefits was fraudulently obtained.

(9) Benefits under this subchapter shall not be denied to any individual solely by reason of the refusal of the individual to accept an amount offered as compensation for a crime of which the individual was a victim.

(b) Overpayments and underpayments; adjustment, recovery, or payment of amounts by Commissioner

(1)(A) Whenever the Commissioner of Social Security finds that more or less than the correct amount of benefits has been paid with respect to any individual, proper adjustment or recovery shall, subject to the succeeding provisions of this subsection, be made by appropriate adjustments in future payments to such individual or by recovery from such individual or his eligible spouse (or from the estate of either) or by payment to such individual or his eligible spouse, or, if such individual is deceased, by payment—

(i) to any surviving spouse of such individual, whether or not the individual's eligible spouse, if (within the meaning of the first sentence of section 402(i) of this title) such surviving husband or wife was living in the same household with the individual at the time of his death or within the 6 months immediately preceding the month of such death, or

(ii) if such individual was a disabled or blind child who was living with his parent or parents at the time of his death or within the 6 months immediately preceding the month of such death, to such parent or parents.

(B) The Commissioner of Social Security (i) shall make such provision as the Commissioner finds appropriate in the case of payment of more than the correct amount of benefits with respect to an individual with a view to avoiding penalizing such individual or his eligible spouse who was without fault in connection with the overpayment, if adjustment or recovery on account of such overpayment in such case would defeat the purposes of this subchapter, or be against equity and good conscience, or (because of the small amount involved) impede efficient or effective administration of this subchapter, and (ii) shall in any event make the adjustment or recovery (in the case of payment of more than the correct amount of benefits), in the case of an individual or eligible spouse receiving benefit payments under this subchapter (including supplementary payments of the type described in section 1382e(a) of this title and payments pursuant to an agreement entered into under section 212(a) of Public Law 93–66), in amounts which in the aggregate do not exceed (for any month) the lesser of (I) the amount of his or their benefit under this subchapter for that month or (II) an amount equal to 10 percent of his or their income for that month (including such benefit but excluding any other income excluded pursuant to section 1382a(b) of this title), unless fraud, willful misrepresentation, or concealment of material information was involved on the part of the individual or spouse in connection with the overpayment, or unless the individual requests that such adjustment or recovery be made at a higher or lower rate and the Commissioner of Social Security determines that adjustment or recovery at such rate is justified and appropriate. The availability (in the case of an individual who has been paid more than the correct amount of benefits) of procedures for adjustment or recovery at a limited rate under clause (ii) of the preceding sentence shall not, in and of itself, prevent or restrict the provision (in such case) of more substantial relief under clause (i) of such sentence.

(2) Notwithstanding any other provision of this section, when any payment of more than the correct amount is made to or on behalf of an individual who has died, and such payment—

(A) is made by direct deposit to a financial institution;

(B) is credited by the financial institution to a joint account of the deceased individual and another person; and

(C) such other person is the surviving spouse of the deceased individual, and was eligible for a payment under this subchapter (including any State supplementation payment paid by the Commissioner of Social Security) as an eligible spouse (or as either member of an eligible couple) for the month in which the deceased individual died,

the amount of such payment in excess of the correct amount shall be treated as a payment of more than the correct amount to such other person.

(3) If any overpayment with respect to an individual (or an individual and his or her spouse) is attributable solely to the ownership or possession by such individual (and spouse if any) of resources having a value which exceeds the applicable dollar figure specified in paragraph (1)(B) or (2)(B) of section 1382(a) of this title by $50 or less, such individual (and spouse if any) shall be deemed for purposes of the second sentence of paragraph (1) to have been without fault in connection with the overpayment, and no adjustment or recovery shall be made under the first sentence of such paragraph, unless the Commissioner of Social Security finds that the failure of such individual (and spouse if any) to report such value correctly and in a timely manner was knowing and willful.

(4) For payments for which adjustments are made by reason of a retroactive payment of benefits under subchapter II of this chapter, see section 1320a–6 of this title.

(c) Hearing to determine eligibility or amount of benefits; subsequent application; time within which to request hearing; time for determinations of Commissioner pursuant to hearing; judicial review

(1)(A) The Commissioner of Social Security is directed to make findings of fact, and decisions as to the rights of any individual applying for payment under this subchapter. Any such decision by the Commissioner of Social Security which involves a determination of disability and which is in whole or in part unfavorable to such individual shall contain a statement of the case, in understandable language, setting forth a discussion of the evidence, and stating the Commissioner's determination and the reason or reasons upon which it is based. The Commissioner of Social Security shall provide reasonable notice and opportunity for a hearing to any individual who is or claims to be an eligible individual or eligible spouse and is in disagreement with any determination under this subchapter with respect to eligibility of such individual for benefits, or the amount of such individual's benefits, if such individual requests a hearing on the matter in disagreement within sixty days after notice of such determination is received, and, if a hearing is held, shall, on the basis of evidence adduced at the hearing affirm, modify, or reverse the Commissioner's findings of fact and such decision. The Commissioner of Social Security is further authorized, on the Commissioner's own motion, to hold such hearings and to conduct such investigations and other proceedings as the Commissioner may deem necessary or proper for the administration of this subchapter. In the course of any hearing, investigation, or other proceeding, the Commissioner may administer oaths and affirmations, examine witnesses, and receive evidence. Evidence may be received at any hearing before the Commis-

sioner of Social Security even though inadmissible under the rules of evidence applicable to court procedure. The Commissioner of Social Security shall specifically take into account any physical, mental, educational, or linguistic limitation of such individual (including any lack of facility with the English language) in determining, with respect to the eligibility of such individual for benefits under this subchapter, whether such individual acted in good faith or was at fault, and in determining fraud, deception, or intent.

(B)(i) A failure to timely request review of an initial adverse determination with respect to an application for any payment under this subchapter or an adverse determination on reconsideration of such an initial determination shall not serve as a basis for denial of a subsequent application for any payment under this subchapter if the applicant demonstrates that the applicant, or any other individual referred to in subparagraph (A), failed to so request such a review acting in good faith reliance upon incorrect, incomplete, or misleading information, relating to the consequences of reapplying for payments in lieu of seeking review of an adverse determination, provided by any officer or employee of the Social Security Administration or any State agency acting under section 421 of this title.

(ii) In any notice of an adverse determination with respect to which a review may be requested under subparagraph (A), the Commissioner of Social Security shall describe in clear and specific language the effect on possible eligibility to receive payments under this subchapter of choosing to reapply in lieu of requesting review of the determination.

(2) Determination on the basis of such hearing, except to the extent that the matter in disagreement involves a disability (within the meaning of section 1382c(a)(3) of this title), shall be made within ninety days after the individual requests the hearing as provided in paragraph (1).

(3) The final determination of the Commissioner of Social Security after a hearing under paragraph (1) shall be subject to judicial review as provided in section 405(g) of this title to the same extent as the Commissioner's final determinations under section 405 of this title.

(d) Procedures applicable; prohibition on assignment of payments; representation of claimants; maximum fees; penalties for violations

(1) The provisions of section 407 of this title and subsections (a), (d), and (e) of section 405 of this title shall apply with respect to this part to the same extent as they apply in the case of subchapter II of this chapter.

(2)(A) The provisions of section 406(a) of this title (other than paragraph (4) thereof) shall apply to this part to the same extent as they apply in the case of subchapter II of this chapter, except that paragraph (2) thereof shall be applied—

(i) by substituting, in subparagraphs (A)(ii)(I) and (C)(i), the phrase ''(as determined before any applicable reduction under section 1383(g) of this title, and reduced by the amount of any reduction in benefits under this subchapter or subchapter II of this chapter made pursuant to section 1320a–6(a) of this title)'' for the parenthetical phrase contained therein; and

(ii) by substituting ''section 1383(a)(7)(A) of this title or the requirements of due process of law'' for ''subsection (g) or (h) of section 423 of this title''.

(B) The Commissioner of Social Security shall notify each claimant in writing, together with the notice to such claimant of an adverse determination, of the options for obtaining attorneys to represent individuals in presenting their cases before the Commissioner of Social Security. Such notification shall also advise the claimant of the availability to qualifying claimants of legal services organizations which provide legal services free of charge.

(e) Administrative requirements prescribed by Commissioner; criteria; reduction of benefits to individual for noncompliance with requirements; payment to homeless

(1)(A) The Commissioner of Social Security shall, subject to subparagraph (B) and subsection (j) of this section, prescribe such requirements with respect to the filing of applications, the suspension or termination of assistance, the furnishing of other data and material, and the reporting of events and changes in circumstances, as may be necessary for the effective and efficient administration of this subchapter.

(B) The requirements prescribed by the Commissioner of Social Security pursuant to subparagraph (A) shall require that eligibility for benefits under this subchapter will not be determined solely on the basis of declarations by the applicant concerning eligibility factors or other relevant facts, and that relevant information will be verified from independent or collateral sources and additional information obtained as necessary in order to assure that such benefits are only provided to eligible individuals (or eligible spouses) and that the amounts of such benefits are correct. For this purpose and for purposes of federally administered supplementary payments of the type described in section 1382e(a) of this title (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93–66), the Commissioner of Social Security shall, as may be necessary, request and utilize information available pursuant to section 6103(*l*)(7) of the Internal Revenue Code of 1986, and any information which may be available from State systems under section 1320b–7 of this title, and shall comply with the requirements applicable to States (with respect to information available pursuant to section 6103(*l*)(7)(B) of such Code) under subsections (a)(6) and (c) of such section 1320b–7 of this title.

(C) For purposes of making determinations under section 1382(e) of this title, the requirements prescribed by the Commissioner of Social Security pursuant to subparagraph (A) of this paragraph shall require each administrator of a nursing home, extended care facility, or intermediate care facility, within 2 weeks after the admission of any eligible individual or eligible spouse receiving benefits under this subchapter, to transmit to the Commissioner a report of the admission.

(2) In case of the failure by any individual to submit a report of events and changes in circumstances relevant to eligibility for or amount of benefits under this subchapter as required by the Commissioner of Social Security under paragraph (1), or delay by any individual in submitting a report as so required, the Commissioner of Social Security (in addition to taking any other action the Commissioner may consider appropriate under paragraph (1)) shall reduce any benefits which may subsequently become payable to such individual under this subchapter by—

(A) $25 in the case of the first such failure or delay,

(B) $50 in the case of the second such failure or delay, and

(C) $100 in the case of the third or a subsequent such failure or delay,

except where the individual was without fault or good cause for such failure or delay existed.

(3) The Commissioner of Social Security shall provide a method of making payments under this subchapter to an eligible individual who does not reside in a permanent dwelling or does not have a fixed home or mailing address.

(4) A translation into English by a third party of a statement made in a foreign language by an applicant for or recipient of benefits under this subchapter shall not be regarded as reliable for any purpose under this subchapter unless the third party, under penalty of perjury—

(A) certifies that the translation is accurate; and

(B) discloses the nature and scope of the relationship between the third party and the applicant or recipient, as the case may be.

(5) In any case in which it is determined to the satisfaction of the Commissioner of Social Security that an individual failed as of any date to apply for benefits under this subchapter by reason of misinformation provided to such individual by any officer or employee of the Social Security Administration relating to such individual's eligibility for benefits under this subchapter, such individual shall be deemed to have applied for such benefits on the later of—

(A) the date on which such misinformation was provided to such individual, or

(B) the date on which such individual met all requirements for entitlement to such benefits (other than application therefor).

(6)[2] In any case in which an individual visits a field office of the Social Security Administration and represents during the visit to an officer or employee of the Social Security Administration in the office that the individual's visit is occasioned by—

(A) the receipt of a notice from the Social Security Administration indicating a time limit for response by the individual, or

(B) the theft, loss, or nonreceipt of a benefit payment under this subchapter,

the Commissioner of Social Security shall ensure that the individual is granted a face-to-face interview at the office with an officer or employee of the Social Security Administration before the close of business on the day of the visit.

[2] So in original. Two pars. (6) have been enacted.

[2](6)(A)(i) The Commissioner of Social Security shall immediately redetermine the eligibility of an individual for benefits under this subchapter if there is reason to believe that fraud or similar fault was involved in the application of the individual for such benefits, unless a United States attorney, or equivalent State prosecutor, with jurisdiction over potential or actual related criminal cases, certifies, in writing, that there is a substantial risk that such action by the Commissioner of Social Security with regard to recipients in a particular investigation would jeopardize the criminal prosecution of a person involved in a suspected fraud.

(ii) When redetermining the eligibility, or making an initial determination of eligibility, of an individual for benefits under this subchapter, the Commissioner of Social Security shall disregard any evidence if there is reason to believe that fraud or similar fault was involved in the providing of such evidence.

(B) For purposes of subparagraph (A), similar fault is involved with respect to a determination if—

(i) an incorrect or incomplete statement that is material to the determination is knowingly made; or

(ii) information that is material to the determination is knowingly concealed.

(C) If, after redetermining the eligibility of an individual for benefits under this subchapter, the Commissioner of Social Security determines that there is insufficient evidence to support such eligibility, the Commissioner of Social Security may terminate such eligibility and may treat benefits paid on the basis of such insufficient evidence as overpayments.

(7)(A) The Commissioner of Social Security shall request the Immigration and Naturalization Service or the Centers for Disease Control to provide the Commissioner of Social Security with whatever medical information, identification information, and employment history either such entity has with respect to any alien who has applied for benefits under this subchapter to the extent that the information is relevant to any determination relating to eligibility for such benefits under this subchapter.

(B) Subparagraph (A) shall not be construed to prevent the Commissioner of Social Security from adjudicating the case before receiving such information.

(f) Furnishing of information by Federal agencies

The head of any Federal agency shall provide such information as the Commissioner of Social Security needs for purposes of determining eligibility for or amount of benefits, or verifying other information with respect thereto.

(g) Reimbursement to States for interim assistance payments

(1) Notwithstanding subsection (d)(1) of this section and subsection (b) of this section as it relates to the payment of less than the correct amount of benefits, the Commissioner of Social Security may, upon written authorization by an individual, withhold benefits due with respect to that individual and may pay to a State (or a political subdivision thereof if agreed to by the

Commissioner of Social Security and the State) from the benefits withheld an amount sufficient to reimburse the State (or political subdivision) for interim assistance furnished on behalf of the individual by the State (or political subdivision).

(2) For purposes of this subsection, the term ''benefits'' with respect to any individual means supplemental security income benefits under this subchapter, and any State supplementary payments under section 1382e of this title or under section 212 of Public Law 93–66 which the Commissioner of Social Security makes on behalf of a State (or political subdivision thereof), that the Commissioner of Social Security has determined to be due with respect to the individual at the time the Commissioner of Social Security makes the first payment of benefits with respect to the period described in clause (A) or (B) of paragraph (3). A cash advance made pursuant to subsection (a)(4)(A) of this section shall not be considered as the first payment of benefits for purposes of the preceding sentence.

(3) For purposes of this subsection, the term ''interim assistance'' with respect to any individual means assistance financed from State or local funds and furnished for meeting basic needs (A) during the period, beginning with the month in which the individual filed an application for benefits (as defined in paragraph (2)), for which he was eligible for such benefits, or (B) during the period beginning with the first month for which the individual's benefits (as defined in paragraph (2)) have been terminated or suspended if the individual was subsequently found to have been eligible for such benefits.

(4) In order for a State to receive reimbursement under the provisions of paragraph (1), the State shall have in effect an agreement with the Commissioner of Social Security which shall provide—

(A) that if the Commissioner of Social Security makes payment to the State (or a political subdivision of the State as provided for under the agreement) in reimbursement for interim assistance (as defined in paragraph (3)) for any individual in an amount greater than the reimbursable amount authorized by paragraph (1), the State (or political subdivision) shall pay to the individual the balance of such payment in excess of the reimbursable amount as expeditiously as possible, but in any event within ten working days or a shorter period specified in the agreement; and

(B) that the State will comply with such other rules as the Commissioner of Social Security finds necessary to achieve efficient and effective administration of this subsection and to carry out the purposes of the program established by this subchapter, including protection of hearing rights for any individual aggrieved by action taken by the State (or political subdivision) pursuant to this subsection.

(5) The provisions of subsection (c) of this section shall not be applicable to any disagreement concerning payment by the Commissioner of Social Security to a State pursuant to the preceding provisions of this subsection nor the amount retained by the State (or political subdivision).

(h) Payment of certain travel expenses

The Commissioner of Social Security shall pay travel expenses, either on an actual cost or commuted basis, to individuals for travel incident to medical examinations requested by the Commissioner of Social Security in connection with disability determinations under this subchapter, and to parties, their representatives, and all reasonably necessary witnesses for travel within the United States (as defined in section 1382c(e) of this title) to attend reconsideration interviews and proceedings before administrative law judges with respect to any determination under this subchapter. The amount available under the preceding sentence for payment for air travel by any person shall not exceed the coach fare for air travel between the points involved unless the use of first-class accommodations is required (as determined under regulations of the Commissioner of Social Security) because of such person's health condition or the unavailability of alternative accommodations; and the amount available for payment for other travel by any person shall not exceed the cost of travel (between the points involved) by the most economical and expeditious means of transportation appropriate to such person's health condition, as specified in such regulations. The amount available for payment under this subsection for travel by a representative to attend an administrative proceeding before an administrative law judge or other adjudicator shall not exceed the maximum amount allowable under this subsection for such travel originating within the geographic area of the office having jurisdiction over such proceeding.

(2) The Commissioner of Social Security shall from time to time determine the amount representing the total of the State supplementary payments made pursuant to agreements under section 1382e(a) of this title and under section 212(b) of Public Law 93–66 which is included in all such benefit checks not presented for payment within one hundred and eighty days after the day on which they were issued, and shall pay each State (or credit each State with) an amount equal to that State's share of all such amount. Amounts not paid to the States shall be returned to the appropriation from which they were originally paid.

(3) The Commissioner of Social Security, upon notice from the Secretary of the Treasury under paragraph (1), shall notify any State having an agreement described in paragraph (2) of all such benefit checks issued under that State's agreement which were not presented for payment within one hundred and eighty days after the day on which they were issued.

(II) has earned income (other than income excluded pursuant to section 1382a(b) of this title) for any month in the 12-month period preceding such month that is equal to or in excess of the amount that would cause him or her to be ineligible for payments under section 1382(b) of this title for that month (if he or she were otherwise eligible for such payments); or

(ii)(I) on the basis of the same impairment on which his or her eligibility under such section 1382h(b) of this title was based becomes eligible under section 1382h(b) of this title for a month that follows a period during which the individual was ineligible under section 1382 of this title and section 1382h of this title, and

shall, upon becoming eligible (as described in clause (i)(I) or (ii)(I)), be subject to a prompt review of the type described in section 1382c(a)(4) of this title.

(B) If the Commissioner of Social Security determines pursuant to a review required by subparagraph (A) that the impairment upon which the eligibility of an individual is based has ceased, does not exist, or is not disabling, such individual may not thereafter become eligible for a benefit under or pursuant to section 1382 of this title or section 1382h of this title until the individual has reapplied for benefits under section 1382 of this title and been determined to be eligible for benefits under such section.

(k) Notifications to applicants and recipients

The Commissioner of Social Security shall notify an individual receiving benefits under section 1382 of this title on the basis of disability or blindness of his or her potential eligibility for benefits under or pursuant to section 1382h of this title—

(1) at the time of the initial award of benefits to the individual under section 1382 of this title (if the individual has attained the age of 18 at the time of such initial award), and

(2) at the earliest time after an initial award of benefits to an individual under section 1382 of this title that the individual's earned income for a month (other than income excluded pursuant to section 1382a(b) of this title) is $200 or more, and periodically thereafter so long as such individual has earned income (other than income so excluded) of $200 or more per month.

Any such agreement shall provide for payments by the State, for use by the Commissioner of Social Security in carrying out the agreement, of an amount equal to one-half of the cost of carrying out the agreement, but in computing such cost with respect to individuals eligible for benefits under this subchapter, the Commissioner of Social Security shall include only those costs which are additional to the costs incurred in carrying out this subchapter.

(A) has been continuously entitled to such widow's or widower's insurance benefits from the first month for which the increase described in paragraph (2)(C) was reflected in such benefits through the month involved, and

(B) would be eligible for benefits under this subchapter in the month involved if the amount of the increase described in paragraph (2)(C) in his or her widow's or widower's insurance benefits, and any subsequent cost-of-living adjustments in such benefits under section 415(i) of this title, were disregarded.

(2) For purposes of paragraph (1), the term ''eligible disabled widow or widower'' means an individual who—

(A) was entitled to a monthly insurance benefit under subchapter II of this chapter for December 1983,

(B) was entitled to a widow's or widower's insurance benefit based on a disability under section 402(e) or (f) of this title for January 1984 and with respect to whom a benefit under this subchapter was paid in that month, and

If any individual who has attained the age of 18 and is receiving benefits under this subchapter on the basis of blindness or a disability which began before he or she attained the age of 22—

(1) becomes entitled, on or after the effective date of this subsection, to child's insurance benefits which are payable under section 402(d) of this title on the basis of such disability or to an increase in the amount of the child's insurance benefits which are so payable, and

(2) ceases to be eligible for benefits under this subchapter because of such child's insurance benefits or because of the increase in such child's insurance benefits,

such individual shall be treated for purposes of subchapter XIX of this chapter as receiving benefits under this subchapter so long as he or she would be eligible for benefits under this subchapter in the absence of such child's insurance benefits or such increase.

(d) Retention of medicaid when SSI benefits are lost upon entitlement to early widow's or widower's insurance benefits

(1) This subsection applies with respect to any person who—

(A) applies for and obtains benefits under subsection (e) or (f) of section 402 of this title (or under any other subsection of section 402 of this title if such person is also eligible for benefits under such subsection (e) or (f) of this section) being then not entitled to hospital insurance benefits under part A of subchapter XVIII of this chapter, and

(B) is determined to be ineligible (by reason of the receipt of such benefits under section 402 of this title) for supplemental security income benefits under this subchapter or for State supplementary payments of the type described in section 1382e(a) of this title (or payments of the type described in section 212(a) of Public Law 93–66).

(2) For purposes of subchapter XIX of this chapter, each person with respect to whom this subsection applies—

(A) shall be deemed to be a recipient of supplemental security income benefits under this subchapter if such person received such a benefit for the month before the month in which such person began to receive a benefit described in paragraph (1)(A), and

(B) shall be deemed to be a recipient of State supplementary payments of the type referred to in section 1382e(a) of this title (or payments of the type described in section 212(a) of Public Law 93–66) if such person received such a payment for the month before the month in which such person began to receive a benefit described in paragraph (1)(A),

for so long as such person (i) would be eligible for such supplemental security income benefits, or such State supplementary payments (or payments of the type described in section 212(a) of Public Law 93–66), in the absence of benefits described in paragraph (1)(A), and (ii) is not entitled to hospital insurance benefits under part A of subchapter XVIII of this chapter.

(e) Preservation of medicaid benefits

Each person to whom benefits under this subchapter by reason of disability are not payable for any month solely by reason of clause (i) or (v) of section 1382(e)(3)(A) of this title shall be treated, for purposes of subchapter XIX of this chapter, as receiving benefits under this subchapter for the month.

(Aug. 14, 1935, ch. 531, title XVI, §1634, as added Oct. 30, 1972, Pub. L. 92–603, title III, §301, 86 Stat. 1478; amended Apr. 7, 1986, Pub. §1385. Definitions

(a) For purposes of this subchapter, the term ''aid to the aged, blind, or disabled'' means money payments to needy individuals who are 65 years of age or older, are blind, or are 18 years of age or over and permanently and totally disabled, but such term does not include—

(1) any such payments to or care in behalf of any individual who is an inmate of a public institution (except as a patient in a medical institution); or

(2) any such payments to or care in behalf of any individual who has not attained 65 years of age and who is a patient in an institution for tuberculosis or mental diseases.

Such term also includes payments which are not included within the meaning of such term under the preceding sentence, but which would be so included except that they are made on behalf of such a needy individual to another individual who (as determined in accordance with standards prescribed by the Commissioner of Social Security) is interested in or concerned with the welfare of such needy individual, but only with respect to a State whose State plan approved under section 1382 of this title includes provision for—

(A) determination by the State agency that such needy individual has, by reason of his physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare and, therefore, it is necessary to provide such aid through payments described in this sentence;

(B) making such payments only in cases in which such payments will, under the rules otherwise applicable under the State plan for determining need and the amount of aid to the aged, blind, or disabled to be paid (and in conjunction with other income and resources), meet all the need [sic] of the individuals with respect to whom such payments are made;

(C) undertaking and continuing special efforts to protect the welfare of such individual and to improve, to the extent possible, his capacity for self-care and to manage funds;

(D) periodic review by such State agency of the determination under clause (A) of this subsection to ascertain whether conditions justifying such determination still exist, with provision for termination of such payments if they do not and for seeking judicial appointment of a guardian or other legal representative, as described in section 1311 of this title, if and when it appears that such action will best serve the interests of such needy individual; and

(E) opportunity for a fair hearing before the State agency on the determination referred to in clause (A) of this subsection for any individual with respect to whom it is made.

At the option of a State (if its plan approved under this subchapter so provides), such term (i) need not include money payments to an individual who has been absent from such State for a period in excess of ninety consecutive days (regardless of whether he has maintained his residence in such State during such period) until he has been present in such State for thirty consecutive days in the case of such an individual who has maintained his residence in such State during such period or ninety consecutive days in the case of any other such individual, and (ii) may include rent payments made directly to a public housing agency on behalf of a recipient or a group or groups of recipients of aid under such plan.

§ 1395b–1. Incentives for economy while maintaining or improving quality in provision of health services

(a) Grants and contracts to develop and engage in experiments and demonstration projects

(1) The Secretary of Health and Human Services is authorized, either directly or through grants to public or private agencies, institutions, and organizations or contracts with public or private agencies, institutions, and organizations, to develop and engage in experiments and demonstration projects for the following purposes:

(A) to determine whether, and if so which, changes in methods of payment or reimbursement (other than those dealt with in section 222(a) of the Social Security Amendments of 1972) for health care and services under health programs established by this chapter, including a change to methods based on negotiated rates, would have the effect of increasing the efficiency and economy of health services under such programs through the creation of additional incentives to these ends without adversely affecting the quality of such services;

(B) to determine whether payments for services other than those for which payment may

be made under such programs (and which are incidental to services for which payment may be made under such programs) would, in the judgment of the Secretary, result in more economical provision and more effective utilization of services for which payment may be made under such program, where such services are furnished by organizations and institutions which have the capability of providing—

(i) comprehensive health care services,

(ii) mental health care services (as defined by section 2691(c)[1] of this title),

(iii) ambulatory health care services (including surgical services provided on an outpatient basis), or

(iv) institutional services which may substitute, at lower cost, for hospital care;

(C) to determine whether the rates of payment or reimbursement for health care services, approved by a State for purposes of the administration of one or more of its laws, when utilized to determine the amount to be paid for services furnished in such State under the health programs established by this chapter, would have the effect of reducing the costs of such programs without adversely affecting the quality of such services;

(D) to determine whether payments under such programs based on a single combined rate of reimbursement or charge for the teaching activities and patient care which residents, interns, and supervising physicians render in connection with a graduate medical education program in a patient facility would result in more equitable and economical patient care arrangements without adversely affecting the quality of such care;

(E) to determine whether coverage of intermediate care facility services and homemaker services would provide suitable alternatives to posthospital benefits presently provided under this subchapter; such experiment and demonstration projects may include:

(i) counting each day of care in an intermediate care facility as one day of care in a skilled nursing facility, if such care was for a condition for which the individual was hospitalized,

(ii) covering the services of homemakers for a maximum of 21 days, if institutional services are not medically appropriate,

(iii) determining whether such coverage would reduce long-range costs by reducing the lengths of stay in hospitals and skilled nursing facilities, and

(iv) establishing alternative eligibility requirements and determining the probable cost of applying each alternative, if the project suggests that such extension of coverage would be desirable;

(F) to determine whether, and if so which type of, fixed price or performance incentive contract would have the effect of inducing to the greatest degree effective, efficient, and economical performance of agencies and organizations making payment under agreements or contracts with the Secretary for health care and services under health programs established by this chapter;

(G) to determine under what circumstances payment for services would be appropriate and the most appropriate, equitable, and noninflationary methods and amounts of reimbursement under health care programs established by this chapter for services, which are performed independently by an assistant to a physician, including a nurse practitioner (whether or not performed in the office of or at a place at which such physician is physically present), and—

(i) which such assistant is legally authorized to perform by the State or political subdivision wherein such services are performed, and

(ii) for which such physician assumes full legal and ethical responsibility as to the necessity, propriety, and quality thereof;

(H) to establish an experimental program to provide day-care services, which consist of such personal care, supervision, and services as the Secretary shall by regulation prescribe, for individuals eligible to enroll in the supplemental medical insurance program established under part B of this subchapter and subchapter XIX of this chapter, in day-care centers which meet such standards as the Secretary shall by regulation establish;

(I) to determine whether the services of clinical psychologists may be made more generally available to persons eligible for services under this subchapter and subchapter XIX of this chapter in a manner consistent with quality of care and equitable and efficient administration;

(J) to develop or demonstrate improved methods for the investigation and prosecution of fraud in the provision of care or services under the health programs established by this chapter; and

(K) to determine whether the use of competitive bidding in the awarding of contracts, or the use of other methods of reimbursement, under part B of subchapter XI of this chapter would be efficient and effective methods of furthering the purposes of that part.

For purposes of this subsection, ''health programs established by this chapter'' means the program established by this subchapter and a program established by a plan of a State approved under subchapter XIX of this chapter.

(2) Grants, payments under contracts, and other expenditures made for experiments and demonstration projects under paragraph (1) shall be made in appropriate part from the Federal Hospital Insurance Trust Fund (established by section 1395i of this title) and the Federal Supplementary Medical Insurance Trust Fund (established by section 1395t of this title) and from funds appropriated under subchapter XIX of this chapter. Grants and payments under contracts may be made either in advance or by way of reimbursement, as may be determined by the Secretary, and shall be made in such installments and on such conditions as the Secretary finds necessary to carry out the purpose of this section. With respect to any such grant, payment, or other expenditure, the amount to be paid from each of such trust funds (and from funds appropriated under such subchapter XIX

[1] See References in Text note below.

of this chapter) shall be determined by the Secretary, giving due regard to the purposes of the experiment or project involved.

(b) Waiver of certain payment or reimbursement requirements; advice and recommendations of specialists preceding experiments and demonstration projects

In the case of any experiment or demonstration project under subsection (a) of this section, the Secretary may waive compliance with the requirements of this subchapter and subchapter XIX of this chapter insofar as such requirements relate to reimbursement or payment on the basis of reasonable cost, or (in the case of physicians) on the basis of reasonable charge, or to reimbursement or payment only for such services or items as may be specified in the experiment; and costs incurred in such experiment or demonstration project in excess of the costs which would otherwise be reimbursed or paid under such subchapters may be reimbursed or paid to the extent that such waiver applies to them (with such excess being borne by the Secretary). No experiment or demonstration project shall be engaged in or developed under subsection (a) of this section until the Secretary obtains the advice and recommendations of specialists who are competent to evaluate the proposed experiment or demonstration project as to the soundness of its objectives, the possibilities of securing productive results, the adequacy of resources to conduct the proposed experiment or demonstration project, and its relationship to other similar experiments and projects already completed or in process.

''(3) the purpose of the inclusion of the project of such association is to test the utility of a particular rate-setting methodology, designed to be employed in prepaid health plans, in an individual practice association operation, and

Section 222(a) of Pub. L. 92–603, as amended by Pub. L. 97–35, title XXI, § 2193(e), Aug. 13, 1981, 95 Stat. 828, provided that:

''(1) The Secretary of Health, Education, and Welfare [now Health and Human Services], directly or through contracts with, or grants to, public or private agencies or organizations, shall develop and carry out experiments and demonstration projects designed to determine the relative advantages and disadvantages of various alternative methods of making payment on a prospective basis to hospitals, skilled nursing facilities, and other providers of services for care and services provided by them under title XVIII of the Social Security Act [this subchapter] and under State plans approved under title XIX of such Act [subchapter XIX of this chapter], including alternative methods for classifying providers, for establishing prospective rates of payment, and for implementing on a gradual, selective, or other basis the establishment of a prospective payment system, in order to stimulate such providers through positive (or negative) financial incentives to use their facilities and personnel more efficiently and thereby to reduce the total costs of the health programs involved without adversely affecting the quality of services by containing or lowering the rate of increase in provider costs that has been and is being experienced under the existing system of retroactive cost reimbursement.

''(2) The experiments and demonstration projects developed under paragraph (1) shall be of sufficient scope and shall be carried out on a wide enough scale to permit a thorough evaluation of the alternative methods of prospective payment under consideration while giving assurance that the results derived from the experiments and projects will obtain generally in the operation of the programs involved (without committing such programs to the adoption of any prospective payment system either locally or nationally).

''(3) In the case of any experiment or demonstration project under paragraph (1), the Secretary may waive compliance with the requirements of titles XVIII and XIX of the Social Security Act [this subchapter and subchapter XIX of this chapter] insofar as such requirements relate to methods of payment for services provided; and costs incurred in such experiment or project in excess of those which would otherwise be reimbursed or paid under such titles [subchapters] may be reimbursed or paid to the extent that such waiver applies to them (with such excess being borne by the Secretary). No experiment or demonstration project shall be developed or carried out under paragraph (1) until the Secretary obtains the advice and recommendations of specialists who are competent to evaluate the proposed experiment or project as to the soundness of its objectives, the possibilities of securing productive results, the adequacy of resources to conduct it, and its relationship to other similar experiments or projects already completed or in process; and no such experiment or project shall be actually placed in operation unless at least 30 days prior thereto a written report, prepared for purposes of notification and information only, containing a full and complete description thereof has been transmitted to the Committee on Ways and Means of the House of Representatives and to the Committee on Finance of the Senate.

''(4) Grants, payments under contracts, and other expenditures made for experiments and demonstration projects under this subsection shall be made in appropriate part from the Federal Hospital Insurance Trust Fund (established by section 1817 of the Social Security

Act [section 1395i of this title]) and the Federal Supplementary Medical Insurance Trust Fund (established by section 1841 of the Social Security Act [section 1395t of this title]) and from funds appropriated under title XIX of such Act [subchapter XIX of this chapter]. Grants and payments under contracts may be made either in advance or by way of reimbursement, as may be determined by the Secretary, and shall be made in such installments and on such conditions as the Secretary finds necessary to carry out the purpose of this subsection. With respect to any such grant, payment, or other expenditure, the amount to be paid from each of such trust funds (and from funds appropriated under such title XIX) shall be determined by the Secretary, giving due regard to the purposes of the experiment or project involved.

''(5) The Secretary shall submit to the Congress no later than July 1, 1974, a full report on the experiments and demonstration projects carried out under this subsection and on the experience of other programs with respect to prospective reimbursement together with any related data and materials which he may consider appropriate. Such report shall include detailed recommendations with respect to the specific methods which could be used in the full implementation of a system of prospective payment to providers of services under the programs involved.''

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in title 38 section 1729.

§ 1395d. Scope of benefits

(a) Entitlement to payment for inpatient hospital services, post-hospital extended care services, home health services, and hospice care

The benefits provided to an individual by the insurance program under this part shall consist of entitlement to have payment made on his behalf or, in the case of payments referred to in section 1395f(d)(2) of this title to him (subject to the provisions of this part) for—

(1) inpatient hospital services or inpatient rural primary care hospital services for up to 150 days during any spell of illness minus 1 day for each day of such services in excess of 90 received during any preceding spell of illness (if such individual was entitled to have payment for such services made under this part unless he specifies in accordance with regulations of the Secretary that he does not desire to have such payment made);

(2)(A) post-hospital extended care services for up to 100 days during any spell of illness, and (B) to the extent provided in subsection (f) of this section, extended care services that are not post-hospital extended care services;

(3) home health services; and

(4) in lieu of certain other benefits, hospice care with respect to the individual during up to two periods of 90 days each, a subsequent period of 30 days, and a subsequent extension period with respect to which the individual makes an election under subsection (d)(1) of this section.

(b) Services not covered

Payment under this part for services furnished an individual during a spell of illness may not (subject to subsection (c) of this section) be made for—

(1) inpatient hospital services furnished to him during such spell after such services have been furnished to him for 150 days during such spell minus 1 day for each day of inpatient hospital services in excess of 90 received during any preceding spell of illness (if such individual was entitled to have payment for such services made under this part unless he specifies in accordance with regulations of the Secretary that he does not desire to have such payment made);

(2) post-hospital extended care services furnished to him during such spell after such services have been furnished to him for 100 days during such spell; or

(3) inpatient psychiatric hospital services furnished to him after such services have been furnished to him for a total of 190 days during his lifetime.

(c) Inpatients of psychiatric hospitals

If an individual is an inpatient of a psychiatric hospital on the first day of the first month for which he is entitled to benefits under this part, the days on which he was an inpatient of such a hospital in the 150-day period immediately before such first day shall be included in determining the number of days limit under subsection (b)(1) of this section insofar as such limit applies to (1) inpatient psychiatric hospital services, or (2) inpatient hospital services for an individual who is an inpatient primarily for the diagnosis

or treatment of mental illness (but shall not be included in determining such number of days limit insofar as it applies to other inpatient hospital services or in determining the 190-day limit under subsection (b)(3) of this section).

(d) Hospice care; election; waiver of rights; revocation; change of election

(1) Payment under this part may be made for hospice care provided with respect to an individual only during two periods of 90 days each, a subsequent period of 30 days, and a subsequent extension period during the individual's lifetime and only, with respect to each such period, if the individual makes an election under this paragraph to receive hospice care under this part provided by, or under arrangements made by, a particular hospice program instead of certain other benefits under this subchapter.

(2)(A) Except as provided in subparagraphs (B) and (C) and except in such exceptional and unusual circumstances as the Secretary may provide, if an individual makes such an election for a period with respect to a particular hospice program, the individual shall be deemed to have waived all rights to have payment made under this subchapter with respect to—

(i) hospice care provided by another hospice program (other than under arrangements made by the particular hospice program) during the period, and

(ii) services furnished during the period that are determined (in accordance with guidelines of the Secretary) to be—

(I) related to the treatment of the individual's condition with respect to which a diagnosis of terminal illness has been made or

(II) equivalent to (or duplicative of) hospice care;

except that clause (ii) shall not apply to physicians' services furnished by the individual's attending physician (if not an employee of the hospice program) or to services provided by (or under arrangements made by) the hospice program.

(B) After an individual makes such an election with respect to a 90- or 30-day period or a subsequent extension period, the individual may revoke the election during the period, in which case—

(i) the revocation shall act as a waiver of the right to have payment made under this part for any hospice care benefits for the remaining time in such period and (for purposes of subsection (a)(4) of this section and subparagraph (A)) the individual shall be deemed to have been provided such benefits during such entire period, and

(ii) the individual may at any time after the revocation execute a new election for a subsequent period, if the individual otherwise is entitled to hospice care benefits with respect to such a period.

(C) An individual may, once in each such period, change the hospice program with respect to which the election is made and such change shall not be considered a revocation of an election under subparagraph (B).

(D) For purposes of this subchapter, an individual's election with respect to a hospice program shall no longer be considered to be in effect with respect to that hospice program after the date the individual's revocation or change of election with respect to that election takes effect.

(e) Services taken into account

For purposes of subsections (b) and (c) of this section, inpatient hospital services, inpatient psychiatric hospital services, and post-hospital extended care services shall be taken into account only if payment is or would be, except for this section or the failure to comply with the request and certification requirements of or under section 1395f(a) of this title, made with respect to such services under this part.

(f) Coverage of extended care services without regard to three-day prior hospitalization requirement

(1) The Secretary shall provide for coverage, under clause (B) of subsection (a)(2) of this section, of extended care services which are not post-hospital extended care services at such time and for so long as the Secretary determines, and under such terms and conditions (described in paragraph (2)) as the Secretary finds appropriate, that the inclusion of such services will not result in any increase in the total of payments made under this subchapter and will not alter the acute care nature of the benefit described in subsection (a)(2) of this section.

(2) The Secretary may provide—

(A) for such limitations on the scope and extent of services described in subsection (a)(2)(B) of this section and on the categories of individuals who may be eligible to receive such services, and

(B) notwithstanding sections 1395f, 1395x(v), and 1395ww of this title, for such restrictions and alternatives on the amounts and methods of payment for services described in such subsection,

as may be necessary to carry out paragraph (1).

(g) "Spell of illness" defined

For definitions of ''spell of illness'', and for definitions of other terms used in this part, see section 1395x of this title.

except that the reduction under this sentence for any day shall not exceed the charges im-

posed for that day with respect to such individual for such services (and for this purpose, if the customary charges for such services are greater than the charges so imposed, such customary charges shall be considered to be the charges so imposed).

(2)(A) The amount payable to any provider of services under this part for services furnished an individual shall be further reduced by a deduction equal to the expenses incurred for the first three pints of whole blood (or equivalent quantities of packed red blood cells, as defined under regulations) furnished to the individual during each calendar year, except that such deductible for such blood shall in accordance with regulations be appropriately reduced to the extent that there has been a replacement of such blood (or equivalent quantities of packed red blood cells, as so defined); and for such purposes blood (or equivalent quantities of packed red blood cells, as so defined) furnished such individual shall be deemed replaced when the institution or other person furnishing such blood (or such equivalent quantities of packed red blood cells, as so defined) is given one pint of blood for each pint of blood (or equivalent quantities of packed red blood cells, as so defined) furnished such individual with respect to which a deduction is made under this sentence.

(B) The deductible under subparagraph (A) for blood or blood cells furnished an individual in a year shall be reduced to the extent that a deductible has been imposed under section 1395*l*(b) of this title to blood or blood cells furnished the individual in the year.

(3) The amount payable for post-hospital extended care services furnished an individual during any spell of illness shall be reduced by a coinsurance amount equal to one-eighth of the inpatient hospital deductible for each day (before the 101st day) on which he is furnished such services after such services have been furnished to him for 20 days during such spell.

(4)(A) The amount payable for hospice care shall be reduced—

(i) in the case of drugs and biologicals provided on an outpatient basis by (or under arrangements made by) the hospice program, by a coinsurance amount equal to an amount (not to exceed $5 per prescription) determined in accordance with a drug copayment schedule (established by the hospice program) which is related to, and approximates 5 percent of, the cost of the drug or biological to the program, and

(ii) in the case of respite care provided by (or under arrangements made by) the hospice program, by a coinsurance amount equal to 5 percent of the amount estimated by the hospice program (in accordance with regulations of the Secretary) to be equal to the amount of payment under section 1395f(i) of this title to that program for respite care;

except that the total of the coinsurance required under clause (ii) for an individual may not exceed for a hospice coinsurance period the inpatient hospital deductible applicable for the year in which the period began. For purposes of this subparagraph, the term ''hospice coinsurance period'' means, for an individual, a period of consecutive days beginning with the first day for which an election under section 1395d(d) of this title is in effect for the individual and ending with the close of the first period of 14 consecutive days on each of which such an election is not in effect for the individual.

(B) During the period of an election by an individual under section 1395d(d)(1) of this title, no copayments or deductibles other than those under subparagraph (A) shall apply with respect to services furnished to such individual which constitute hospice care, regardless of the setting in which such services are furnished.

(b) Inpatient hospital deductible; application

(1) The inpatient hospital deductible for 1987 shall be $520. The inpatient hospital deductible for any succeeding year shall be an amount equal to the inpatient hospital deductible for the preceding calendar year, changed by the Secretary's best estimate of the payment-weighted average of the applicable percentage increases (as defined in section 1395ww(b)(3)(B) of this title) which are applied under section 1395ww(d)(3)(A) of this title for discharges in the fiscal year that begins on October 1 of such preceding calendar year, and adjusted to reflect changes in real case mix (determined on the basis of the most recent case mix data available). Any amount determined under the preceding sentence which is not a multiple of $4 shall be rounded to the nearest multiple of $4 (or, if it is midway between two multiples of $4, to the next higher multiple of $4).

(2) The Secretary shall promulgate the inpatient hospital deductible and all coinsurance amounts under this section between September 1 and September 15 of the year preceding the year to which they will apply.

(3) The inpatient hospital deductible for a year shall apply to—

(A) the deduction under the first sentence of subsection (a)(1) of this section for the year in which the first day of inpatient hospital services or inpatient rural primary care hospital services occurs in a spell of illness, and

(B) to the coinsurance amounts under subsection (a) of this section for inpatient hospital services, inpatient rural primary care hospital services and post-hospital extended care services furnished in that year.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1395f, 1395*l*, 1395x, 1395cc, 1395ww, 1396d of this title; title 5 section 8904; title 38 section 1710.

§ 1395f. Conditions of and limitations on payment for services

(a) Requirement of requests and certifications

Except as provided in subsections (d) and (g) of this section and in section 1395mm of this title, payment for services furnished an individual may be made only to providers of services which are eligible therefor under section 1395cc of this title and only if—

(1) written request, signed by such individual, except in cases in which the Secretary finds it impracticable for the individual to do so, is filed for such payment in such form, in such manner, and by such person or persons as the Secretary may by regulation prescribe, no later than the close of the period of 3 calendar years following the year in which such services are furnished (deeming any services furnished in the last 3 calendar months of any calendar year to have been furnished in the succeeding calendar year) except that where the Secretary deems that efficient administration so requires, such period may be reduced to not less than 1 calendar year;

(2) a physician, or, in the case of services described in subparagraph (B), a physician, or a nurse practitioner or clinical nurse specialist who does not have a direct or indirect employment relationship with the facility but is working in collaboration with a physician, certifies (and recertifies, where such services are furnished over a period of time, in such cases, with such frequency, and accompanied by such supporting material, appropriate to the case involved, as may be provided by regulations, except that the first of such recertifi-

cations shall be required in each case of inpatient hospital services not later than the 20th day of such period) that—

(A) in the case of inpatient psychiatric hospital services, such services are or were required to be given on an inpatient basis, by or under the supervision of a physician, for the psychiatric treatment of an individual; and (i) such treatment can or could reasonably be expected to improve the condition for which such treatment is or was necessary or (ii) inpatient diagnostic study is or was medically required and such services are or were necessary for such purposes;

(B) in the case of post-hospital extended care services, such services are or were required to be given because the individual needs or needed on a daily basis skilled nursing care (provided directly by or requiring the supervision of skilled nursing personnel) or other skilled rehabilitation services, which as a practical matter can only be provided in a skilled nursing facility on an inpatient basis, for any of the conditions with respect to which he was receiving inpatient hospital services (or services which would constitute inpatient hospital services if the institution met the requirements of paragraphs (6) and (9) of section 1395x(e) of this title) prior to transfer to the skilled nursing facility or for a condition requiring such extended care services which arose after such transfer and while he was still in the facility for treatment of the condition or conditions for which he was receiving such inpatient hospital services;

(C) in the case of home health services, such services are or were required because the individual is or was confined to his home (except when receiving items and services referred to in section 1395x(m)(7) of this title) and needs or needed skilled nursing care on an intermittent basis or physical or speech therapy or, in the case of an individual who has been furnished home health services based on such a need and who no longer has such a need for such care or therapy, continues or continued to need occupational therapy; a plan for furnishing such services to such individual has been established and is periodically reviewed by a physician; and such services are or were furnished while the individual was under the care of a physician; or

(D) in the case of inpatient hospital services in connection with the care, treatment, filling, removal, or replacement of teeth or structures directly supporting teeth, the individual, because of his underlying medical condition and clinical status or because of the severity of the dental procedure, requires hospitalization in connection with the provision of such services;

(3) with respect to inpatient hospital services (other than inpatient psychiatric hospital services) which are furnished over a period of time, a physician certifies that such services are required to be given on an inpatient basis for such individual's medical treatment, or that inpatient diagnostic study is medically required and such services are necessary for such purpose, except that (A) such certification shall be furnished only in such cases, with such frequency, and accompanied by such supporting material, appropriate to the cases involved, as may be provided by regulations, and (B) the first such certification required in accordance with clause (A) shall be furnished no later than the 20th day of such period;

(4) in the case of inpatient psychiatric hospital services, the services are those which the records of the hospital indicate were furnished to the individual during periods when he was receiving (A) intensive treatment services, (B) admission and related services necessary for a diagnostic study, or (C) equivalent services;

(5) with respect to inpatient hospital services furnished such individual after the 20th day of a continuous period of such services, there was not in effect, at the time of admission of such individual to the hospital, a decision under section 1395cc(d) of this title (based on a finding that utilization review of long-stay cases is not being made in such hospital);

(6) with respect to inpatient hospital services or post-hospital extended care services furnished such individual during a continuous period, a finding has not been made (by the physician members of the committee or group, as described in section 1395x(k)(4) of this title, including any finding made in the course of a sample or other review of admissions to the institution) pursuant to the system of utilization review that further inpatient hospital services or further post-hospital extended care services, as the case may be, are not medically necessary; except that, if such a finding has been made, payment may be made for such services furnished before the 4th day after the day on which the hospital or skilled nursing facility, as the case may be, received notice of such finding;

(7) in the case of hospice care provided an individual—

(A)(i) in the first 90-day period—

(I) the individual's attending physician (as defined in section 1395x(dd)(3)(B) of this title), and

(II) the medical director (or physician member of the interdisciplinary group described in section 1395x(dd)(2)(B) of this title) of the hospice program providing (or arranging for) the care,

each certify in writing, not later than 2 days after hospice care is initiated (or, if each certify verbally not later than 2 days after hospice care is initiated, not later than 8 days after such care is initiated), that the individual is terminally ill (as defined in section 1395x(dd)(3)(A) of this title),

(ii) in a subsequent 90- or 30-day period, the medical director or physician described in clause (i)(II) recertifies at the beginning of the period that the individual is terminally ill, and

(iii) in a subsequent extension period, the medical director or physician described in clause (i)(II) recertifies at the beginning of the period that the individual is terminally ill;

(B) a written plan for providing hospice care with respect to such individual has been

established (before such care is provided by, or under arrangements made by, that hospice program) and is periodically reviewed by the individual's attending physician and by the medical director (and the interdisciplinary group described in section 1395x(dd)(2)(B) of this title) of the hospice program; and

(C) such care is being or was provided pursuant to such plan of care; and

(8) in the case of inpatient rural primary care hospital services, a physician certifies that the individual may reasonably be expected to be discharged or transferred to a hospital within 72 hours after admission to the rural primary care hospital.

To the extent provided by regulations, the certification and recertification requirements of paragraph (2) shall be deemed satisfied where, at a later date, a physician, nurse practitioner, or clinical nurse specialist (as the case may be) makes certification of the kind provided in subparagraph (A), (B), (C), or (D) of paragraph (2) (whichever would have applied), but only where such certification is accompanied by such medical and other evidence as may be required by such regulations. With respect to the physician certification required by paragraph (2) for home health services furnished to any individual by a home health agency (other than an agency which is a governmental entity) and with respect to the establishment and review of a plan for such services, the Secretary shall prescribe regulations which shall become effective no later than July 1, 1981, and which prohibit a physician who has a significant ownership interest in, or a significant financial or contractual relationship with, such home health agency from performing such certification and from establishing or reviewing such plan, except that such prohibition shall not apply with respect to a home health agency which is a sole community home health agency (as determined by the Secretary). For purposes of the preceding sentence, service by a physician as an uncompensated officer or director of a home health agency shall not constitute having a significant ownership interest in, or a significant financial or contractual relationship with, such agency. For purposes of paragraph (2)(C), an individual shall be considered to be ''confined to his home'' if the individual has a condition, due to an illness or injury, that restricts the ability of the individual to leave his or her home except with the assistance of another individual or the aid of a supportive device (such as crutches, a cane, a wheelchair, or a walker), or if the individual has a condition such that leaving his or her home is medically contraindicated. While an individual does not have to be bedridden to be considered ''confined to his home'', the condition of the individual should be such that there exists a normal inability to leave home, that leaving home requires a considerable and taxing effort by the individual, and that absences of the individual from home are infrequent or of relatively short duration, or are attributable to the need to receive medical treatment.

(b) Amount paid to provider of services

The amount paid to any provider of services (other than a hospice program providing hospice care, other than a rural primary care hospital providing inpatient rural primary care hospital services, and other than a home health agency with respect to durable medical equipment) with respect to services for which payment may be made under this part shall, subject to the provisions of sections 1395e and 1395ww of this title, be—

(1) except as provided in paragraph (3), the lesser of (A) the reasonable cost of such services, as determined under section 1395x(v) of this title and as further limited by section 1395rr(b)(2)(B) of this title, or (B) the customary charges with respect to such services;

(2) if such services are furnished by a public provider of services, or by another provider which demonstrates to the satisfaction of the Secretary that a significant portion of its patients are low-income (and requests that payment be made under this paragraph), free of charge or at nominal charges to the public, the amount determined on the basis of those items (specified in regulations prescribed by the Secretary) included in the determination of such reasonable cost which the Secretary finds will provide fair compensation to such provider for such services; or

(3) if some or all of the hospitals in a State have been reimbursed for services (for which payment may be made under this part) pursuant to a reimbursement system approved as a demonstration project under section 402 of the Social Security Amendments of 1967 or section 222 of the Social Security Amendments of 1972, if the rate of increase in such hospitals in their costs per hospital inpatient admission of individuals entitled to benefits under this part over the duration of such project was equal to or less than such rate of increase for admissions of such individuals with respect to all hospitals in the United States during such period, and if either the State has legislative authority to operate such system and the State elects to have reimbursement to such hospitals made in accordance with this paragraph or the system is operated through a voluntary agreement of hospitals and such hospitals elect to have reimbursement to those hospitals made in accordance with this paragraph, then the Secretary may provide for continuation of reimbursement to such hospitals under such system until the Secretary determines that—

(A) a third-party payor reimburses such a hospital on a basis other than under such system, or

(B) the aggregate rate of increase from January 1, 1981, to the most recent date for which annual data are available in such hospitals in costs per hospital inpatient admission of individuals entitled to benefits under this part is greater than such rate of increase for admissions of such individuals with respect to all hospitals in the United States for such period.

In the case of any State which has had such a demonstration project reimbursement system in

continuous operation since July 1, 1977, the Secretary shall provide under paragraph (3) for continuation of reimbursement to hospitals in the State under such system until the first day of the 37th month beginning after the date the Secretary determines and notifies the Governor of the State that either of the conditions described in subparagraph (A) or (B) of such paragraph has occurred. If, by the end of such 36-month period, the Secretary determines, based on evidence submitted by the Governor of the State, that neither of the conditions described in subparagraph (A) or (B) of paragraph (3) continues to apply, the Secretary shall continue without interruption payment to hospitals in the State under the State's system. If, by the end of such 36-month period, the Secretary determines, based on such evidence, that either of the conditions described in subparagraph (A) or (B) of such paragraph continues to apply, the Secretary shall (i) collect any net excess reimbursement to hospitals in the State during such 36-month period (basing such net excess reimbursement on the net difference, if any, in the rate of increase in costs per hospital inpatient admission under the State system compared to the rate of increase in such costs with respect to all hospitals in the United States over the 36-month period, as measured by including the cumulative savings under the State system based on the difference in the rate of increase in costs per hospital inpatient admission under the State system as compared to the rate of increase in such costs with respect to all hospitals in the United States between January 1, 1981, and the date of the Secretary's initial notice), and (ii) provide a reasonable period, not to exceed 2 years, for transition from the State system to the national payment system.

(c) No payments to Federal providers of services

Subject to section 1395qq of this title, no payment may be made under this part (except under subsection (d) or subsection (h) of this section) to any Federal provider of services, except a provider of services which the Secretary determines is providing services to the public generally as a community institution or agency; and no such payment may be made to any provider of services for any item or service which such provider is obligated by a law of, or a contract with, the United States to render at public expense.

(d) Payments for emergency hospital services

(1) Payments shall also be made to any hospital for inpatient hospital services furnished in a calendar year, by the hospital or under arrangements (as defined in section 1395x(w) of this title) with it, to an individual entitled to hospital insurance benefits under section 426 of this title even though such hospital does not have an agreement in effect under this subchapter if (A) such services were emergency services, (B) the Secretary would be required to make such payment if the hospital had such an agreement in effect and otherwise met the conditions of payment hereunder, and (C) such hospital has elected to claim payments for all such inpatient emergency services and for the emergency outpatient services referred to in section 1395n(b) of this title furnished during such year. Such payments shall be made only in the amounts provided under subsection (b) of this section and then only if such hospital agrees to comply, with respect to the emergency services provided, with the provisions of section 1395cc(a) of this title.

(2) Payment may be made on the basis of an itemized bill to an individual entitled to hospital insurance benefits under section 426 of this title for services described in paragraph (1) which are emergency services if (A) payment cannot be made under paragraph (1) solely because the hospital does not elect to claim such payment, and (B) such individual files application (submitted within such time and in such form and manner and by such person, and containing and supported by such information as the Secretary shall by regulations prescribe) for reimbursement.

(3) The amounts payable under the preceding paragraph with respect to services described therein shall, subject to the provisions of section 1395e of this title, be equal to 60 percent of the hospital's reasonable charges for routine services furnished in the accommodations occupied by the individual or in semiprivate accommodations (as defined in section 1395x(v)(4) of this title), whichever is less, plus 80 percent of the hospital's reasonable charges for ancillary services. If separate charges for routine and ancillary services are not made by the hospital, reimbursement may be based on two-thirds of the hospital's reasonable charges for the services received but not to exceed the charges which would have been made if the patient had occupied semiprivate accommodations. For purposes of the preceding provisions of this paragraph, the term ''routine services'' shall mean the regular room, dietary, and nursing services, minor medical and surgical supplies and the use of equipment and facilities for which a separate charge is not customarily made; the term ''ancillary services'' shall mean those special services for which charges are customarily made in addition to routine services.

(e) Payment for inpatient hospital services prior to notification of noneligibility

Notwithstanding that an individual is not entitled to have payment made under this part for inpatient hospital services furnished by any hospital, payment shall be made to such hospital (unless it elects not to receive such payment or, if payment has already been made by or on behalf of such individual, fails to refund such payment within the time specified by the Secretary) for such services which are furnished to the individual prior to notification to such hospital from the Secretary of his lack of entitlement, if such payments are precluded only by reason of section 1395d of this title and if such hospital complies with the requirements of and regulations under this subchapter with respect to such payments, has acted in good faith and without knowledge of such lack of entitlement, and has acted reasonably in assuming entitlement existed. Payment under the preceding sentence may not be made for services furnished an individual pursuant to any admission after the 6th elapsed day (not including as an elapsed day Saturday, Sunday, or a legal holiday) after the day on which such admission occurred.

(f) Payment for certain inpatient hospital services furnished outside United States

(1) Payment shall be made for inpatient hospital services furnished to an individual entitled to hospital insurance benefits under section 426 of this title by a hospital located outside the United States, or under arrangements (as defined in section 1395x(w) of this title) with it, if—

(A) such individual is a resident of the United States, and

(B) such hospital was closer to, or substantially more accessible from, the residence of such individual than the nearest hospital within the United States which was adequately equipped to deal with, and was available for the treatment of, such individual's illness or injury.

(2) Payment may also be made for emergency inpatient hospital services furnished to an individual entitled to hospital insurance benefits under section 426 of this title by a hospital located outside the United States if—

(A) such individual was physically present—

(i) in a place within the United States; or

(ii) at a place within Canada while traveling without unreasonable delay by the most direct route (as determined by the Secretary) between Alaska and another State;

at the time the emergency which necessitated such inpatient hospital services occurred, and

(B) such hospital was closer to, or substantially more accessible from, such place than the nearest hospital within the United States which was adequately equipped to deal with, and was available for the treatment of, such individual's illness or injury.

(3) Payment shall be made in the amount provided under subsection (b) of this section to any hospital for the inpatient hospital services described in paragraph (1) or (2) furnished to an individual by the hospital or under arrangements (as defined in section 1395x(w) of this title) with it if (A) the Secretary would be required to make such payment if the hospital had an agreement in effect under this subchapter and otherwise met the conditions of payment hereunder, (B) such hospital elects to claim such payment, and (C) such hospital agrees to comply, with respect to such services, with the provisions of section 1395cc(a) of this title.

(4) Payment for the inpatient hospital services described in paragraph (1) or (2) furnished to an individual entitled to hospital insurance benefits under section 426 of this title may be made on the basis of an itemized bill to such individual if (A) payment for such services cannot be made under paragraph (3) solely because the hospital does not elect to claim such payment, and (B) such individual files application (submitted within such time and in such form and manner and by such person, and continuing and supported by such information as the Secretary shall by regulations prescribe) for reimbursement. The amount payable with respect to such services shall, subject to the provisions of section 1395e of this title, be equal to the amount which would be payable under subsection (d)(3) of this section.

(g) Payments to physicians for services rendered in teaching hospitals

For purposes of services for which the reasonable cost thereof is determined under section 1395x(v)(1)(D) of this title (or would be if section 1395ww of this title did not apply), payment under this part shall be made to such fund as may be designated by the organized medical staff of the hospital in which such services were furnished or, if such services were furnished in such hospital by the faculty of a medical school, to such fund as may be designated by such faculty, but only if—

(1) such hospital has an agreement with the Secretary under section 1395cc of this title, and

(2) the Secretary has received written assurances that (A) such payment will be used by such fund solely for the improvement of care of hospital patients or for educational or charitable purposes and (B) the individuals who were furnished such services or any other persons will not be charged for such services (or if charged, provision will be made for return of any moneys incorrectly collected).

(h) Payment for specified hospital services provided in Department of Veterans Affairs hospitals; amount of payment

(1) Payments shall also be made to any hospital operated by the Department of Veterans Affairs for inpatient hospital services furnished in a calendar year by the hospital, or under arrangements (as defined in section 1395x(w) of this title) with it, to an individual entitled to hospital benefits under section 426 of this title even though the hospital is a Federal provider of services if (A) the individual was not entitled to have the services furnished to him free of charge by the hospital, (B) the individual was admitted to the hospital in the reasonable belief on the part of the admitting authorities that the individual was a person who was entitled to have the services furnished to him free of charge, (C) the authorities of the hospital, in admitting the individual, and the individual, acted in good faith, and (D) the services were furnished during a period ending with the close of the day on which the authorities operating the hospital first became aware of the fact that the individual was not entitled to have the services furnished to him by the hospital free of charge, or (if later) ending with the first day on which it was medically feasible to remove the individual from the hospital by discharging him therefrom or transferring him to a hospital which has in effect an agreement under this subchapter.

(2) Payment for services described in paragraph (1) shall be in an amount equal to the charge imposed by the Secretary of Veterans Affairs for such services, or (if less) the amount that would be payable for such services under subsection (b) of this section and section 1395ww of this title (as estimated by the Secretary). Any such payment shall be made to the entity to which payment for the services involved would have been payable, if payment for such services had been made by the individual receiving the services involved (or by another private person acting on behalf of such individual).

(i) Payment for hospice care

(1)(A) Subject to the limitation under paragraph (2) and the provisions of section 1395e(a)(4) of this title and except as otherwise provided in this paragraph, the amount paid to a hospice program with respect to hospice care for which payment may be made under this part shall be an amount equal to the costs which are reasonable and related to the cost of providing hospice care or which are based on such other tests of reasonableness as the Secretary may prescribe in regulations (including those authorized under section 1395x(v)(1)(A) of this title), except that no payment may be made for bereavement counseling and no reimbursement may be made for other counseling services (including nutritional and dietary counseling) as separate services.

(B) Notwithstanding subparagraph (A), for hospice care furnished on or after April 1, 1986, the daily rate of payment per day for routine home care shall be $63.17 and the daily rate of payment for other services included in hospice care shall be the daily rate of payment recognized under subparagraph (A) as of July 1, 1985, increased by $10.

(C)(i) With respect to routine home care and other services included in hospice care furnished on or after January 1, 1990, and on or before September 30, 1990, the payment rates for such care and services shall be 120 percent of such rates in effect as of September 30, 1989.

(ii) With respect to routine home care and other services included in hospice care furnished during a subsequent fiscal year, the payment rates for such care and services shall be the payment rates in effect under this subparagraph during the previous fiscal year increased by—

(I) for a fiscal year ending on or before September 30, 1993, the market basket percentage increase (as defined in section 1395ww(b)(3)(B)(iii) of this title) for the fiscal year;

(II) for fiscal year 1994, the market basket percentage increase for the fiscal year minus 2.0 percentage points;

(III) for fiscal year 1995, the market basket percentage increase for the fiscal year minus 1.5 percentage points;

(IV) for fiscal year 1996, the market basket percentage increase for the fiscal year minus 1.5 percentage points;

(V) for fiscal year 1997, the market basket percentage increase for the fiscal year minus 0.5 percentage point; and

(VI) for a subsequent fiscal year, the market basket percentage increase for the fiscal year.

(2)(A) The amount of payment made under this part for hospice care provided by (or under arrangements made by) a hospice program for an accounting year may not exceed the ''cap amount'' for the year (computed under subparagraph (B)) multiplied by the number of medicare beneficiaries in the hospice program in that year (determined under subparagraph (C)).

(B) For purposes of subparagraph (A), the ''cap amount'' for a year is $6,500, increased or decreased, for accounting years that end after October 1, 1984, by the same percentage as the percentage increase or decrease, respectively, in the medical care expenditure category of the Consumer Price Index for All Urban Consumers (United States city average), published by the Bureau of Labor Statistics, from March 1984 to the fifth month of the accounting year.

(C) For purposes of subparagraph (A), the ''number of medicare beneficiaries'' in a hospice program in an accounting year is equal to the number of individuals who have made an election under subsection (d) of this section with respect to the hospice program and have been provided hospice care by (or under arrangements made by) the hospice program under this part in the accounting year, such number reduced to reflect the proportion of hospice care that each such individual was provided in a previous or subsequent accounting year or under a plan of care established by another hospice program.

(j) Elimination of lesser-of-cost-or-charges provision

(1) The lesser-of-cost-or-charges provisions (described in paragraph (2)) will not apply in the case of services provided by a class of provider of services if the Secretary determines and certifies to Congress that the failure of such provisions to apply to the services provided by that class of providers will not result in any increase in the amount of payments made for those services under this subchapter. Such change will take effect with respect to services furnished, or cost reporting periods of providers, on or after such date as the Secretary shall provide in the certification. Such change for a class of provider shall be discontinued if the Secretary determines and notifies Congress that such change has resulted in an increase in the amount of payments made under this subchapter for services provided by that class of provider.

(2) The lesser-of-cost-or-charges provisions referred to in paragraph (1) are as follows:

(A) Clause (B) of paragraph (1) and paragraph (2) of subsection (b) of this section.

(B) Section 1395m(a)(1)(B) of this title.

(C) So much of subparagraph (A) of section 1395*l*(a)(2) of this title as provides for payment other than of the reasonable cost of such services, as determined under section 1395x(v) of this title.

(D) Subclause (II) of clause (i) and clause (ii) of section 1395*l*(a)(2)(B) of this title.

(k) Payments to home health agencies for durable medical equipment

The amount paid to any home health agency with respect to durable medical equipment for which payment may be made under this part shall be the amount described in section 1395m(a)(1) of this title.

(*l*) Payment for inpatient rural primary care hospital services

(1) The amount of payment under this part for inpatient rural primary care hospital services—

(A) in the case of the first 12-month cost reporting period for which the facility operates as such a hospital, is the reasonable costs of the facility in providing inpatient rural primary care hospital services during such period, as such costs are determined on a per diem basis, and

(B) in the case of a later reporting period, is the per diem payment amount established

under this paragraph for the preceding 12-month cost reporting period, increased by the applicable percentage increase under section 1395ww(b)(3)(B)(i) of this title for that particular cost reporting period applicable to hospitals located in a rural area.

The payment amounts otherwise determined under this paragraph shall be reduced, to the extent necessary, to avoid duplication of any payment made under section 1395i–4(a)(2) of this title (or under section 4005(e) of the Omnibus Budget Reconciliation Act of 1987) to cover the provision of inpatient rural primary care hospital services.

(2) The Secretary shall develop a prospective payment system for determining payment amounts for inpatient rural primary care hospital services under this part furnished on or after January 1, 1996.

§ 1395g. Payments to providers of services

(a) Determination of amount

The Secretary shall periodically determine the amount which should be paid under this part to each provider of services with respect to the services furnished by it, and the provider of services shall be paid, at such time or times as the Secretary believes appropriate (but not less often than monthly) and prior to audit or settlement by the General Accounting Office, from the Federal Hospital Insurance Trust Fund, the amounts so determined, with necessary adjustments on account of previously made overpayments or underpayments; except that no such payments shall be made to any provider unless it has furnished such information as the Secretary may request in order to determine the amounts due such provider under this part for the period with respect to which the amounts are being paid or any prior period.

(b) Conditions

No payment shall be made to a provider of services which is a hospital for or with respect to services furnished by it for any period with respect to which it is deemed, under section 1395x(w)(2) of this title, to have in effect an arrangement with a quality control and peer review organization for the conduct of utilization review activities by such organization unless such hospital has paid to such organization the amount due (as determined pursuant to such section) to such organization for the review activities conducted by it pursuant to such arrangements or such hospital has provided assurances satisfactory to the Secretary that such organization will promptly be paid the amount so due to it from the proceeds of the payment claimed by the hospital. Payment under this subchapter for utilization review activities provided by a quality control and peer review organization pursuant to an arrangement or deemed arrangement with a hospital under section 1395x(w)(2) of this title shall be calculated without any requirement that the reasonable cost of such activities be apportioned among the patients of such hospital, if any, to whom such activities were not applicable.

(c) Payments under assignment or power of attorney

No payment which may be made to a provider of services under this subchapter for any service furnished to an individual shall be made to any other person under an assignment or power of attorney; but nothing in this subsection shall be construed (1) to prevent the making of such a payment in accordance with an assignment from the provider if such assignment is made to a governmental agency or entity or is established by or pursuant to the order of a court of competent jurisdiction, or (2) to preclude an agent of the provider of services from receiving any such payment if (but only if) such agent does so pursuant to an agency agreement under which the compensation to be paid to the agent for his services for or in connection with the billing or collection of payments due such provider under this subchapter is unrelated (directly or indirectly) to the amount of such payments or the billings therefor, and is not dependent upon the actual collection of any such payment.

(d) Accrual of interest on balance of excess or deficit not paid

Whenever a final determination is made that the amount of payment made under this part to a provider of services was in excess of or less than the amount of payment that is due, and payment of such excess or deficit is not made (or effected by offset) within 30 days of the date of the determination, interest shall accrue on the balance of such excess or deficit not paid or offset (to the extent that the balance is owed by or owing to the provider) at a rate determined in accordance with the regulations of the Secretary of the Treasury applicable to charges for late payments.

(e) Periodic interim payments

(1) The Secretary shall provide payment under this part for inpatient hospital services furnished by a subsection (d) hospital (as defined in section 1395ww(d)(1)(B) of this title, and including a distinct psychiatric or rehabilitation unit of such a hospital) and a subsection (d) Puerto Rico hospital (as defined in section 1395ww(d)(9)(A) of this title) on a periodic interim payment basis (rather than on the basis of bills actually submitted) in the following cases:

(A) Upon the request of a hospital which is paid through an agency or organization with an agreement with the Secretary under section 1395h of this title, if the agency or organization, for three consecutive calendar months, fails to meet the requirements of subsection (c)(2) of such section and if the hospital meets the requirements (in effect as of October 1, 1986) applicable to payment on such a basis, until such time as the agency or organization meets such requirements for three consecutive calendar months.

(B) In the case of[1] hospital that—

(i) has a disproportionate share adjustment percentage (as established in clause (iv) of such section) of at least 5.1 percent (as computed for purposes of establishing the average standardized amounts for discharges occurring during fiscal year 1987), and

(ii) requests payment on such basis,

but only if the hospital was being paid for inpatient hospital services on such a periodic interim payment basis as of June 30, 1987, and continues to meet the requirements (in effect as of October 1, 1986) applicable to payment on such a basis.

(i) is located in a rural area,

(ii) has 100 or fewer beds, and

[1] So in original. Probably should be followed by ''a''.

continues to meet the requirements (in effect as of October 1, 1986) applicable to payment on such a basis.

(2) The Secretary shall provide (or continue to provide) for payment on a periodic interim payment basis (under the standards established under section 405.454(j) of title 42, Code of Federal Regulations, as in effect on October 1, 1986) with respect to—

(A) inpatient hospital services of a hospital that is not a subsection (d) hospital (as defined in section 1395ww(d)(1)(B) of this title);

(B) a hospital which is receiving payment under a State hospital reimbursement system under section 1395f(b)(3) or 1395ww(c) of this title, if payment on a periodic interim payment basis is an integral part of such reimbursement system;

(C) extended care services;

(D) home health services; and

(E) hospice care;

if the provider of such services elects to receive, and qualifies for, such payments.

(3) In the case of a subsection (d) hospital or a subsection (d) Puerto Rico hospital (as defined for purposes of section 1395ww of this title) which has significant cash flow problems resulting from operations of its intermediary or from unusual circumstances of the hospital's operation, the Secretary may make available appropriate accelerated payments.

(4) A hospital created by the merger or consolidation of 2 or more hospitals or hospital campuses shall be eligible to receive periodic interim payment on the basis described in paragraph (1)(B) if—

(A) at least one of the hospitals or campuses received periodic interim payment on such basis prior to the merger or consolidation; and

§ 1395h. Use of public or private agencies or organizations to facilitate payment to providers of services

(a) Authorization for agreement by Secretary for implementation; scope of agreement

If any group or association of providers of services wishes to have payments under this part to such providers made through a national, State, or other public or private agency or organization and nominates such agency or organization for this purpose, the Secretary is authorized to enter into an agreement with such agency or organization providing for the determination by such agency or organization (subject to the provisions of section 1395*oo* of this title and to such review by the Secretary as may be provided for by the agreement) of the amount of the payments required pursuant to this part to be made to such providers (and to providers assigned to such agency or organization under subsection (e) of this section), and for the making of such payments by such agency or organization to such providers (and to providers assigned to such agency or organization under subsection (e) of this section). Such agreement may also include provision for the agency or organization to do all or any part of the following: (1) to provide consultative services to institutions or agencies to enable them to establish and maintain fiscal records necessary for purposes of this part and otherwise to qualify as hospitals, extended care facilities, or home health agencies, and (2) with respect to the providers of services which are to receive payments through it (A) to serve as a center for, and communicate to providers, any information or instructions furnished to it by the Secretary, and serve as a channel of communication from providers to the Secretary; (B) to make such audits of the records of providers as may be necessary to insure that proper payments are made under this part; and (C) to perform such other functions as are necessary to carry out this subsection. As used in this subchapter and part B of subchapter XI of this chapter, the term ''fiscal intermediary'' means an agency or organization with a contract under this section.

(b) Prerequisites for agreement or renewal of agreement by Secretary

The Secretary shall not enter into or renew an agreement with any agency or organization under this section unless—

(1) he finds—

(A) after applying the standards, criteria, and procedures developed under subsection (f) of this section, that to do so is consistent with the effective and efficient administration of this part, and

(B) that such agency or organization is willing and able to assist the providers to which payments are made through it under this part in the application of safeguards against unnecessary utilization of services furnished by them to individuals entitled to hospital insurance benefits under section 426 of this title, and the agreement provides for such assistance; and

(2) such agency or organization agrees—

(A) to furnish to the Secretary such of the information acquired by it in carrying out its agreement under this section, and

(B) to provide the Secretary with access to all such data, information, and claims processing operations,

as the Secretary may find necessary in performing his functions under this part.

(c) Terms and conditions of agreements; prompt payment of claims

(1) An agreement with any agency or organization under this section may contain such terms and conditions as the Secretary finds necessary or appropriate, may provide for advances of funds to the agency or organization for the making of payments by it under subsection (a) of this section, and shall provide for payment of so much of the cost of administration of the agency or organization as is determined by the Secretary to be necessary and proper for carrying out the functions covered by the agreement. The Secretary shall provide that in determining the necessary and proper cost of administration, the Secretary shall, with respect to each agreement, take into account the amount that is reasonable and adequate to meet the costs which must be incurred by an efficiently and economically operated agency or organization in carrying out the terms of its agreement. The Secretary shall cause to have published in the Federal Register, by not later than September 1 before each fiscal year, data, standards, and methodology to be used to establish budgets for fiscal intermediaries under this section for that fiscal year, and shall cause to be published in the Federal Register for public comment, at least 90 days before such data, standards, and methodology are published, the data, standards, and methodology proposed to be used. The Secretary may not require, as a condition of entering into or renewing an agreement under this section or under section 1395hh of this title, that a fiscal intermediary match data obtained other than in its activities under this part with data used in the administration of this part for purposes of identifying situations in which the provisions of section 1395y(b) of this title may apply.

(2)(A) Each agreement under this section shall provide that payment shall be issued, mailed, or otherwise transmitted with respect to not less than 95 percent of all claims submitted under this subchapter—

(i) which are clean claims, and

(ii) for which payment is not made on a periodic interim payment basis,

within the applicable number of calendar days after the date on which the claim is received.

(B) In this paragraph:

(i) The term ''clean claim'' means a claim that has no defect or impropriety (including any lack of any required substantiating documentation) or particular circumstance requiring special treatment that prevents timely payment from being made on the claim under this subchapter.

(ii) The term ''applicable number of calendar days'' means—

(I) with respect to claims received in the 12-month period beginning October 1, 1986, 30 calendar days,

(II) with respect to claims received in the 12-month period beginning October 1, 1987, 26 calendar days,

(III) with respect to claims received in the 12-month period beginning October 1, 1988, 25 calendar days, and [1]

(IV) with respect to claims received in the 12-month period beginning October 1, 1989, and claims received in any succeeding 12-month period ending on or before September 30, 1993, 24 calendar days.[2]

(V) with respect to claims received in the 12-month period beginning October 1, 1993, and claims received in any succeeding 12-month period, 30 calendar days.

(C) If payment is not issued, mailed, or otherwise transmitted within the applicable number of calendar days (as defined in clause (ii) of subparagraph (B)) after a clean claim (as defined in clause (i) of such subparagraph) is received from a hospital, rural primary care hospital, skilled nursing facility, home health agency, hospice program, comprehensive outpatient rehabilitation facility, or rehabilitation agency that is not receiving payments on a periodic interim payment basis with respect to such services, interest shall be paid at the rate used for purposes of section 3902(a) of title 31 (relating to interest penalties for failure to make prompt payments) for the period beginning on the day after the required payment date and ending on the date on which payment is made.

(3)(A) Each agreement under this section shall provide that no payment shall be issued, mailed, or otherwise transmitted with respect to any claim submitted under this subchapter within the applicable number of calendar days after the date on which the claim is received.

(B) In this paragraph, the term ''applicable number of calendar days'' means—

(i) with respect to claims submitted electronically as prescribed by the Secretary, 13 days, and

(ii) with respect to claims submitted otherwise, 26 days.

(d) Nomination of agency or organization; withdrawal

If the nomination of an agency or organization as provided in this section is made by a group or association of providers of services, it shall not be binding on members of the group or association which notify the Secretary of their election to that effect. Any provider may, upon such notice as may be specified in the agreement under this section with an agency or organization, withdraw its nomination to receive payments through such agency or organization. Any provider which has withdrawn its nomination, and any provider which has not made a nomination, may elect to receive payments from any agency or organization which has entered into an agreement with the Secretary under this section if the Secretary and such agency or organization agree to it.

(e) Assignment or reassignment of provider of services; designation of agency or organization to perform provider services and home health agency functions

(1) Notwithstanding subsections (a) and (d) of this section, the Secretary, after taking into consideration any preferences of providers of services, may assign or reassign any provider of services to any agency or organization which has entered into an agreement with him under this section, if he determines, after applying the standards, criteria, and procedures developed under subsection (f) of this section, that such assignment or reassignment would result in the more effective and efficient administration of this part.

(2) Notwithstanding subsections (a) and (d) of this section, the Secretary may (subject to the provisions of paragraph (4)) designate a national or regional agency or organization which has entered into an agreement with him under this section to perform functions under the agreement with respect to a class of providers of services in the Nation or region (as the case may be), if he determines, after applying the standards, criteria, and procedures developed under subsection (f) of this section, that such designation would result in more effective and efficient administration of this part.

(3)(A) Before the Secretary makes an assignment or reassignment under paragraph (1) of a provider of services to other than the agency or organization nominated by the provider, he shall furnish (i) the provider and such agency or organization with a full explanation of the reasons for his determination as to the efficiency and effectiveness of the agency or organization to perform the functions required under this part with respect to the provider, and (ii) such agency or organization with opportunity for a hearing, and such determination shall be subject to judicial review in accordance with chapter 7 of title 5.

(B) Before the Secretary makes a designation under paragraph (2) with respect to a class of providers of services, he shall furnish (i) such providers and the agencies and organizations adversely affected by such designation with a full explanation of the reasons for his determination as to the efficiency and effectiveness of such agencies and organizations to perform the functions required under this part with respect to such providers, and (ii) the agencies and organizations adversely affected by such designation with opportunity for a hearing, and such determination shall be subject to judicial review in accordance with chapter 7 of title 5.

(4) Notwithstanding subsections (a) and (d) of this section and paragraphs (1), (2), and (3) of this subsection, the Secretary shall designate regional agencies or organizations which have entered into an agreement with him under this section to perform functions under such agreement with respect to home health agencies (as defined in section 1395x(*o*) of this title) in the region, except that in assigning such agencies to such designated regional agencies or organizations the Secretary shall assign a home health agency which is a subdivision of a hospital (and such agency and hospital are affiliated or under common control) only if, after applying such

criteria relating to administrative efficiency and effectiveness as he shall promulgate, he determines that such assignment would result in the more effective and efficient administration of this subchapter. By not later than July 1, 1987, the Secretary shall limit the number of such regional agencies or organizations to not more than ten.

(5) Notwithstanding any other provision of this subchapter, the Secretary shall designate the agency or organization which has entered into an agreement under this section to perform functions under such an agreement with respect to each hospice program, except that with respect to a hospice program which is a subdivision of a provider of services (and such hospice program and provider of services are under common control) due regard shall be given to the agency or organization which performs the functions under this section for the provider of services.

(f) Development of standards, criteria, and procedures by Secretary for evaluation of agency or organization performance

(1) In order to determine whether the Secretary should enter into, renew, or terminate an agreement under this section with an agency or organization, whether the Secretary should assign or reassign a provider of services to an agency or organization, and whether the Secretary should designate an agency or organization to perform services with respect to a class of providers of services, the Secretary shall develop standards, criteria, and procedures to evaluate such agency's or organization's (A) overall performance of claims processing (including the agency's or organization's success in recovering payments made under this subchapter for services for which payment has been or could be made under a primary plan (as defined in section 1395y(b)(2)(A) of this title)) and other related functions required to be performed by such an agency or organization under an agreement entered into under this section, and (B) performance of such functions with respect to specific providers of services, and the Secretary shall establish standards and criteria with respect to the efficient and effective administration of this part. No agency or organization shall be found under such standards and criteria not to be efficient or effective or to be less efficient or effective solely on the ground that the agency or organization serves only providers located in a single State.

(2) The standards and criteria established under paragraph (1) shall include—

(A) with respect to claims for services furnished under this part by any provider of services other than a hospital—

(i) whether such agency or organization is able to process 75 percent of reconsiderations within 60 days (except in the case of fiscal year 1989, 66 percent of reconsiderations) and 90 percent of reconsiderations within 90 days, and

(ii) the extent to which such agency's or organization's determinations are reversed on appeal; and

(B) with respect to applications for an exemption from or exception or adjustment to the target amount applicable under section 1395ww(b) of this title to a hospital that is not a subsection (d) hospital (as defined in section 1395ww(d)(1)(B) of this title)—

(i) if such agency or organization receives a completed application, whether such agency or organization is able to process such application not later than 75 days after the application is filed, and

(ii) if such agency or organization receives an incomplete application, whether such agency or organization is able to return the application with instructions on how to complete the application not later than 60 days after the application is filed.

(g) Termination of agreement; procedures applicable

An agreement with the Secretary under this section may be terminated—

(1) by the agency or organization which entered into such agreement at such time and upon such notice to the Secretary, to the public, and to the providers as may be provided in regulations, or

(2) by the Secretary at such time and upon such notice to the agency or organization, to the providers which have nominated it for purposes of this section, and to the public, as may be provided in regulations, but only if he finds, after applying the standards, criteria, and procedures developed under subsection (f) of this section and after reasonable notice and opportunity for hearing to the agency or organization, that (A) the agency or organization has failed substantially to carry out the agreement, or (B) the continuation of some or all of the functions provided for in the agreement with the agency or organization is disadvantageous or is inconsistent with the efficient administration of this part.

(h) Bonding requirement under agreement for officers and employees of agency or organization

An agreement with an agency or organization under this section may require any of its officers or employees certifying payments or disbursing funds pursuant to the agreement, or otherwise participating in carrying out the agreement, to give surety bond to the United States in such amount as the Secretary may deem appropriate.

(i) Liability of certifying and disbursing officers designated under agreement for negligent, etc., payments

(1) No individual designated pursuant to an agreement under this section as a certifying officer shall, in the absence of gross negligence or intent to defraud the United States, be liable with respect to any payments certified by him under this section.

(2) No disbursing officer shall, in the absence of gross negligence or intent to defraud the United States, be liable with respect to any payment by him under this section if it was based upon a voucher signed by a certifying officer designated as provided in paragraph (1) of this subsection.

(3) No such agency or organization shall be liable to the United States for any payments referred to in paragraph (1) or (2).

(j) Denial of claim; notification and reconsideration

An agreement with an agency or organization under this section shall require that, with respect to a claim for home health services, extended care services, or post-hospital extended care services submitted by a provider to such agency or organization that is denied, such agency or organization—

(1) furnish the provider and the individual with respect to whom the claim is made with a written explanation of the denial and of the statutory or regulatory basis for the denial; and

(2) in the case of a request for reconsideration of a denial, promptly notify such individual and the provider of the disposition of such reconsideration.

(k) Annual reporting requirement on erroneous payment recovery

An agreement with an agency or organization under this section shall require that such agency or organization submit an annual report to the Secretary describing the steps taken to recover payments made for items or services for which payment has been or could be made under a primary plan (as defined in section 1395y(b)(2)(A) of this title).

§ 1395i. Federal Hospital Insurance Trust Fund

(a) Creation; deposits; transfers from Treasury

There is hereby created on the books of the Treasury of the United States a trust fund to be known as the ''Federal Hospital Insurance Trust Fund'' (hereinafter in this section referred to as the ''Trust Fund''). The Trust Fund shall consist of such gifts and bequests as may be made as provided in section 401(i)(1) of this title, and such amounts as may be deposited in, or appropriated to, such fund as provided in this part. There are hereby appropriated to the Trust Fund for the fiscal year ending June 30, 1966, and for each fiscal year thereafter, out of any moneys in the Treasury not otherwise appropriated, amounts equivalent to 100 per centum of—

(1) the taxes imposed by sections 3101(b) and 3111(b) of the Internal Revenue Code of 1986 with respect to wages reported to the Secretary of the Treasury or his delegate pursuant to subtitle F of such Code after December 31, 1965, as determined by the Secretary of the Treasury by applying the applicable rates of tax under such sections to such wages, which wages shall be certified by the Commissioner of Social Security on the basis of records of wages established and maintained by the Commissioner of Social Security in accordance with such reports; and

(2) the taxes imposed by section 1401(b) of the Internal Revenue Code of 1986 with respect to self-employment income reported to the Secretary of the Treasury or his delegate on tax returns under subtitle F of such Code, as determined by the Secretary of the Treasury by applying the applicable rate of tax under such section to such self-employment income, which self-employment income shall be certified by the Commissioner of Social Security on the basis of records of self-employment established and maintained by the Commissioner of Social Security in accordance with such returns.

The amounts appropriated by the preceding sentence shall be transferred from time to time from the general fund in the Treasury to the Trust Fund, such amounts to be determined on the basis of estimates by the Secretary of the Treasury of the taxes, specified in the preceding sentence, paid to or deposited into the Treasury; and proper adjustments shall be made in amounts subsequently transferred to the extent prior estimates were in excess of or were less than the taxes specified in such sentence.

(b) Board of Trustees; composition; meetings; duties

With respect to the Trust Fund, there is hereby created a body to be known as the Board of Trustees of the Trust Fund (hereinafter in this section referred to as the ''Board of Trustees'') composed of the Commissioner of Social Security, the Secretary of the Treasury, the Secretary of Labor, and the Secretary of Health and Human Services, all ex officio, and of two members of the public (both of whom may not be from the same political party), who shall be nominated by the President for a term of four years and subject to confirmation by the Senate. A member of the Board of Trustees serving as a member of the public and nominated and confirmed to fill a vacancy occurring during a term shall be nominated and confirmed only for the remainder of such term. An individual nominated and confirmed as a member of the public may serve in such position after the expiration of such member's term until the earlier of the time at which the member's successor takes office or the time at which a report of the Board is first issued under paragraph (2) after the expiration of the member's term. The Secretary of the Treasury shall be the Managing Trustee of the Board of Trustees (hereinafter in this section referred to as the ''Managing Trustee''). The Administrator of the Health Care Financing Administration shall serve as the Secretary of the Board of Trustees. The Board of Trustees shall meet not less frequently than once each calendar year. It shall be the duty of the Board of Trustees to—

(1) Hold the Trust Fund;

(2) Report to the Congress not later than the first day of April of each year on the operation and status of the Trust Fund during the preceding fiscal year and on its expected operation and status during the current fiscal year and the next 2 fiscal years;

(3) Report immediately to the Congress whenever the Board is of the opinion that the amount of the Trust Fund is unduly small; and

(4) Review the general policies followed in managing the Trust Fund, and recommend changes in such policies, including necessary changes in the provisions of law which govern the way in which the Trust Fund is to be managed.

The report provided for in paragraph (2) shall include a statement of the assets of, and the disbursements made from, the Trust Fund during the preceding fiscal year, an estimate of the expected income to, and disbursements to be made from, the Trust Fund during the current fiscal year and each of the next 2 fiscal years, and a statement of the actuarial status of the Trust Fund. Such report shall also include an actuarial opinion by the Chief Actuarial Officer of the Health Care Financing Administration certifying that the techniques and methodologies used are generally accepted within the actuarial profession and that the assumptions and cost estimates used are reasonable. Such report shall be printed as a House document of the session of the Congress to which the report is made. A person serving on the Board of Trustees shall not be considered to be a fiduciary and shall not be per-

sonally liable for actions taken in such capacity with respect to the Trust Fund.

(c) Investment of Trust Fund by Managing Trustee

It shall be the duty of the Managing Trustee to invest such portion of the Trust Fund as is not, in his judgment, required to meet current withdrawals. Such investments may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of title 31 are hereby extended to authorize the issuance at par of public-debt obligations for purchase by the Trust Fund. Such obligations issued for purchase by the Trust Fund shall have maturities fixed with due regard for the needs of the Trust Fund and shall bear interest at a rate equal to the average market yield (computed by the Managing Trustee on the basis of market quotations as of the end of the calendar month next preceding the date of such issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of 4 years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest on such obligations shall be the multiple of one-eighth of 1 per centum nearest such market yield. The Managing Trustee may purchase other interest-bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price, only where he determines that the purchase of such other obligations is in the public interest.

(d) Authority of Managing Trustee to sell obligations

Any obligations acquired by the Trust Fund (except public-debt obligations issued exclusively to the Trust Fund) may be sold by the Managing Trustee at the market price, and such public-debt obligations may be redeemed at par plus accrued interest.

(e) Interest on and proceeds from sale or redemption of obligations

The interest on, and the proceeds from the sale or redemption of, any obligations held in the Trust Fund shall be credited to and form a part of the Trust Fund.

(f) Payment of estimated taxes

(1) The Managing Trustee is directed to pay from time to time from the Trust Fund into the Treasury the amount estimated by him as taxes imposed under section 3101(b) which are subject to refund under section 6413(c) of the Internal Revenue Code of 1986 with respect to wages paid after December 31, 1965. Such taxes shall be determined on the basis of the records of wages established and maintained by the Commissioner of Social Security in accordance with the wages reported to the Secretary of the Treasury or his delegate pursuant to subtitle F of the Internal Revenue Code of 1986, and the Commissioner of Social Security shall furnish the Managing Trustee such information as may be required by the Managing Trustee for such purpose. The payments by the Managing Trustee shall be covered into the Treasury as repayments to the account for refunding internal revenue collections.

(2) Repayments made under paragraph (1) shall not be available for expenditures but shall be carried to the surplus fund of the Treasury. If it subsequently appears that the estimates under such paragraph in any particular period were too high or too low, appropriate adjustments shall be made by the Managing Trustee in future payments.

(g) Transfers from other Funds

There shall be transferred periodically (but not less often than once each fiscal year) to the Trust Fund from the Federal Old-Age and Survivors Insurance Trust Fund and from the Federal Disability Insurance Trust Fund amounts equivalent to the amounts not previously so transferred which the Secretary of Health and Human Services shall have certified as overpayments (other than amounts so certified to the Railroad Retirement Board) pursuant to section 1395gg(b) of this title. There shall be transferred periodically (but not less often than once each fiscal year) to the Trust Fund from the Railroad Retirement Account amounts equivalent to the amounts not previously so transferred which the Secretary of Health and Human Services shall have certified as overpayments to the Railroad Retirement Board pursuant to section 1395gg(b) of this title.

(h) Payments from Trust Fund amounts certified by Secretary

The Managing Trustee shall also pay from time to time from the Trust Fund such amounts as the Secretary of Health and Human Services certifies are necessary to make the payments provided for by this part, and the payments with respect to administrative expenses in accordance with section 401(g)(1) of this title.

(i) Payment of travel expenses for travel within United States; reconsideration interviews and proceedings before administrative law judges

There are authorized to be made available for expenditure out of the Trust Fund such amounts as are required to pay travel expenses, either on an actual cost or commuted basis, to parties, their representatives, and all reasonably necessary witnesses for travel within the United States (as defined in section 410(i) of this title) to attend reconsideration interviews and proceedings before administrative law judges with respect to any determination under this subchapter. The amount available under the preceding sentence for payment for air travel by any person shall not exceed the coach fare for air travel between the points involved unless the use of first-class accommodations is required (as determined under regulations of the Secretary) because of such person's health condition or the unavailability of alternative accommodations; and the amount available for payment for other travel by any person shall not exceed the cost of

travel (between the points involved) by the most economical and expeditious means of transportation appropriate to such person's health condition, as specified in such regulations. The amount available for payment under this subsection for travel by a representative to attend an administrative proceeding before an administrative law judge or other adjudicator shall not exceed the maximum amount allowable under this subsection for such travel originating within the geographic area of the office having jurisdiction over such proceeding.

(j) Loans from other Funds; interest; repayment; report to Congress

(1) If at any time prior to January 1988 the Managing Trustee determines that borrowing authorized under this subsection is appropriate in order to best meet the need for financing the benefit payments from the Federal Hospital Insurance Trust Fund, the Managing Trustee may, subject to paragraph (5), borrow such amounts as he determines to be appropriate from either the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund for transfer to and deposit in the Federal Hospital Insurance Trust Fund.

(2) In any case where a loan has been made to the Federal Hospital Insurance Trust Fund under paragraph (1), there shall be transferred on the last day of each month after such loan is made, from such Trust Fund to the lending Trust Fund, the total interest accrued to such day with respect to the unrepaid balance of such loan at a rate equal to the rate which the lending Trust Fund would earn on the amount involved if the loan were an investment under subsection (c) of this section (even if such an investment would earn interest at a rate different than the rate earned by investments redeemed by the lending fund in order to make the loan).

(3)(A) If in any month after a loan has been made to the Federal Hospital Insurance Trust Fund under paragraph (1), the Managing Trustee determines that the assets of such Trust Fund are sufficient to permit repayment of all or part of any loans made to such Fund under paragraph (1), he shall make such repayments as he determines to be appropriate.

(B)(i) If on the last day of any year after a loan has been made under paragraph (1) by the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund to the Federal Hospital Insurance Trust Fund, the Managing Trustee determines that the Hospital Insurance Trust Fund ratio exceeds 15 percent, he shall transfer from such Trust Fund to the lending trust fund an amount that—

(I) together with any amounts transferred to another lending trust fund under this paragraph for such year, will reduce the Hospital Insurance Trust Fund ratio to 15 percent; and

(II) does not exceed the outstanding balance of such loan.

(ii) Amounts required to be transferred under clause (i) shall be transferred on the last day of the first month of the year succeeding the year in which the determination described in clause (i) is made.

(iii) For purposes of this subparagraph, the term ''Hospital Insurance Trust Fund ratio'' means, with respect to any calendar year, the ratio of—

(I) the balance in the Federal Hospital Insurance Trust Fund, as of the last day of such calendar year; to

(II) the amount estimated by the Secretary to be the total amount to be paid from the Federal Hospital Insurance Trust Fund during the calendar year following such calendar year (other than payments of interest on, and repayments of, loans from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund under paragraph (1)), and reducing the amount of any transfer to the Railroad Retirement Account by the amount of any transfers into such Trust Fund from the Railroad Retirement Account.

(C)(i) The full amount of all loans made under paragraph (1) (whether made before or after January 1, 1983) shall be repaid at the earliest feasible date and in any event no later than December 31, 1989.

(ii) For the period after December 31, 1987 and before January 1, 1990, the Managing Trustee shall transfer each month from the Federal Hospital Insurance Trust Fund to any Trust Fund that is owed any amount by the Federal Hospital Insurance Trust Fund on a loan made under paragraph (1), an amount not less than an amount equal to (I) the amount owed to such Trust Fund by the Federal Hospital Insurance Trust Fund at the beginning of such month (plus the interest accrued on the outstanding balance of such loan during such month), divided by (II) the number of months elapsing after the preceding month and before January 1990. The Managing Trustee may, during this period, transfer larger amounts than prescribed by the preceding sentence.

(4) The Board of Trustees shall make a timely report to the Congress of any amounts transferred (including interest payments) under this subsection.

(5)(A) No amounts may be loaned by the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund under paragraph (1) during any month if the OASDI trust fund ratio for such month is less than 10 percent.

(B) For purposes of this paragraph, the term ''OASDI trust fund ratio'' means, with respect to any month, the ratio of—

(i) the combined balance in the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund, reduced by the outstanding amount of any loan (including interest thereon) theretofore made to either such Trust Fund from the Federal Hospital Insurance Trust Fund under section 401(*l*) of this title, as of the last day of the second month preceding such month, to

(ii) the amount obtained by multiplying by twelve the total amount which (as estimated by the Secretary) will be paid from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund during the month for which such ratio is to be determined for all purposes authorized by section 401 of this title (other than payments of interest on, or repayments of,

loans from the Federal Hospital Insurance Trust Fund under section 401(*l*) of this title), but excluding any transfer payments between such trust funds and reducing the amount of any transfers to the Railroad Retirement Account by the amount of any transfers into either such trust fund from that Account.

§ 1395i–3. Requirements for, and assuring quality of care in, skilled nursing facilities

(a) "Skilled nursing facility" defined

In this subchapter, the term ''skilled nursing facility'' means an institution (or a distinct part of an institution) which—

(1) is primarily engaged in providing to residents—

(A) skilled nursing care and related services for residents who require medical or nursing care, or

(B) rehabilitation services for the rehabilitation of injured, disabled, or sick persons,

and is not primarily for the care and treatment of mental diseases;

(3) meets the requirements for a skilled nursing facility described in subsections (b), (c), and (d) of this section.

(b) Requirements relating to provision of services

(1) Quality of life

(A) In general

A skilled nursing facility must care for its residents in such a manner and in such an environment as will promote maintenance or enhancement of the quality of life of each resident.

(B) Quality assessment and assurance

A skilled nursing facility must maintain a quality assessment and assurance committee, consisting of the director of nursing services, a physician designated by the facility, and at least 3 other members of the facility's staff, which (i) meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary and (ii) develops and implements appropriate plans of action to correct identified quality deficiencies. A State or the Secretary may not require disclosure of the records of such committee except insofar as such disclosure is related to the compliance of such committee with the requirements of this subparagraph.

(2) Scope of services and activities under plan of care

A skilled nursing facility must provide services to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident, in accordance with a written plan of care which—

(A) describes the medical, nursing, and psychosocial needs of the resident and how such needs will be met;

(B) is initially prepared, with the participation to the extent practicable of the resident or the resident's family or legal representative, by a team which includes the resident's attending physician and a registered professional nurse with responsibility for the resident; and

(C) is periodically reviewed and revised by such team after each assessment under paragraph (3).

(3) Residents' assessment

(A) Requirement

A skilled nursing facility must conduct a comprehensive, accurate, standardized, reproducible assessment of each resident's functional capacity, which assessment—

(i) describes the resident's capability to perform daily life functions and significant impairments in functional capacity;

(ii) is based on a uniform minimum data set specified by the Secretary under subsection (f)(6)(A) of this section;

(iii) uses an instrument which is specified by the State under subsection (e)(5) of this section; and

(iv) includes the identification of medical problems.

(B) Certification

(i) In general

Each such assessment must be conducted or coordinated (with the appropriate participation of health professionals) by a registered professional nurse who signs and certifies the completion of the assessment. Each individual who completes a portion of such an assessment shall sign and certify as to the accuracy of that portion of the assessment.

(ii) Penalty for falsification

(I) An individual who willfully and knowingly certifies under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than $1,000 with respect to each assessment.

(II) An individual who willfully and knowingly causes another individual to certify under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than $5,000 with respect to each assessment.

(III) The provisions of section 1320a–7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this clause in the same manner as such provisions apply to a penalty or proceeding under section 1320a–7a(a) of this title.

(iii) Use of independent assessors

If a State determines, under a survey under subsection (g) of this section or otherwise, that there has been a knowing and willful certification of false assessments under this paragraph, the State may require (for a period specified by the State) that resident assessments under this paragraph be conducted and certified by individuals who are independent of the facility and who are approved by the State.

(C) Frequency

(i) In general

Such an assessment must be conducted—

(I) promptly upon (but no later than 14 days after the date of) admission for each individual admitted on or after October 1, 1990, and by not later than January 1, 1991, for each resident of the facility on that date;

(II) promptly after a significant change in the resident's physical or mental condition; and

(III) in no case less often than once every 12 months.

(ii) Resident review

The skilled nursing facility must examine each resident no less frequently than once every 3 months and, as appropriate, revise the resident's assessment to assure the continuing accuracy of the assessment.

(D) Use

The results of such an assessment shall be used in developing, reviewing, and revising the resident's plan of care under paragraph (2).

(E) Coordination

Such assessments shall be coordinated with any State-required preadmission screening program to the maximum extent practicable in order to avoid duplicative testing and effort.

(4) Provision of services and activities

(A) In general

To the extent needed to fulfill all plans of care described in paragraph (2), a skilled nursing facility must provide, directly or under arrangements (or, with respect to dental services, under agreements) with others for the provision of—

(vii) treatment and services required by mentally ill and mentally retarded residents not otherwise provided or arranged for (or required to be provided or arranged for) by the State.

The services provided or arranged by the facility must meet professional standards of quality. Nothing in clause (vi) shall be construed as requiring a facility to provide or arrange for dental services described in that clause without additional charge.

(B) Qualified persons providing services

Services described in clauses (i), (ii), (iii), (iv), and (vi) of subparagraph (A) must be provided by qualified persons in accordance with each resident's written plan of care.

(C) Required nursing care

(i) In general

Except as provided in clause (ii), a skilled nursing facility must provide 24-hour licensed nursing service which is sufficient to meet nursing needs of its residents and must use the services of a registered professional nurse at least at least[1] 8 consecutive hours a day, 7 days a week.

(ii) Exception

To the extent that clause (i) may be deemed to require that a skilled nursing facility engage the services of a registered professional nurse for more than 40 hours a week, the Secretary is authorized to waive such requirement if the Secretary finds that—

(I) the facility is located in a rural area and the supply of skilled nursing facility services in such area is not sufficient to meet the needs of individuals residing therein,

(II) the facility has one full-time registered professional nurse who is regularly on duty at such facility 40 hours a week,

(III) the facility either has only patients whose physicians have indicated (through physicians' orders or admission notes) that each such patient does not require the services of a registered nurse or a physician for a 48-hour period, or has made arrangements for a registered professional nurse or a physician to spend such time at such facility as may be indicated as necessary by the physician to provide necessary skilled nursing services on days when the regular full-time registered professional nurse is not on duty,

(IV) the Secretary provides notice of the waiver to the State long-term care ombudsman (established under section 307(a)(12) of the Older Americans Act of 1965 [42 U.S.C. 3027(a)(12)]) and the protection and advocacy system in the State for the mentally ill and the mentally retarded, and

(V) the facility that is granted such a waiver notifies residents of the facility (or, where appropriate, the guardians or legal representatives of such residents) and members of their immediate families of the waiver.

[1] So in original.

A waiver under this subparagraph shall be subject to annual renewal.

(5) Required training of nurse aides

(A) In general

(i) Except as provided in clause (ii), a skilled nursing facility must not use on a full-time basis any individual as a nurse aide in the facility on or after October 1, 1990 for more than 4 months unless the individual—

(I) has completed a training and competency evaluation program, or a competency evaluation program, approved by the State under subsection (e)(1)(A) of this section, and

A skilled nursing facility must provide, for individuals used as a nurse aide[2] by the facility as of January 1, 1990, for a competency evaluation program approved by the State under subsection (e)(1) of this section and such preparation as may be necessary for the individual to complete such a program by October 1, 1990.

(C) Competency

The skilled nursing facility must not permit an individual, other than in a training and competency evaluation program approved by the State, to serve as a nurse aide or provide services of a type for which the individual has not demonstrated competency and must not use such an individual as a nurse aide unless the facility has inquired of any State registry established under subsection (e)(2)(A) of this section that the facility believes will include information concerning the individual.

(D) Re-training required

For purposes of subparagraph (A), if, since an individual's most recent completion of a training and competency evaluation program, there has been a continuous period of 24 consecutive months during none of which the individual performed nursing or nursing-related services for monetary compensation, such individual shall complete a new training and competency evaluation program or a new competency evaluation program.

(E) Regular in-service education

The skilled nursing facility must provide such regular performance review and regular in-service education as assures that individuals used as nurse aides are competent to perform services as nurse aides, including training for individuals providing nursing and nursing-related services to residents with cognitive impairments.

(F) "Nurse aide" defined

In this paragraph, the term ''nurse aide'' means any individual providing nursing or nursing-related services to residents in a skilled nursing facility, but does not include an individual—

(i) who is a licensed health professional (as defined in subparagraph (G)) or a registered dietician, or

(ii) who volunteers to provide such services without monetary compensation.

(G) "Licensed health professional" defined

In this paragraph, the term ''licensed health professional'' means a physician, physician assistant, nurse practitioner, physical, speech, or occupational therapist, physical or occupational therapy assistant, registered professional nurse, licensed practical nurse, licensed or certified social worker, registered respiratory therapist, or certified respiratory therapy technician.

In the case of a skilled nursing facility with more than 120 beds, the facility must have at least one social worker (with at least a bachelor's degree in social work or similar professional qualifications) employed full-time to provide or assure the provision of social services.

(c) Requirements relating to residents' rights

(i) Free choice

The right to choose a personal attending physician, to be fully informed in advance about care and treatment, to be fully informed in advance of any changes in care or treatment that may affect the resident's well-being, and (except with respect to a resident adjudged incompetent) to participate in planning care and treatment or changes in care and treatment.

(vii) Participation in resident and family groups

The right of the resident to organize and participate in resident groups in the facility and the right of the resident's family to meet in the facility with the families of other residents in the facility.

(viii) Participation in other activities

The right of the resident to participate in social, religious, and community activities that do not interfere with the rights of other residents in the facility.

(ix) Examination of survey results

The right to examine, upon reasonable request, the results of the most recent survey of the facility conducted by the Secretary or a State with respect to the facility and any plan of correction in effect with respect to the facility.

(x) Refusal of certain transfers

The right to refuse a transfer to another room within the facility, if a purpose of the transfer is to relocate the resident from a portion of the facility that is a skilled nursing facility (for purposes of this subchapter) to a portion of the facility that is not such a skilled nursing facility.

(xi) Other rights

Any other right established by the Secretary.

Clause (iii) shall not be construed as requiring the provision of a private room. A resident's exercise of a right to refuse transfer under clause (x) shall not affect the resident's eligibility or entitlement to benefits under this subchapter or to medical assistance under subchapter XIX of this chapter.

(B) Notice of rights and services

A skilled nursing facility must—

(i) inform each resident, orally and in writing at the time of admission to the facility, of the resident's legal rights during the stay at the facility;

(ii) make available to each resident, upon reasonable request, a written statement of such rights (which statement is updated upon changes in such rights) including the notice (if any) of the State developed under section 1396r(e)(6) of this title; and

(iii) inform each other resident, in writing before or at the time of admission and periodically during the resident's stay, of services available in the facility and of related charges for such services, including any charges for services not covered under this subchapter or by the facility's basic per diem charge.

The written description of legal rights under this subparagraph shall include a description of the protection of personal funds under paragraph (6) and a statement that a resident may file a complaint with a State survey and certification agency respecting resident abuse and neglect and misappropriation of resident property in the facility.

(C) Rights of incompetent residents

In the case of a resident adjudged incompetent under the laws of a State, the rights of the resident under this subchapter shall devolve upon, and, to the extent judged necessary by a court of competent jurisdiction, be exercised by, the person appointed under State law to act on the resident's behalf.

(D) Use of psychopharmacologic drugs

Psychopharmacologic drugs may be administered only on the orders of a physician and only as part of a plan (included in the written plan of care described in paragraph (2)) designed to eliminate or modify the symptoms for which the drugs are prescribed and only if, at least annually, an independent, external consultant reviews the appropriateness of the drug plan of each resident receiving such drugs. In determining whether such a consultant is qualified to conduct reviews under the preceding sentence, the Secretary shall take into account the needs of nursing facilities under this subchapter to have access to the services of such a consultant on a timely basis.

(E) Information respecting advance directives

A skilled nursing facility must comply with the requirement of section 1395cc(f) of this title (relating to maintaining written policies and procedures respecting advance directives).

(2) Transfer and discharge rights

(A) In general

A skilled nursing facility must permit each resident to remain in the facility and must not transfer or discharge the resident from the facility unless—

(i) the transfer or discharge is necessary to meet the resident's welfare and the resident's welfare cannot be met in the facility;

(ii) the transfer or discharge is appropriate because the resident's health has improved sufficiently so the resident no longer needs the services provided by the facility;

(iii) the safety of individuals in the facility is endangered;

(iv) the health of individuals in the facility would otherwise be endangered;

(v) the resident has failed, after reasonable and appropriate notice, to pay (or to have paid under this subchapter or subchapter XIX of this chapter on the resident's behalf) for a stay at the facility; or

(vi) the facility ceases to operate.

In each of the cases described in clauses (i) through (v), the basis for the transfer or discharge must be documented in the resident's clinical record. In the cases described in clauses (i) and (ii), the documentation must be made by the resident's physician, and in the cases described in clauses (iii) and (iv) the documentation must be made by a physician.

(B) Pre-transfer and pre-discharge notice

(i) In general

Before effecting a transfer or discharge of a resident, a skilled nursing facility must—

(I) notify the resident (and, if known, a family member of the resident or legal representative) of the transfer or discharge and the reasons therefor,

(II) record the reasons in the resident's clinical record (including any documentation required under subparagraph (A)), and

(III) include in the notice the items described in clause (iii).

(ii) Timing of notice

The notice under clause (i)(I) must be made at least 30 days in advance of the resident's transfer or discharge except—

(I) in a case described in clause (iii) or (iv) of subparagraph (A);

(II) in a case described in clause (ii) of subparagraph (A), where the resident's health improves sufficiently to allow a more immediate transfer or discharge;

(III) in a case described in clause (i) of subparagraph (A), where a more immediate transfer or discharge is necessitated by the resident's urgent medical needs; or

(IV) in a case where a resident has not resided in the facility for 30 days.

In the case of such exceptions, notice must be given as many days before the date of the transfer or discharge as is practicable.

(iii) Items included in notice

Each notice under clause (i) must include—

(I) for transfers or discharges effected on or after October 1, 1990, notice of the resident's right to appeal the transfer or discharge under the State process established under subsection (e)(3) of this section; and

(II) the name, mailing address, and telephone number of the State long-term care ombudsman (established under title III or VII of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq., 3058 et seq.] in accordance with section 712 of the Act [42 U.S.C. 3058g]).

(C) Orientation

A skilled nursing facility must provide sufficient preparation and orientation to residents to ensure safe and orderly transfer or discharge from the facility.

(3) Access and visitation rights

A skilled nursing facility must—

(A) permit immediate access to any resident by any representative of the Secretary, by any representative of the State, by an ombudsman described in paragraph (2)(B)(iii)(II), or by the resident's individual physician;

(B) permit immediate access to a resident, subject to the resident's right to deny or withdraw consent at any time, by immediate family or other relatives of the resident;

(C) permit immediate access to a resident, subject to reasonable restrictions and the resident's right to deny or withdraw consent at any time, by others who are visiting with the consent of the resident;

(D) permit reasonable access to a resident by any entity or individual that provides health, social, legal, or other services to the resident, subject to the resident's right to deny or withdraw consent at any time; and

(E) permit representatives of the State ombudsman (described in paragraph (2)(B)(iii)(II)), with the permission of the resident (or the resident's legal representative) and consistent with State law, to examine a resident's clinical records.

(4) Equal access to quality care

A skilled nursing facility must establish and maintain identical policies and practices regarding transfer, discharge, and covered services under this subchapter for all individuals regardless of source of payment.

(5) Admissions policy

(A) Admissions

With respect to admissions practices, a skilled nursing facility must—

(i)(I) not require individuals applying to reside or residing in the facility to waive their rights to benefits under this subchapter or under a State plan under subchapter XIX of this chapter, (II) not require oral or written assurance that such individuals are not eligible for, or will not apply for, benefits under this subchapter or such a State plan, and (III) prominently display in the facility and provide to such individuals written information about how to apply for and use such benefits and how to receive refunds for previous payments covered by such benefits; and

(ii) not require a third party guarantee of payment to the facility as a condition of admission (or expedited admission) to, or continued stay in, the facility.

(B) Construction

(i) No preemption of stricter standards

Subparagraph (A) shall not be construed as preventing States or political subdivisions therein from prohibiting, under State or local law, the discrimination against individuals who are entitled to medical assistance under this subchapter with respect to admissions practices of skilled nursing facilities.

(ii) Contracts with legal representatives

Subparagraph (A)(ii) shall not be construed as preventing a facility from requiring an individual, who has legal access to a resident's income or resources available to pay for care in the facility, to sign a contract (without incurring personal financial liability) to provide payment from the resident's income or resources for such care.

(6) Protection of resident funds

(A) In general

The skilled nursing facility—

(i) may not require residents to deposit their personal funds with the facility, and

(ii) upon the written authorization of the resident, must hold, safeguard, and account for such personal funds under a system established and maintained by the facility in accordance with this paragraph.

(B) Management of personal funds

Upon written authorization of a resident under subparagraph (A)(ii), the facility must manage and account for the personal funds of the resident deposited with the facility as follows:

(i) Deposit

The facility must deposit any amount of personal funds in excess of $100 with respect to a resident in an interest bearing account (or accounts) that is separate from any of the facility's operating accounts and credits[3] all interest earned on such separate account to such account. With respect to any other personal funds, the facility must maintain such funds in a non-interest bearing account or petty cash fund.

(ii) Accounting and records

The facility must assure a full and complete separate accounting of each such resident's personal funds, maintain a written record of all financial transactions involving the personal funds of a resident deposited with the facility, and afford the resident (or a legal representative of the resident) reasonable access to such record.

(iii) Conveyance upon death

Upon the death of a resident with such an account, the facility must convey promptly the resident's personal funds (and a final accounting of such funds) to the individual administering the resident's estate.

(C) Assurance of financial security

The facility must purchase a surety bond, or otherwise provide assurance satisfactory to the Secretary, to assure the security of all personal funds of residents deposited with the facility.

(D) Limitation on charges to personal funds

The facility may not impose a charge against the personal funds of a resident for any item or service for which payment is made under this subchapter or subchapter XIX of this chapter.

(d) Requirements relating to administration and other matters

(1) Administration

(A) In general

A skilled nursing facility must be administered in a manner that enables it to use its resources effectively and efficiently to attain or maintain the highest practicable physical[4] mental, and psychosocial well-being of each resident (consistent with requirements established under subsection (f)(5) of this section).

(B) Required notices

If a change occurs in—

(i) the persons with an ownership or control interest (as defined in section 1320a–3(a)(3) of this title) in the facility,

(ii) the persons who are officers, directors, agents, or managing employees (as defined in section 1320a–5(b) of this title) of the facility,

(iii) the corporation, association, or other company responsible for the management of the facility, or

(iv) the individual who is the administrator or director of nursing of the facility,

the skilled nursing facility must provide notice to the State agency responsible for the licensing of the facility, at the time of the change, of the change and of the identity of each new person, company, or individual described in the respective clause.

(C) Skilled nursing facility administrator

The administrator of a skilled nursing facility must meet standards established by

[4] So in original. Probably should be followed by a comma.

the Secretary under subsection (f)(4) of this section.

(2) Licensing and Life Safety Code

(A) Licensing

A skilled nursing facility must be licensed under applicable State and local law.

(B) Life Safety Code

A skilled nursing facility must meet such provisions of such edition (as specified by the Secretary in regulation) of the Life Safety Code of the National Fire Protection Association as are applicable to nursing homes; except that—

(i) the Secretary may waive, for such periods as he deems appropriate, specific provisions of such Code which if rigidly applied would result in unreasonable hardship upon a facility, but only if such waiver would not adversely affect the health and safety of residents or personnel, and

(ii) the provisions of such Code shall not apply in any State if the Secretary finds that in such State there is in effect a fire and safety code, imposed by State law, which adequately protects residents of and personnel in skilled nursing facilities.

(3) Sanitary and infection control and physical environment

A skilled nursing facility must—

(A) establish and maintain an infection control program designed to provide a safe, sanitary, and comfortable environment in which residents reside and to help prevent the development and transmission of disease and infection, and

(B) be designed, constructed, equipped, and maintained in a manner to protect the health and safety of residents, personnel, and the general public.

(4) Miscellaneous

(A) Compliance with Federal, State, and local laws and professional standards

A skilled nursing facility must operate and provide services in compliance with all applicable Federal, State, and local laws and regulations (including the requirements of section 1320a–3 of this title) and with accepted professional standards and principles which apply to professionals providing services in such a facility.

(B) Other

A skilled nursing facility must meet such other requirements relating to the health, safety, and well-being of residents or relating to the physical facilities thereof as the Secretary may find necessary.

(e) State requirements relating to skilled nursing facility requirements

The requirements, referred to in section 1395aa(d) of this title, with respect to a State are as follows:

(1) Specification and review of nurse aide training and competency evaluation programs and of nurse aide competency evaluation programs

The State must—

(A) by not later than January 1, 1989, specify those training and competency evaluation programs, and those competency evaluation programs, that the State approves for purposes of subsection (b)(5) of this section and that meet the requirements established under subsection (f)(2) of this section, and

(B) by not later than January 1, 1990, provide for the review and reapproval of such programs, at a frequency and using a methodology consistent with the requirements established under subsection (f)(2)(A)(iii) of this section.

The failure of the Secretary to establish requirements under subsection (f)(2) of this section shall not relieve any State of its responsibility under this paragraph.

(2) Nurse aide registry

(A) In general

By not later than January 1, 1989, the State shall establish and maintain a registry of all individuals who have satisfactorily completed a nurse aide training and competency evaluation program, or a nurse aide competency evaluation program, approved under paragraph (1) in the State, or any individual described in subsection (f)(2)(B)(ii) of this section or in subparagraph (B), (C), or (D) of section 6901(b)(4) of the Omnibus Budget Reconciliation Act of 1989.

(B) Information in registry

The registry under subparagraph (A) shall provide (in accordance with regulations of the Secretary) for the inclusion of specific documented findings by a State under subsection (g)(1)(C) of this section of resident neglect or abuse or misappropriation of resident property involving an individual listed in the registry, as well as any brief statement of the individual disputing the findings, but shall not include any allegations of resident abuse or neglect or misappropriation of resident property that are not specifically documented by the State under such subsection. The State shall make available to the public information in the registry. In the case of inquiries to the registry concerning an individual listed in the registry, any information disclosed concerning such a finding shall also include disclosure of any such statement in the registry relating to the finding or a clear and accurate summary of such a statement.

(C) Prohibition against charges

A State may not impose any charges on a nurse aide relating to the registry established and maintained under subparagraph (A).

(3) State appeals process for transfers and discharges

The State, for transfers and discharges from skilled nursing facilities effected on or after October 1, 1989, must provide for a fair mechanism for hearing appeals on transfers and discharges of residents of such facilities. Such mechanism must meet the guidelines established by the Secretary under subsection (f)(3)

of this section; but the failure of the Secretary to establish such guidelines shall not relieve any State of its responsibility to provide for such a fair mechanism.

(4) Skilled nursing facility administrator standards

By not later than January 1, 1990, the State must have implemented and enforced the skilled nursing facility administrator standards developed under subsection (f)(4) of this section respecting the qualification of administrators of skilled nursing facilities.

(5) Specification of resident assessment instrument

Effective July 1, 1990, the State shall specify the instrument to be used by nursing facilities in the State in complying with the requirement of subsection (b)(3)(A)(iii) of this section. Such instrument shall be—

(A) one of the instruments designated under subsection (f)(6)(B) of this section, or

(B) an instrument which the Secretary has approved as being consistent with the minimum data set of core elements, common definitions, and utilization guidelines specified by the Secretary under subsection (f)(6)(A) of this section.

(f) Responsibilities of Secretary relating to skilled nursing facility requirements

(1) General responsibility

It is the duty and responsibility of the Secretary to assure that requirements which govern the provision of care in skilled nursing facilities under this subchapter, and the enforcement of such requirements, are adequate to protect the health, safety, welfare, and rights of residents and to promote the effective and efficient use of public moneys.

(2) Requirements for nurse aide training and competency evaluation programs and for nurse aide competency evaluation programs

(A) In general

For purposes of subsections (b)(5) and (e)(1)(A) of this section, the Secretary shall establish, by not later than September 1, 1988—

(i) requirements for the approval of nurse aide training and competency evaluation programs, including requirements relating to (I) the areas to be covered in such a program (including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, and residents' rights) and content of the curriculum, (II) minimum hours of initial and ongoing training and retraining (including not less than 75 hours in the case of initial training), (III) qualifications of instructors, and (IV) procedures for determination of competency;

(ii) requirements for the approval of nurse aide competency evaluation programs, including requirement relating to the areas to be covered in such a program, including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, residents' rights, and procedures for determination of competency;

(iii) requirements respecting the minimum frequency and methodology to be used by a State in reviewing such programs' compliance with the requirements for such programs; and

(iv) requirements, under both such programs, that—

(I) provide procedures for determining competency that permit a nurse aide, at the nurse aide's option, to establish competency through procedures or methods other than the passing of a written examination and to have the competency evaluation conducted at the nursing facility at which the aide is (or will be) employed (unless the facility is described in subparagraph (B)(iii)(I)),

(II) prohibit the imposition on a nurse aide who is employed by (or who has received an offer of employment from) a facility on the date on which the aide begins either such program of any charges (including any charges for textbooks and other required course materials and any charges for the competency evaluation) for either such program, and

(III) in the case of a nurse aide not described in subclause (II) who is employed by (or who has received an offer of employment from) a facility not later than 12 months after completing either such program, the State shall provide for the reimbursement of costs incurred in completing such program on a prorata[5] basis during the period in which the nurse aide is so employed.

(B) Approval of certain programs

Such requirements—

(i) may permit approval of programs offered by or in facilities (subject to clause (iii)), as well as outside facilities (including employee organizations), and of programs in effect on December 22, 1987;

(ii) shall permit a State to find that an individual who has completed (before July 1, 1989) a nurse aide training and competency evaluation program shall be deemed to have completed such a program approved under subsection (b)(5) of this section if the State determines that, at the time the program was offered, the program met the requirements for approval under such paragraph; and

(iii) shall prohibit approval of such a program—

(I) offered by or in a skilled nursing facility which, within the previous 2 years—

(a) has operated under a waiver under subsection (b)(4)(C)(ii)(II) of this section;

(b) has been subject to an extended (or partial extended) survey under sub-

[5] So in original. Probably should be ''pro rata''.

section (g)(2)(B)(i) of this section or section 1396r(g)(2)(B)(i) of this title, unless the survey shows that the facility is in compliance with the requirements of subsections (b), (c), and (d) of this section; or

(c) has been assessed a civil money penalty described in subsection (h)(2)(B)(ii) of this section or section 1396r(h)(2)(A)(ii) of this title of not less than $5,000, or has been subject to a remedy described in clause (i) or (iii) of subsection (h)(2)(B) of this section, subsection (h)(4) of this section, section 1396r(h)(1)(B)(i) of this title, or in clause (i), (iii), or (iv) of section 1396r(h)(2)(A) of this title, or

(II) offered by or in a skilled nursing facility unless the State makes the determination, upon an individual's completion of the program, that the individual is competent to provide nursing and nursing-related services in skilled nursing facilities.

A State may not delegate (through subcontract or otherwise) its responsibility under clause (iii)(II) to the skilled nursing facility.

(3) Federal guidelines for State appeals process for transfers and discharges

For purposes of subsections (c)(2)(B)(iii)(I) and (e)(3) of this section, by not later than October 1, 1988, the Secretary shall establish guidelines for minimum standards which State appeals processes under subsection (e)(3) of this section must meet to provide a fair mechanism for hearing appeals on transfers and discharges of residents from skilled nursing facilities.

(4) Secretarial standards for qualification of administrators

For purposes of subsections (d)(1)(C) and (e)(4) of this section, the Secretary shall develop, by not later than March 1, 1989, standards to be applied in assuring the qualifications of administrators of skilled nursing facilities.

(5) Criteria for administration

The Secretary shall establish criteria for assessing a skilled nursing facility's compliance with the requirement of subsection (d)(1) of this section with respect to—

(A) its governing body and management,

(B) agreements with hospitals regarding transfers of residents to and from the hospitals and to and from other skilled nursing facilities,

(C) disaster preparedness,

(D) direction of medical care by a physician,

(E) laboratory and radiological services,

(F) clinical records, and

(G) resident and advocate participation.

(6) Specification of resident assessment data set and instruments

The Secretary shall—

(A) not later than January 1, 1989, specify a minimum data set of core elements and common definitions for use by nursing facilities in conducting the assessments required under subsection (b)(3) of this section, and establish guidelines for utilization of the data set; and

(B) by not later than April 1, 1990, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subsection (e)(5)(A) of this section for use by nursing facilities in complying with the requirements of subsection (b)(3)(A)(iii) of this section.

(7) List of items and services furnished in skilled nursing facilities not chargeable to the personal funds of a resident

(A) Regulations required

Pursuant to the requirement of section 21(b) of the Medicare-Medicaid Anti-Fraud and Abuse Amendments of 1977, the Secretary shall issue regulations, on or before the first day of the seventh month to begin after December 22, 1987, that define those costs which may be charged to the personal funds of residents in skilled nursing facilities who are individuals receiving benefits under this part and those costs which are to be included in the reasonable cost (or other payment amount) under this subchapter for extended care services.

(B) Rule if failure to publish regulations

If the Secretary does not issue the regulations under subparagraph (A) on or before the date required in such subparagraph, in the case of a resident of a skilled nursing facility who is eligible to receive benefits under this part, the costs which may not be charged to the personal funds of such resident (and for which payment is considered to be made under this subchapter) shall include, at a minimum, the costs for routine personal hygiene items and services furnished by the facility.

(g) Survey and certification process

(1) State and Federal responsibility

(A) In general

Pursuant to an agreement under section 1395aa of this title, each State shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of skilled nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d) of this section. The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State skilled nursing facilities with the requirements of such subsections.

(B) Educational program

Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of skilled nursing facilities in order to present current regulations, procedures, and policies under this section.

(C) Investigation of allegations of resident neglect and abuse and misappropriation of resident property

The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt and timely review and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility or by another individual used by the facility in providing services to such a resident. The State shall, after providing the individual involved with a written notice of the allegations (including a statement of the availability of a hearing for the individual to rebut the allegations) and the opportunity for a hearing on the record, make a written finding as to the accuracy of the allegations. If the State finds that a nurse aide has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding. If the State finds that any other individual used by the facility has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the appropriate licensure authority. A State shall not make a finding that an individual has neglected a resident if the individual demonstrates that such neglect was caused by factors beyond the control of the individual.

(D) Construction

The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

(2) Surveys

(A) Standard survey

(i) In general

Each skilled nursing facility shall be subject to a standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a skilled nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed $2,000. The provisions of section 1320a–7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a–7a(a) of this title. The Secretary shall review each State's procedures for the scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

(ii) Contents

Each standard survey shall include, for a case-mix stratified sample of residents—

(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services, activities and social participation, and sanitation, infection control, and the physical environment,

(II) written plans of care provided under subsection (b)(2) of this section and an audit of the residents' assessments under subsection (b)(3) of this section to determine the accuracy of such assessments and the adequacy of such plans of care, and

(III) a review of compliance with residents' rights under subsection (c) of this section.

(iii) Frequency

(I) In general

Each skilled nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The Statewide average interval between standard surveys of skilled nursing facilities under this subsection shall not exceed 12 months.

(II) Special surveys

If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a skilled nursing facility, or the director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

(B) Extended surveys

(i) In general

Each skilled nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

(ii) Timing

The extended survey shall be conducted immediately after the standard survey (or, if not practicable, not later than 2 weeks after the date of completion of the standard survey).

(iii) Contents

In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d) of this section. Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

(iv) Construction

Nothing in this paragraph shall be construed as requiring an extended or partial

extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) of this section on the basis of findings in a standard survey.

(C) Survey protocol

Standard and extended surveys shall be conducted—

(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than January 1, 1990, and

(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

(D) Consistency of surveys

Each State and the Secretary shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

(E) Survey teams

(i) In general

Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

(ii) Prohibition of conflicts of interest

A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d) of this section, or who has a personal or familial financial interest in the facility being surveyed.

(iii) Training

The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

(3) Validation surveys

(A) In general

The Secretary shall conduct onsite surveys of a representative sample of skilled nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual skilled nursing facility meets the requirements of subsections (b), (c), and (d) of this section, but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

(B) Scope

With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of skilled nursing facilities surveyed by the State in the year, but in no case less than 5 skilled nursing facilities in the State.

(C) Remedies for substandard performance

If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary shall provide for an appropriate remedy, which may include the training of survey teams in the State.

(D) Special surveys of compliance

Where the Secretary has reason to question the compliance of a skilled nursing facility with any of the requirements of subsections (b), (c), and (d) of this section, the Secretary may conduct a survey of the facility and, on the basis of that survey, make independent and binding determinations concerning the extent to which the skilled nursing facility meets such requirements.

(4) Investigation of complaints and monitoring compliance

Each State shall maintain procedures and adequate staff to—

(A) investigate complaints of violations of requirements by skilled nursing facilities, and

(B) monitor, on-site, on a regular, as needed basis, a skilled nursing facility's compliance with the requirements of subsections (b), (c), and (d) of this section, if—

(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or

(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against substandard skilled nursing facilities.

(5) Disclosure of results of inspections and activities

(A) Public information

Each State, and the Secretary, shall make available to the public—

(i) information respecting all surveys and certifications made respecting skilled nursing facilities, including statements of deficiencies, within 14 calendar days after such information is made available to those facilities, and approved plans of correction,

(ii) copies of cost reports of such facilities filed under this subchapter or subchapter XIX of this chapter,

(iii) copies of statements of ownership under section 1320a–3 of this title, and

(iv) information disclosed under section 1320a–5 of this title.

(B) Notice to ombudsman

Each State shall notify the State long-term care ombudsman (established under title III or VII of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq., 3058 et seq.] in accordance with section 712 of the Act [42 U.S.C. 3058g]) of the State's findings of noncompliance with any of the requirements of subsections (b), (c), and (d) of this section, or of any adverse action taken against a skilled nursing facility under paragraph (1), (2), or (4) of subsection (h) of this section, with respect to a skilled nursing facility in the State.

(C) Notice to physicians and skilled nursing facility administrator licensing board

If a State finds that a skilled nursing facility has provided substandard quality of care, the State shall notify—

(ii) the State board responsible for the licensing of the skilled nursing facility administrator at the facility.

(D) Access to fraud control units

Each State shall provide its State medicaid fraud and abuse control unit (established under section 1396b(q) of this title) with access to all information of the State agency responsible for surveys and certifications under this subsection.

(h) Enforcement process

(1) In general

If a State finds, on the basis of a standard, extended, or partial extended survey under subsection (g)(2) of this section or otherwise, that a skilled nursing facility no longer meets a requirement of subsection (b), (c), or (d) of this section, and further finds that the facility's deficiencies—

(A) immediately jeopardize the health or safety of its residents, the State shall recommend to the Secretary that the Secretary take such action as described in paragraph (2)(A)(i); or

(B) do not immediately jeopardize the health or safety of its residents, the State may recommend to the Secretary that the Secretary take such action as described in paragraph (2)(A)(ii).

If a State finds that a skilled nursing facility meets the requirements of subsections (b), (c), and (d) of this section, but, as of a previous period, did not meet such requirements, the State may recommend a civil money penalty under paragraph (2)(B)(ii) for the days in which it finds that the facility was not in compliance with such requirements.

(2) Secretarial authority

(A) In general

With respect to any skilled nursing facility in a State, if the Secretary finds, or pursuant to a recommendation of the State under paragraph (1) finds, that a skilled nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e) of this section, and further finds that the facility's deficiencies—

(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (B)(iii), or terminate the facility's participation under this subchapter and may provide, in addition, for one or more of the other remedies described in subparagraph (B); or

(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (B).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a skilled nursing facility's deficiencies. If the Secretary finds, or pursuant to the recommendation of the State under paragraph (1) finds, that a skilled nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (B)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

(B) Specified remedies

The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

(i) Denial of payment

The Secretary may deny any further payments under this subchapter with respect to all individuals entitled to benefits under this subchapter in the facility or with respect to such individuals admitted to the facility after the effective date of the finding.

(ii) Authority with respect to civil money penalties

The Secretary may impose a civil money penalty in an amount not to exceed $10,000 for each day of noncompliance. The provisions of section 1320a–7a of this title (other than subsections (a) and (b)) shall apply to

a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a–7a(a) of this title.

(iii) Appointment of temporary management

In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

(I) there is an orderly closure of the facility, or

(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d) of this section.

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d) of this section.

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

(C) Continuation of payments pending remediation

The Secretary may continue payments, over a period of not longer than 6 months after the effective date of the findings, under this subchapter with respect to a skilled nursing facility not in compliance with a requirement of subsection (b), (c), or (d) of this section, if—

(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility,

(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

(iii) the facility agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

(D) Assuring prompt compliance

If a skilled nursing facility has not complied with any of the requirements of subsections (b), (c), and (d) of this section, within 3 months after the date the facility is found to be out of compliance with such requirements, the Secretary shall impose the remedy described in subparagraph (B)(i) for all individuals who are admitted to the facility after such date.

(E) Repeated noncompliance

In the case of a skilled nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2) of this section, has been found to have provided substandard quality of care, the Secretary shall (regardless of what other remedies are provided)—

(i) impose the remedy described in subparagraph (B)(i), and

(ii) monitor the facility under subsection (g)(4)(B) of this section,

until the facility has demonstrated, to the satisfaction of the Secretary, that it is in compliance with the requirements of subsections (b), (c), and (d) of this section, and that it will remain in compliance with such requirements.

(3) Effective period of denial of payment

A finding to deny payment under this subsection shall terminate when the Secretary finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d) of this section.

(4) Immediate termination of participation for facility where Secretary finds noncompliance and immediate jeopardy

If the Secretary finds that a skilled nursing facility has not met a requirement of subsection (b), (c), or (d) of this section, and finds that the failure immediately jeopardizes the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(B)(iii), or the Secretary shall terminate the facility's participation under this subchapter. If the facility's participation under this subchapter is terminated, the State shall provide for the safe and orderly transfer of the residents eligible under this subchapter consistent with the requirements of subsection (c)(2) of this section.

(5) Construction

The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i),[6] and (iii) of paragraph (2)(B) may be imposed during the pendency of any hearing.

(6) Sharing of information

Notwithstanding any other provision of law, all information concerning skilled nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available by such facilities to Federal or

[6] So in original. The comma probably should not appear.

State employees for purposes consistent with the effective administration of programs established under this subchapter and subchapter XIX of this chapter, including investigations by State medicaid fraud control units.

(i) Construction

Where requirements or obligations under this section are identical to those provided under section 1396r of this title, the fulfillment of those requirements or obligations under section 1396r of this title shall be considered to be the fulfillment of the corresponding requirements or obligations under this section.

In designating facilities as rural primary care hospitals under paragraph (1), the State shall give preference to hospitals or facilities participating in a rural health network.

(3) Permitting rural primary care hospitals to maintain swing beds

Nothing in this subsection shall be construed to prohibit a State from designating a facility as a rural primary care hospital solely because, at the time the facility applies to the State for designation as a rural primary care hospital, there is in effect an agreement between the facility and the Secretary under section 1395tt of this title under which the facility's inpatient hospital facilities are used for the furnishing of extended care services, except that the number of beds used for the furnishing of such services may not exceed the total number of licensed inpatient beds at the time the facility applies to the State for such designation (minus the number of inpatient beds used for providing inpatient care pursuant to paragraph (1)(F)). For purposes of the previous sentence, the number of beds of the facility used for the furnishing of extended care services shall not include any beds of a unit of the facility that is licensed as a distinct-part skilled nursing facility at the time the facility applies to the State for designation as a rural primary care hospital.

(4) Limitation on average length of inpatient stays

The Secretary may terminate a designation of a rural primary care hospital under paragraph (1) if the Secretary finds that the average length of stay for inpatients at the facility during the previous year in which the designation was in effect exceeded 72 hours. In determining the compliance of a facility with the requirement of the previous sentence, there shall not be taken into account periods of stay of inpatients in excess of 72 hours to the extent such periods exceed 72 hours because transfer to a hospital is precluded because of inclement weather or other emergency conditions.

(g) "Rural health network" defined

For purposes of this section, the term ''rural health network'' means, with respect to a State, an organization—

(1) consisting of—

(A) at least 1 hospital that—

(i) the State has designated or plans to designate as an essential access community hospital under subsection (b)(1)(C) of this section,

(ii) is classified by the Secretary as a regional referral center under section 1395ww(d)(5)(C) of this title, or

(iii) is located in an urban area and meets the criteria for classification as a regional referral center under such section, and

(B) at least 1 facility that the State has designated or plans to designate as a rural primary care hospital, and

(2) the members of which have entered into agreements regarding—

(A) patient referral and transfer,

(B) the development and use of communications systems, including (where feasible) telemetry systems and systems for electronic sharing of patient data, and

(C) the provision of emergency and nonemergency transportation among the members.

(h) Limit on amount of grant to hospital or facility

A grant made to a hospital or facility under subsection (a)(2) of this section may not exceed $200,000.

(i) Eligibility of hospitals or facilities for designation by Secretary

(1) Essential access community hospital

(A) The Secretary shall designate a hospital as an essential access community hospital if the hospital—

(i) is located in a State receiving a grant under subsection (a)(1) of this section (except as provided in subsection (k) of this section);

(ii) is designated as an essential access community hospital by the State in which it is located (except as provided in subparagraph (B) or subsection (k) of this section); and

(iii) meets such other criteria as the Secretary may require.

(B) In the case of a hospital that is not eligible for designation as an essential access community hospital under this paragraph solely because it is not designated as an essential access community hospital by the State in which it is located, the Secretary may designate such hospital as an essential access community hospital under this paragraph if the hospital is not so designated by the State in which it is located solely because of its failure to meet the criteria described in paragraph (2) of subsection (e) of this section.

(2) Rural primary care hospital

(A) The Secretary shall designate a facility as a rural primary care hospital if the facility—

(i) is located in a State receiving a grant under subsection (a)(1) of this section (except as provided in subsection (k) of this section);

(ii) is designated as a rural primary care hospital by the State in which it is located (except as provided in subparagraph (B) or subsection (k) of this section); and

(iii) meets such other criteria as the Secretary may require.

(B) In the case of a facility that is not eligible for designation as a rural primary care hospital under this paragraph solely because it is not designated as a rural primary care hospital by the State in which it is located, the Secretary may designate such facility as a rural primary care hospital under this paragraph if the facility is not so designated by the State in which it is located solely because of its failure to meet the criteria described in subparagraphs[3] (C), (F), or (G) of subsection (f)(1) of this section.

(C) The Secretary may designate not more than 15 facilities as rural primary care hospitals under this paragraph that do not meet the requirements of clauses (i) and (ii) of subparagraph (A) if such a facility meets the criteria described in subparagraphs (A), (B), and (E) of subsection (f)(1) of this section, except that nothing in this subparagraph shall be construed to prohibit the Secretary from designating a facility as a rural primary care hospital solely because the facility has entered into an agreement with the Secretary under section 1395tt of this title under which the facility's inpatient hospital facilities may be used for the furnishing of extended care services. In designating facilities as rural primary care hospitals under this subparagraph, the Secretary shall give preference to facilities not meeting the requirements of clause (i) of subparagraph (A) that have entered into an agreement described in subsection (g)(2) of this section with a rural health network located in a State receiving a grant under subsection (a)(1) of this section.

(j) Waiver of conflicting part A provisions

The Secretary is authorized to waive such provisions of this part and part C of this subchapter as are necessary to conduct the program established under this section.

(k) Eligibility of hospitals not located in participating States

Notwithstanding any other provision of this section—

(1) for purposes of including a hospital or facility as a member institution of a rural health network, a State may designate a hospital or facility that is not located in the State as an essential access community hospital or a rural primary care hospital if the hospital or facility is located in an adjoining State and is otherwise eligible for designation as such a hospital;

(2) the Secretary may designate a hospital or facility that is not located in a State receiving a grant under subsection (a)(1) of this section as an essential access community hospital or a rural primary care hospital if the hospital or facility is a member institution of a rural health network of a State receiving a grant under such subsection; and

(3) a hospital or facility designated pursuant to this subsection shall be eligible to receive a grant under subsection (a)(2) of this section.

[3] So in original. Probably should be ''subparagraph''.

(*l*) Authorization of appropriations

There are authorized to be appropriated from the Federal Hospital Insurance Trust Fund for each of the fiscal years 1990 through 1997—

(1) $10,000,000 for grants to States under subsection (a)(1) of this section; and

(2) $15,000,000 for grants to hospitals, facilities, and consortia under subsection (a)(2) of this section.

(iii) if (and for so long as) the conditions described in section 1395f(b)(3) of this title are met, the amounts determined under the reimbursement system described in such section;

(b) Deductible provision

Before applying subsection (a) of this section with respect to expenses incurred by an individual during any calendar year, the total amount of the expenses incurred by such individual during such year (which would, except for this subsection, constitute incurred expenses from which benefits payable under subsection (a) of this section are determinable) shall be reduced by a deductible of $75 for calendar years before 1991 and $100 for 1991 and subsequent years; except that (1) such total amount shall not include expenses incurred for items and services described in section 1395x(s)(10)(A) of this title, (2) such deductible shall not apply with respect to home health services (other than a covered osteoporosis drug (as defined in section 1395x(kk) of this title)), (3) such deductible shall not apply with respect to clinical diagnostic laboratory tests for which payment is made under this part (A) under subsection (a)(1)(D)(i) or (a)(2)(D)(i) of this section on an assignment-related basis, or to a provider having an agreement under section 1395cc of this title, or (B) on the basis of a negotiated rate determined under subsection (h)(6) of this section, and (4) such deductible shall not apply to Federally qualified health center services. The total amount of the expenses incurred by an individual as determined under the preceding sentence shall, after the reduction specified in such sentence, be further reduced by an amount equal to the expenses incurred for the first three pints of whole blood (or equivalent quantities of packed red blood cells, as defined under regulations) furnished to the individual during the calendar year, except that such deductible for such blood shall in accordance with regulations be appropriately reduced to the extent that there has been a replacement of such blood (or equivalent quantities of packed red blood cells, as so defined); and for such purposes blood (or equivalent quantities of packed red blood cells, as so defined) furnished such individual shall be deemed replaced when the institution or other person furnishing such blood (or such equivalent quantities of packed red blood cells, as so defined) is given one pint of blood for each pint of blood (or equivalent quantities of packed red blood cells, as so defined) furnished such individual with respect to which a deduction is made under this sentence. The deductible under the previous sentence for blood or blood cells furnished an individual in a year shall be reduced to the extent that a deductible has been imposed under section 1395e(a)(2) of this title to blood or blood cells furnished the individual in the year.

(c) Mental disorders

Notwithstanding any other provision of this part, with respect to expenses incurred in any

calendar year in connection with the treatment of mental, psychoneurotic, and personality disorders of an individual who is not an inpatient of a hospital at the time such expenses are incurred, there shall be considered as incurred expenses for purposes of subsections (a) and (b) of this section only 62½ percent of such expenses. For purposes of this subsection, the term ''treatment'' does not include brief office visits (as defined by the Secretary) for the sole purpose of monitoring or changing drug prescriptions used in the treatment of such disorders or partial hospitalization services that are not directly provided by a physician.

(d) Nonduplication of payments

No payment may be made under this part with respect to any services furnished an individual to the extent that such individual is entitled (or would be entitled except for section 1395e of this title) to have payment made with respect to such services under part A of this subchapter.

(e) Information for determination of amounts due

No payment shall be made to any provider of services or other person under this part unless there has been furnished such information as may be necessary in order to determine the amounts due such provider or other person under this part for the period with respect to which the amounts are being paid or for any prior period.

(f) Maximum rate of payment per visit for independent rural health clinics

In establishing limits under subsection (a) of this section on payment for rural health clinic services provided by independent rural health clinics, the Secretary shall establish such limit, for services provided—

(1) in 1988, after March 31, at $46, and

(2) in a subsequent year, at the limit established under this subsection for the previous year increased by the percentage increase in the MEI (as defined in section 1395u(i)(3) of this title) applicable to primary care services (as defined in section 1395u(i)(4) of this title) furnished as of the first day of that year.

(g) Physical therapy services

In the case of services described in the second sentence of section 1395x(p) of this title, with respect to expenses incurred in any calendar year, no more than $900 shall be considered as incurred expenses for purposes of subsections (a) and (b) of this section. In the case of outpatient occupational therapy services which are described in the second sentence of section 1395x(p) of this title through the operation of section 1395x(g) of this title, with respect to expenses incurred in any calendar year, no more than $900 shall be considered as incurred expenses for purposes of subsections (a) and (b) of this section.

(h) Fee schedules for clinical diagnostic laboratory tests; percentage of prevailing charge level; nominal fee for samples; adjustments; recipients of payments; negotiated payment rate

(1)(A) The Secretary shall establish fee schedules for clinical diagnostic laboratory tests for which payment is made under this part, other than such tests performed by a provider of services for an inpatient of such provider.

(B) In the case of clinical diagnostic laboratory tests performed by a physician or by a laboratory (other than tests performed by a qualified hospital laboratory (as defined in subparagraph (D)) for outpatients of such hospital), the fee schedules established under subparagraph (A) shall be established on a regional, statewide, or carrier service area basis (as the Secretary may determine to be appropriate) for tests furnished on or after July 1, 1984.

(C) In the case of clinical diagnostic laboratory tests performed by a qualified hospital laboratory (as defined in subparagraph (D)) for outpatients of such hospital, the fee schedules established under subparagraph (A) shall be established on a regional, statewide, or carrier service area basis (as the Secretary may determine to be appropriate) for tests furnished on or after July 1, 1984.

(D) In this subsection, the term ''qualified hospital laboratory'' means a hospital laboratory, in a sole community hospital (as defined in section 1395ww(d)(5)(D)(iii) of this title), which provides some clinical diagnostic laboratory tests 24 hours a day in order to serve a hospital emergency room which is available to provide services 24 hours a day and 7 days a week.

(2)(A)(i) Except as provided in paragraph (4), the Secretary shall set the fee schedules at 60 percent (or, in the case of a test performed by a qualified hospital laboratory (as defined in paragraph (1)(D)) for outpatients of such hospital, 62 percent) of the prevailing charge level determined pursuant to the third and fourth sentences of section 1395u(b)(3) of this title for similar clinical diagnostic laboratory tests for the applicable region, State, or area for the 12-month period beginning July 1, 1984, adjusted annually (to become effective on January 1 of each year) by a percentage increase or decrease equal to the percentage increase or decrease in the Consumer Price Index for All Urban Consumers (United States city average), and subject to such other adjustments as the Secretary determines are justified by technological changes.

(ii) Notwithstanding clause (i)—

(I) any change in the fee schedules which would have become effective under this subsection for tests furnished on or after January 1, 1988, shall not be effective for tests furnished during the 3-month period beginning on January 1, 1988,

(II) the Secretary shall not adjust the fee schedules under clause (i) to take into account any increase in the consumer price index for 1988,

(III) the annual adjustment in the fee schedules determined under clause (i) for each of the years 1991, 1992, and 1993 shall be 2 percent, and

(IV) the annual adjustment in the fee schedules determined under clause (i) for each of the years 1994 and 1995 shall be 0 percent.

(iii) In establishing fee schedules under clause (i) with respect to automated tests and tests (other than cytopathology tests) which before July 1, 1984, the Secretary made subject to a limit based on lowest charge levels under the sixth sentence of section 1395u(b)(3) of this title

performed after March 31, 1988, the Secretary shall reduce by 8.3 percent the fee schedules otherwise established for 1988, and such reduced fee schedules shall serve as the base for 1989 and subsequent years.

(B) The Secretary may make further adjustments or exceptions to the fee schedules to assure adequate reimbursement of (i) emergency laboratory tests needed for the provision of bona fide emergency services, and (ii) certain low volume high-cost tests where highly sophisticated equipment or extremely skilled personnel are necessary to assure quality.

(3) In addition to the amounts provided under the fee schedules, the Secretary shall provide for and establish (A) a nominal fee to cover the appropriate costs in collecting the sample on which a clinical diagnostic laboratory test was performed and for which payment is made under this part, except that not more than one such fee may be provided under this paragraph with respect to samples collected in the same encounter, and (B) a fee to cover the transportation and personnel expenses for trained personnel to travel to the location of an individual to collect the sample, except that such a fee may be provided only with respect to an individual who is homebound or an inpatient in an inpatient facility (other than a hospital). In establishing a fee to cover the transportation and personnel expenses for trained personnel to travel to the location of an individual to collect a sample, the Secretary shall provide a method for computing the fee based on the number of miles traveled and the personnel costs associated with the collection of each individual sample, but the Secretary shall only be required to apply such method in the case of tests furnished during the period beginning on April 1, 1989, and ending on December 31, 1990, by a laboratory that establishes to the satisfaction of the Secretary (based on data for the 12-month period ending June 30, 1988) that (i) the laboratory is dependent upon payments under this subchapter for at least 80 percent of its collected revenues for clinical diagnostic laboratory tests, (ii) at least 85 percent of its gross revenues for such tests are attributable to tests performed with respect to individuals who are homebound or who are residents in a nursing facility, and (iii) the laboratory provided such tests for residents in nursing facilities representing at least 20 percent of the number of such facilities in the State in which the laboratory is located.

(4)(A) In establishing any fee schedule under this subsection, the Secretary may provide for an adjustment to take into account, with respect to the portion of the expenses of clinical diagnostic laboratory tests attributable to wages, the relative difference between a region's or local area's wage rates and the wage rate presumed in the data on which the schedule is based.

(B) For purposes of subsections (a)(1)(D)(i) and (a)(2)(D)(i) of this section, the limitation amount for a clinical diagnostic laboratory test performed—

(i) on or after July 1, 1986, and before April 1, 1988, is equal to 115 percent of the median of all the fee schedules established for that test for that laboratory setting under paragraph (1),

(ii) after March 31, 1988, and before January 1, 1990, is equal to the median of all the fee schedules established for that test for that laboratory setting under paragraph (1),

(iii) after December 31, 1989, and before January 1, 1991, is equal to 93 percent of the median of all the fee schedules established for that test for that laboratory setting under paragraph (1),

(iv) after December 31, 1990, and before January 1, 1994, is equal to 88 percent of such median,

(v) after December 31, 1993, and before January 1, 1995, is equal to 84 percent of such median,

(vi) after December 31, 1994, and before January 1, 1996, is equal to 80 percent of such median, and

(vii) after December 31, 1995, is equal to 76 percent of such median.

(5)(A) In the case of a bill or request for payment for a clinical diagnostic laboratory test for which payment may otherwise be made under this part on an assignment-related basis or under a provider agreement under section 1395cc of this title, payment may be made only to the person or entity which performed or supervised the performance of such test; except that—

(i) if a physician performed or supervised the performance of such test, payment may be made to another physician with whom he shares his practice,

(ii) in the case of a test performed at the request of a laboratory by another laboratory, payment may be made to the referring laboratory but only if—

(I) the referring laboratory is located in, or is part of, a rural hospital,

(II) the referring laboratory is wholly owned by the entity performing such test, the referring laboratory wholly owns the entity performing such test, or both the referring laboratory and the entity performing such test are wholly-owned by a third entity, or

(III) not more than 30 percent of the clinical diagnostic laboratory tests for which such referring laboratory (but not including a laboratory described in subclause (II)),[2] receives requests for testing during the year in which the test is performed[2] are performed by another laboratory, and

(iii) in the case of a clinical diagnostic laboratory test provided under an arrangement (as defined in section 1395x(w)(1) of this title) made by a hospital or rural primary care hospital, payment shall be made to the hospital.

(B) In the case of such a bill or request for payment for a clinical diagnostic laboratory test for which payment may otherwise be made under this part, and which is not described in subparagraph (A), payment may be made to the beneficiary only on the basis of the itemized bill of the person or entity which performed or supervised the performance of the test.

(C) Payment for a clinical diagnostic laboratory test, including a test performed in a physi-

cian's office but excluding a test performed by a rural health clinic may only be made on an assignment-related basis or to a provider of services with an agreement in effect under section 1395cc of this title.

(D) A person may not bill for a clinical diagnostic laboratory test, including a test performed in a physician's office but excluding a test performed by a rural health clinic,,[3] other than on an assignment-related basis. If a person knowingly and willfully and on a repeated basis bills for a clinical diagnostic laboratory test in violation of the previous sentence, the Secretary may apply sanctions against the person in the same manner as the Secretary may apply sanctions against a physician in accordance with paragraph (2) of section 1395u(j) of this title in the same manner such paragraphs apply[4] with respect to a physician. Paragraph (4) of such section shall apply in this subparagraph in the same manner as such paragraph applies to such section.

(6) In the case of any diagnostic laboratory test payment for which is not made on the basis of a fee schedule under paragraph (1), the Secretary may establish a payment rate which is acceptable to the person or entity performing the test and which would be considered the full charge for such tests. Such negotiated rate shall be limited to an amount not in excess of the total payment that would have been made for the services in the absence of such rate.

(i) Outpatient surgery

(1) The Secretary shall, in consultation with appropriate medical organizations—

(A) specify those surgical procedures which are appropriately (when considered in terms of the proper utilization of hospital inpatient facilities) performed on an inpatient basis in a hospital but which also can be performed safely on an ambulatory basis in an ambulatory surgical center (meeting the standards specified under section 1395k(a)(2)(F)(i) of this title), rural primary care hospital, or hospital outpatient department, and

(B) specify those surgical procedures which are appropriately (when considered in terms of the proper utilization of hospital inpatient facilities) performed on an inpatient basis in a hospital but which also can be performed safely on an ambulatory basis in a physician's office.

The lists of procedures established under subparagraphs (A) and (B) shall be reviewed and updated not less often than every 2 years, in consultation with appropriate trade and professional organizations.

(2)(A) The amount of payment to be made for facility services furnished in connection with a surgical procedure specified pursuant to paragraph (1)(A) and furnished to an individual in an ambulatory surgical center described in such paragraph shall be equal to 80 percent of a standard overhead amount established by the Secretary (with respect to each such procedure) on the basis of the Secretary's estimate of a fair fee which—

(i) takes into account the costs incurred by such centers, or classes of centers, generally in providing services furnished in connection with the performance of such procedure, as determined in accordance with a survey (based upon a representative sample of procedures and facilities) taken not later than January 1, 1995, and every 5 years thereafter, of the actual audited costs incurred by such centers in providing such services,

(ii) takes such costs into account in such a manner as will assure that the performance of the procedure in such a center will result in substantially less amounts paid under this subchapter than would have been paid if the procedure had been performed on an inpatient basis in a hospital, and

(iii) in the case of insertion of an intraocular lens during or subsequent to cataract surgery includes payment which is reasonable and related to the cost of acquiring the class of lens involved.

Each amount so established shall be reviewed and updated not later than July 1, 1987, and annually thereafter to take account of varying conditions in different areas.

(B) The amount of payment to be made under this part for facility services furnished, in connection with a surgical procedure specified pursuant to paragraph (1)(B), in a physician's office shall be equal to 80 percent of a standard overhead amount established by the Secretary (with respect to each such procedure) on the basis of the Secretary's estimate of a fair fee which—

(i) takes into account additional costs, not usually included in the professional fee, incurred by physicians in securing, maintaining, and staffing the facilities and ancillary services appropriate for the performance of such procedure in the physician's office, and

(ii) takes such items into account in such a manner which will assure that the performance of such procedure in the physician's office will result in substantially less amounts paid under this subchapter than would have been paid if the services had been furnished on an inpatient basis in a hospital.

Each amount so established shall be reviewed and updated not later than July 1, 1987, and annually thereafter to take account of varying conditions in different areas.

(C) Notwithstanding the second sentence of subparagraph (A) or the second sentence of subparagraph (B), if the Secretary has not updated amounts established under such subparagraphs with respect to facility services furnished during a fiscal year (beginning with fiscal year 1996), such amounts shall be increased by the percentage increase in the consumer price index for all urban consumers (U.S. city average) as estimated by the Secretary for the 12-month period ending with the midpoint of the year involved.

(3)(A) The aggregate amount of the payments to be made under this part for outpatient hospital facility services or rural primary care hospital services furnished in connection with surgical procedures specified under paragraph (1)(A) in a cost reporting period shall be equal to the lesser of—

[3] So in original.

[4] So in original. Probably should be ''such paragraph applies''.

(i) the amount determined with respect to such services under subsection (a)(2)(B) of this section; or

(ii) the blend amount (described in subparagraph (B)).

(B)(i) The blend amount for a cost reporting period is the sum of—

(I) the cost proportion (as defined in clause (ii)(I)) of the amount described in subparagraph (A)(i), and

(II) the ASC proportion (as defined in clause (ii)(II)) of 80 percent of the standard overhead amount payable with respect to the same surgical procedure as if it were provided in an ambulatory surgical center in the same area, as determined under paragraph (2)(A).

(ii) Subject to paragraph (4), in this paragraph:

(I) The term ''cost proportion'' means 75 percent for cost reporting periods beginning in fiscal year 1988, 50 percent for portions of cost reporting periods beginning on or after October 1, 1988, and ending on or before December 31, 1990, and 42 percent for portions of cost reporting periods beginning on or after January 1, 1991.

(II) The term ''ASC proportion'' means 25 percent for cost reporting periods beginning in fiscal year 1988, 50 percent for portions of cost reporting periods beginning on or after October 1, 1988, and ending on or before December 31, 1990, and 58 percent for portions of cost reporting periods beginning on or after January 1, 1991.

(4)(A) In the case of a hospital that—

(i) makes application to the Secretary and demonstrates that it specializes in eye services or eye and ear services (as determined by the Secretary),

(ii) receives more than 30 percent of its total revenues from outpatient services, and

(iii) on October 1, 1987—

(I) was an eye specialty hospital or an eye and ear specialty hospital, or

(II) was operated as an eye or eye and ear unit (as defined in subparagraph (B)) of a general acute care hospital which, on the date of the application described in clause (i), operates less than 20 percent of the beds that the hospital operated on October 1, 1987, and has sold or otherwise disposed of a substantial portion of the hospital's other acute care operations,

the cost proportion and ASC proportion in effect under subclauses (I) and (II) of paragraph (3)(B)(ii) for cost reporting periods beginning in fiscal year 1988 shall remain in effect for cost reporting periods beginning on or after October 1, 1988, and before January 1, 1995.

(B) For purposes of this[5] subparagraph (A)(iii)(II), the term ''eye or eye and ear unit'' means a physically separate or distinct unit containing separate surgical suites devoted solely to eye or eye and ear services.

(5)(A) The Secretary is authorized to provide by regulations that in the case of a surgical procedure, specified by the Secretary pursuant to paragraph (1)(A), performed in an ambulatory surgical center described in such paragraph, there shall be paid (in lieu of any amounts otherwise payable under this part) with respect to the facility services furnished by such center and with respect to all related services (including physicians' services, laboratory, X-ray, and diagnostic services) a single all-inclusive fee established pursuant to subparagraph (B), if all parties furnishing all such services agree to accept such fee (to be divided among the parties involved in such manner as they shall have previously agreed upon) as full payment for the services furnished.

(B) In implementing this paragraph, the Secretary shall establish with respect to each surgical procedure specified pursuant to paragraph (1)(A) the amount of the all-inclusive fee for such procedure, taking into account such factors as may be appropriate. The amount so established with respect to any surgical procedure shall be reviewed periodically and may be adjusted by the Secretary, when appropriate, to take account of varying conditions in different areas.

(6) Any person, including a facility having an agreement under section 1395k(a)(2)(F)(i) of this title, who knowingly and willfully presents, or causes to be presented, a bill or request for payment, for an intraocular lens inserted during or subsequent to cataract surgery for which payment may be made under paragraph (2)(A)(iii), is subject to a civil money penalty of not to exceed $2,000. The provisions of section 1320a–7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a–7a(a) of this title.

(j) Accrual of interest on balance of excess or deficit not paid

Whenever a final determination is made that the amount of payment made under this part either to a provider of services or to another person pursuant to an assignment under section 1395u(b)(3)(B)(ii) of this title was in excess of or less than the amount of payment that is due, and payment of such excess or deficit is not made (or effected by offset) within 30 days of the date of the determination, interest shall accrue on the balance of such excess or deficit not paid or offset (to the extent that the balance is owed by or owing to the provider) at a rate determined in accordance with the regulations of the Secretary of the Treasury applicable to charges for late payments.

(k) Hepatitis B vaccine

With respect to services described in section 1395x(s)(10)(B) of this title, the Secretary may provide, instead of the amount of payment otherwise provided under this part, for payment of such an amount or amounts as reasonably reflects the general cost of efficiently providing such services.

(*l*) Fee schedule for services of certified registered nurse anesthetists

(1)(A) The Secretary shall establish a fee schedule for services of certified registered nurse anesthetists under section 1395x(s)(11) of this title.

[5] So in original. The word ''this'' probably should not appear.

(B) In establishing the fee schedule under this paragraph the Secretary may utilize a system of time units, a system of base and time units, or any appropriate methodology.

(C) The provisions of this subsection shall not apply to certain services furnished in certain hospitals in rural areas under the provisions of section 9320(k) of the Omnibus Budget Reconciliation Act of 1986, as amended by section 6132 of the Omnibus Budget Reconciliation Act of 1989.

(2) Except as provided in paragraph (3), the fee schedule established under paragraph (1) shall be initially based on audited data from cost reporting periods ending in fiscal year 1985 and such other data as the Secretary determines necessary.

(3)(A) In establishing the initial fee schedule for those services, the Secretary shall adjust the fee schedule to the extent necessary to ensure that the estimated total amount which will be paid under this subchapter for those services plus applicable coinsurance in 1989 will equal the estimated total amount which would be paid under this subchapter for those services in 1989 if the services were included as inpatient hospital services and payment for such services was made under part A of this subchapter in the same manner as payment was made in fiscal year 1987, adjusted to take into account changes in prices and technology relating to the administration of anesthesia.

(B) The Secretary shall also reduce the prevailing charge of physicians for medical direction of a certified registered nurse anesthetist, or the fee schedule for services of certified registered nurse anesthetists, or both, to the extent necessary to ensure that the estimated total amount which will be paid under this subchapter plus applicable coinsurance for such medical direction and such services in 1989 and 1990 will not exceed the estimated total amount which would have been paid plus applicable coinsurance but for the enactment of the amendments made by section 9320 of the Omnibus Budget Reconciliation Act of 1986. A reduced prevailing charge under this subparagraph shall become the prevailing charge but for subsequent years for purposes of applying the economic index under the fourth sentence of section 1395u(b)(3) of this title.

(4)(A) Except as provided in subparagraphs (C) and (D), in determining the amount paid under the fee schedule under this subsection for services furnished on or after January 1, 1991, by a certified registered nurse anesthetist who is not medically directed—

(i) the conversion factor shall be—

(I) for services furnished in 1991, $15.50,

(II) for services furnished in 1992, $15.75,

(III) for services furnished in 1993, $16.00,

(IV) for services furnished in 1994, $16.25,

(V) for services furnished in 1995, $16.50,

(VI) for services furnished in 1996, $16.75, and

(VII) for services furnished in calendar years after 1996, the previous year's conversion factor increased by the update determined under section 1395w–4(d)(3) of this title for physician anesthesia services for that year;

(ii) the payment areas to be used shall be the fee schedule areas used under section 1395w–4 of this title (or, in the case of services furnished during 1991, the localities used under section 1395u(b) of this title) for purposes of computing payments for physicians' services that are anesthesia services;

(iii) the geographic adjustment factors to be applied to the conversion factor under clause (i) for services in a fee schedule area or locality is—[6]

(I) in the case of services furnished in 1991, the geographic work index value and the geographic practice cost index value specified in section 1395u(q)(1)(B) of this title for physicians' services that are anesthesia services furnished in the area or locality, and

(II) in the case of services furnished after 1991, the geographic work index value, the geographic practice cost index value, and the geographic malpractice index value used for determining payments for physicians' services that are anesthesia services under section 1395w–4 of this title,

with 70 percent of the conversion factor treated as attributable to work and 30 percent as attributable to overhead for services furnished in 1991 (and the portions attributable to work, practice expenses, and malpractice expenses in 1992 and thereafter being the same as is applied under section 1395w–4 of this title).

(B)(i) Except as provided in clause (ii) and subparagraph (D), in determining the amount paid under the fee schedule under this subsection for services furnished on or after January 1, 1991, and before January 1, 1994, by a certified registered nurse anesthetist who is medically directed, the Secretary shall apply the same methodology specified in subparagraph (A).

(ii) The conversion factor used under clause (i) shall be—

(I) for services furnished in 1991, $10.50,

(II) for services furnished in 1992, $10.75, and

(III) for services furnished in 1993, $11.00.

(iii) In the case of services of a certified registered nurse anesthetist who is medically directed or medically supervised by a physician which are furnished on or after January 1, 1994, the fee schedule amount shall be one-half of the amount described in section 1395w–4(a)(5)(B) of this title with respect to the physician.

(C) Notwithstanding subclauses (I) through (V) of subparagraph (A)(i)—

(i) in the case of a 1990 conversion factor that is greater than $16.50, the conversion factor for a calendar year after 1990 and before 1996 shall be the 1990 conversion factor reduced by the product of the last digit of the calendar year and one-fifth of the amount by which the 1990 conversion factor exceeds $16.50; and

(ii) in the case of a 1990 conversion factor that is greater than $15.49 but less than $16.51, the conversion factor for a calendar year after 1990 and before 1996 shall be the greater of—

(I) the 1990 conversion factor, or

(II) the conversion factor specified in subparagraph (A)(i) for the year involved.

(D) Notwithstanding subparagraph (C), in no case may the conversion factor used to deter-

mine payment for services in a fee schedule area or locality under this subsection, as adjusted by the adjustment factors specified in subparagraphs[7] (A)(iii), exceed the conversion factor used to determine the amount paid for physicians' services that are anesthesia services in the area or locality.

(5)(A) Payment for the services of a certified registered nurse anesthetist (for which payment may otherwise be made under this part) may be made on the basis of a claim or request for payment presented by the certified registered nurse anesthetist furnishing such services, or by a hospital, rural primary care hospital, physician, group practice, or ambulatory surgical center with which the certified registered nurse anesthetist furnishing such services has an employment or contractual relationship that provides for payment to be made under this part for such services to such hospital, rural primary care hospital, physician, group practice, or ambulatory surgical center.

(B) No hospital or rural primary care hospital that presents a claim or request for payment for services of a certified nurse anesthetist under this part may treat any uncollected coinsurance amount imposed under this part with respect to such services as a bad debt of such hospital or rural primary care hospital for purposes of this subchapter.

(6) If an adjustment under paragraph (3)(B) results in a reduction in the reasonable charge for a physicians' service and a nonparticipating physician furnishes the service to an individual entitled to benefits under this part after the effective date of the reduction, the physician's actual charge is subject to a limit under section 1395u(j)(1)(D) of this title.

(m) Incentive payments for physicians' services furnished in underserved areas

In the case of physicians' services furnished to an individual, who is covered under the insurance program established by this part and who incurs expenses for such services, in an area that is designated (under section 254e(a)(1)(A) of this title) as a health professional shortage area, in addition to the amount otherwise paid under this part, there also shall be paid to the physician (or to an employer or facility in the cases described in clause (A) of section 1395u(b)(6) of this title) (on a monthly or quarterly basis) from the Federal Supplementary Medical Insurance Trust Fund an amount equal to 10 percent of the payment amount for the service under this part.

(n) Payments to hospital outpatient departments for radiology; amount; definitions

(1)(A)[8] The aggregate amount of the payments to be made for all or part of a cost reporting period for services described in subsection (a)(2)(E)(i) of this section furnished under this part on or after October 1, 1988, and for services described in subsection (a)(2)(E)(ii) of this section furnished under this part on or after October 1, 1989, shall be equal to the lesser of—

(i) the amount determined with respect to such services under subsection (a)(2)(B) of this section, or

(ii) the blend amount for radiology services and diagnostic procedures determined in accordance with subparagraph (B).

(B)(i) The blend amount for radiology services and diagnostic procedures for a cost reporting period is the sum of—

(I) the cost proportion (as defined in clause (ii)) of the amount described in subparagraph (A)(i); and

(II) the charge proportion (as defined in clause (ii)(II)) of 62 percent (for services described in subsection (a)(2)(E)(i) of this section), or (for procedures described in subsection (a)(2)(E)(ii) of this section), 42 percent or such other percent established by the Secretary (or carriers acting pursuant to guidelines issued by the Secretary) based on prevailing charges established with actual charge data, of 80 percent of the prevailing charge or (for services described in subsection (a)(2)(E)(i) of this section furnished on or after April 1, 1989 and for services described in subsection (a)(2)(E)(ii) of this section furnished on or after January 1, 1992) the fee schedule amount established for participating physicians for the same services as if they were furnished in a physician's office in the same locality as determined under section 1395u(b) of this title (or, in the case of services furnished on or after January 1, 1992, under section 1395w–4 of this title).

(ii) In this subparagraph:

(I) The term ''cost proportion'' means 50 percent, except that such term means 65 percent in the case of outpatient radiology services for portions of cost reporting periods which occur in fiscal year 1989 and in the case of diagnostic procedures described in subsection (a)(2)(E)(ii) of this section for portions of cost reporting periods which occur in fiscal year 1990, and such term means 42 percent in the case of outpatient radiology services for portions of cost reporting periods beginning on or after January 1, 1991.

(II) The term ''charge proportion'' means 100 percent minus the cost proportion.

(*o*) Limitation on benefit for payment for therapeutic shoes for individuals with severe diabetic foot disease

(1) In the case of shoes described in section 1395x(s)(12) of this title—

(A) no payment may be made under this part, with respect to any individual for any year, for the furnishing of—

(i) more than one pair of custom molded shoes (including inserts provided with such shoes) and 2 additional pairs of inserts for such shoes, or

(ii) more than one pair of extra-depth shoes (not including inserts provided with such shoes) and 3 pairs of inserts for such shoes, and

(B) with respect to expenses incurred in any calendar year, no more than the limits established under paragraph (2) shall be considered as incurred expenses for purposes of subsections (a) and (b) of this section.

Payment for shoes (or inserts) under this part shall be considered to include payment for any

[8] So in original. No par. (2) has been enacted.

expenses for the fitting of such shoes (or inserts).

(2)(A) Except as provided by the Secretary under subparagraphs (B) and (C), the limits established under this paragraph—

(i) for the furnishing of—

(I) one pair of custom molded shoes (including any inserts that are provided initially with the shoes) is $300, and

(II) any additional pair of inserts with respect to such shoes is $50; and

(ii) for the furnishing of extra-depth shoes and inserts is—

(I) $100 for the pair of shoes itself, and

(II) $50 for any pairs of inserts for a pair of shoes.

(B) The Secretary or a carrier may establish limits for shoes that are lower than the limits established under subparagraph (A) if the Secretary finds that shoes and inserts of an appropriate quality are readily available at or below such lower limits.

(C) For each year after 1988, each dollar amount under subparagraph (A) or (B) (as previously adjusted under this subparagraph) shall be increased by the same percentage increase as the Secretary provides with respect to durable medical equipment for that year, except that if such increase is not a multiple of $1, it shall be rounded to the nearest multiple of $1.

(D) In accordance with procedures established by the Secretary, an individual entitled to benefits with respect to shoes described in section 1395x(s)(12) of this title may substitute modification of such shoes instead of obtaining one (or more, as specified by the Secretary) pairs[9] of inserts (other than the original pair of inserts with respect to such shoes). In such case, the Secretary shall substitute, for the limits established under subparagraph (A), such limits as the Secretary estimates will assure that there is no net increase in expenditures under this subsection as a result of this subparagraph.

(3) In this subchapter, the term ''shoes'' includes, except for purposes of subparagraphs (A)(ii) and (B) of paragraph (2), inserts for extra-depth shoes.

(p) Repealed. Pub. L. 103–432, title I, § 123(b)(2)(A)(ii), Oct. 31, 1994, 108 Stat. 4411

(q) Requests for payment to include information on referring physician

(1) Each request for payment, or bill submitted, for an item or service furnished by an entity for which payment may be made under this part and for which the entity knows or has reason to believe there has been a referral by a referring physician (within the meaning of section 1395nn of this title) shall include the name and unique physician identification number for the referring physician.

(2)(A) In the case of a request for payment for an item or service furnished by an entity under this part on an assignment-related basis and for which information is required to be provided under paragraph (1) but not included, payment may be denied under this part.

(B) In the case of a request for payment for an item or service furnished by an entity under this part not submitted on an assignment-related basis and for which information is required to be provided under paragraph (1) but not included—

(i) if the entity knowingly and willfully fails to provide such information promptly upon request of the Secretary or a carrier, the entity may be subject to a civil money penalty in an amount not to exceed $2,000, and

(ii) if the entity knowingly, willfully, and in repeated cases fails, after being notified by the Secretary of the obligations and requirements of this subsection to provide the information required under paragraph (1), the entity may be subject to exclusion from participation in the programs under this chapter for a period not to exceed 5 years, in accordance with the procedures of subsections (c), (f), and (g) of section 1320a–7 of this title.

The provisions of section 1320a–7a of this title (other than subsections (a) and (b)) shall apply to civil money penalties under clause (i) in the same manner as they apply to a penalty or proceeding under section 1320a–7a(a) of this title.

(r) Cap on prevailing charge; billing on assignment-related basis

(1) With respect to services described in section 1395x(s)(2)(K)(iii) of this title (relating to nurse practitioner or clinical nurse specialist services provided in a rural area), payment may be made on the basis of a claim or request for payment presented by the nurse practitioner or clinical nurse specialist furnishing such services, or by a hospital, rural primary care hospital, skilled nursing facility or nursing facility (as defined in section 1396r(a) of this title), physician, group practice, or ambulatory surgical center with which the nurse practitioner or clinical nurse specialist has an employment or contractual relationship that provides for payment to be made under this part for such services to such hospital, physician, group practice, or ambulatory surgical center.

(2)(A) For purposes of subsection (a)(1)(O) of this section, the prevailing charge for services described in section 1395x(s)(2)(K)(iii) of this title may not exceed the applicable percentage (as defined in subparagraph (B)) of the prevailing charge (or, for services furnished on or after January 1, 1992, the fee schedule amount provided under section 1395w–4 of this title) determined for such services performed by physicians who are not specialists.

(B) In subparagraph (A), the term ''applicable percentage'' means—

(i) 75 percent in the case of services performed in a hospital, and

(ii) 85 percent in the case of other services.

(3) No hospital or rural primary care hospital that presents a claim or request for payment under this part for services described in section 1395x(s)(2)(K)(iii) of this title may treat any uncollected coinsurance amount imposed under this part with respect to such services as a bad debt of such hospital for purposes of this subchapter.

(s) Other prepaid organizations

The Secretary may not provide for payment under subsection (a)(1)(A) of this section with respect to an organization unless the organiza-
